## AUDITORS' REPORT (LIMITED REVIEW) ON INTERIM FINANCIAL STATEMENTS

To the stockholders  
Saudi Kayan Petrochemical Company (Saudi Kayan)  
Al-Jubail, Saudi Arabia

### Scope of Review

We have reviewed the interim balance sheet of Saudi Kayan Petrochemical Company (Saudi Kayan) ("Saudi Joint Stock Company"- in development stage) as of March 31, 2009 and the related interim statements of pre-operating activities, cash flows and stockholders' equity for the three months then ended, and notes 1 to 10 which form an integral part of these interim financial statements as prepared by the Company and presented to us with all the necessary information and explanations. These interim financial statements are the responsibility of the Company's management.

We conducted our review in accordance with the standard of auditing applicable to interim financial reporting issued by the Saudi Organization for Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

### Review Results

Based on our limited review, we are not aware of any material modifications that should be made to the accompanying interim financial statements for them to be in conformity with generally accepted accounting standards.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accompanying interim financial statements have been prepared in compliance with the accounting standards issued by the Saudi Organization for Certified Public Accountants. The following is a summary of significant accounting policies applied by the Company:

**a) Accounting convention**

The financial statements are prepared under the historical cost convention.

**b) Use of estimates**

The preparation of interim financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management’s best knowledge of current events and actions, actual results ultimately may differ from those estimates.

**c) Revenue recognition**

Income from murabaha placements and deposits are recognized on accrual basis.

**d) Pre-operative expenses**

Pre-operative expenses include expenses not directly attributable to the construction costs of the Company and which do not have future benefits.

**e) Cost of projects under construction**

Cost of projects under construction represents the costs incurred for the construction of various projects and are accounted for at cost.

**f) Foreign currency translation**

Transactions denominated in foreign currencies are translated into Saudi Riyals at exchange rates prevailing on the dates of such transactions. Monetary assets and liabilities denominated in foreign currencies are translated into Saudi Riyals at exchange rates prevailing at the balance sheet date. Exchange gains or losses are credited or charged to statement of pre-operating activities.

**g) Borrowing costs**

Borrowing costs directly attributable to the projects under construction are added to the cost of that asset until such time as the assets are ready for their intended use. Investment income earned on temporary investment of specific borrowings pending their expenditure on the projects under construction is deducted from the borrowing costs eligible for capitalization.

**h) End-of-service indemnities**

End-of-service indemnities, required by the Saudi Arabian labor law, are provided in the financial statements based on the employees' length of service.

**i) Employees' home ownership program**

The Company has a home ownership program that offers eligible Saudi employees home ownership opportunities.

Unsold housing units constructed for eventual sale to eligible employees are included under buildings and depreciated over 33 years.

When the houses are allocated to the employees, the cost of houses constructed and sold to the employees under the program is transferred from property and equipment to other non-current assets. Down payments and installments of purchase price received from employees are set off against the other non-current assets.

The cost of the houses and the related purchase price is removed from other non-current assets when the title to the houses is transferred to the employees, at which time, no significant gain or loss is expected to result to the Company.

**j) Employees' Savings Plan**

The Company maintains an employee saving plan. The contributions from the participants are deposited in a bank account and provision is established for the Company's contribution.

**k) Zakat**

The Company is subject to zakat in accordance with the Regulations of the Department of Zakat and Income Tax ("DZIT"). Zakat is calculated and accrued for the quarter based on estimation. Zakat is recorded at the period end based on period end figures and any difference between the estimate and the actual is adjusted at that time. Any difference between the estimate and final assessment is recorded when settled.

**l) Leasing**

Leases are classified as capital leases whenever the terms of the lease transfer substantially all of the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. Rentals payable under operating leases are charged to income on a straight line basis over the term of the operating lease.
