**NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS
FOR THE THREE MONTHS PERIOD ENDED 31 MARCH 2012**

1. GENERAL

Saudi United Cooperative Insurance Company ("the Company") is a Saudi Joint Stock Company established in Al Khobar, Kingdom of Saudi Arabia and incorporated on 4 July 2007 corresponding to 19 Jumada II 1428H under Commercial Registration No. 2051034982.

The purpose of the Company is to transact in cooperative insurance operations and all related activities.

The Company was granted the license (number TMN/16/2008) to practice general and medical insurance and re-insurance business from Saudi Arabian Monetary Agency (SAMA) on 28 Jumada II 1429 H corresponding to 2 July 2008.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The interim condensed financial statements for the three months period ended 31 March 2012 have been prepared in accordance with International Accounting Standards 34-Interim Financial Reporting (IAS 34).

The accounting policies used in the preparation of these interim condensed financial statements are consistent with those used in the preparation of the annual financial statements as of and for the year ended December 31, 2011, except for the adoption of amendments and revisions to existing standards as mentioned below which had no significant financial impact on the interim condensed financial statements of the Company:

a) Amendment to IFRS 7 - Financial instruments: Transfers of financial assets:

This amendment is effective from 1 July 2011 and requires additional disclosures in respect of risk exposures arising from transferred financial assets. The amendment includes a requirement to disclose by class of asset the nature, carrying amount and a description of the risks and rewards of financial assets that have been transferred to another party yet remain on the entity's financial position. Disclosures are also required to enable a user to understand the amount of any associated liabilities, and the relationship between the financial assets and associated liabilities.

b) Amendment to IAS 12, 'Income taxes' on deferred tax (effective 1 January 2012):

Currently IAS 12, 'Income taxes', requires an entity to measure the deferred tax relating to an asset depending on whether the entity expects to recover the carrying amount of the asset through use or sale. It can be difficult and subjective to assess whether recovery will be through use or through sale when the asset is measured using the fair value model in IAS 40 Investment Property. Hence this amendment introduces an exception to the existing principle for the measurement of deferred tax assets or liabilities arising on investment property measured at fair value. As a result of the amendments, SIC 21, 'Income taxes- recovery of revalued non-depreciable assets', would no longer apply to investment properties carried at fair value. The amendments also incorporate into IAS 12 the remaining guidance previously contained in SIC 21, which has been withdrawn.

(A SAUDI JOINT STOCK COMPANY)

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (Continued)
FOR THE THREE MONTHS PERIOD ENDED 31 MARCH 2012

The Company's management decided not to choose the early adoption of the following new and amended standards and interpretations issued which will become effective for the periods commencing on or after January 1, 2013:

Standard	Name of the standard
Amendments to IAS 1	Presentation of Financial Statements
Amendments to IAS 19	Employee Benefits
Amendments to IAS 27	Separate Financial Statements
Amendments to IAS 28	Investments in Associates and Joint Ventures
IFRS 9	Financial Instruments- Classification and measurement
IFRS10	Consolidated Financial Statements
IFRS11	Joint Arrangements
IFRS 12	Disclosure of Interests in Other Entities
IFRS 13	Fair Value Measurement
Amendments to IAS 32 and IFRS 7	Offsetting of Financial Assets and Financial Liabilities

The Company's management is currently evaluating the impact of adopting these Standards and Interpretations on the financial statements of the Company and the timing of initial application.

The interim condensed financial statements have been prepared under historical cost convention, except for certain financial instruments which are measured at fair value and are presented in Saudi Riyals, which is also the functional currency of the Company, and the presentation currency for the interim condensed financial statements.
