**AUDITORS' REPORT ON THE REVIEW OF INTERIM
FINANCIAL STATEMENTS**

**SHAREHOLDERS OF
WAFRAH FOR INDUSTRY AND DEVELOPMENT COMPANY
(A Saudi Joint Stock Company)**

Scope of Examination: We have examined the accompanying Interim balance sheet of **WAFRAH FOR INDUSTRY AND DEVELOPMENT COMPANY (A Saudi Joint Stock Company)** as of June 30, 2016 and the related interim statements of income for three and six months periods ended June 30, 2016 interim cash flows and interim changes in shareholders equity for the six month period then ended, and the notes from (1) to (18) which are an integral part of these interim financial statements. These financial statements are the responsibility of the Company's management and were submitted to us together with all the information and explanations which we requested.

Our examination was limited for the Interim financial statements and was conducted in accordance with the Saudi Organization for Certified Public Accountants standard on interim financial statements. The limited examination consists principally of analytical procedures applied to financial data and inquiries of the Company's personnel responsible for financial and accounting matters. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Conclusion: Based on our limited review, we are not aware of any material modifications that should be made to the interim financial statements to be in conformity with generally accepted accounting principles in the Kingdom of Saudi Arabia.

The figures in these interim financial statements are rounded to the nearest Saudi riyal.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of Company's significant accounting policies:

a) Use of estimates --

The preparation of interim financial statements in accordance with the accepted principles requires the use of estimates and assumptions that may affects the value of restricted assets and liabilities and disclosure of potential assets and liabilities in the date of the financial statements and the value of revenue and expenses were disclosure to the period of the interim financial statements preparation. Although these estimates and judgments are based on management's best knowledge and events available to the management in the date of the accompanying interim financial statement, It is possible that actual final results differ from these estimated. These estimated and assumptions are reviewed on a continual basis and effects resulting from these accounting change will be disclosed in the year and future period which are affected by it.

b) Inventory --

Inventories comprise of finished goods, work in process raw materials, accessories and spare parts which are stated at the lower of cost or estimated net realizable value. Costs include cost of raw materials direct labor and manufacturing overheads. Appropriate provisions are made for slow moving and redundant inventories, if any.

c) Investments --

Investments in subsidiaries: Investments in subsidiaries companies represent shares in companies owned by the company in different percentages; when the percentage does not exceeds 20% investments are shown at cost. When the percentage ranges between 20% to 50% investments are accounted for, using the equity methods, whereas investment accounted for using the consolidation methods, when the percentage exceeds 50% if any.

Investments in securities held for trading: Investments in securities held for trading are reported in the accompanying interim consolidated financial statements at market value. Realized gains or losses on sale of these investments are reported in the statement of income.

Investments in securities available for sale: Investments in securities available for sale are reported in the accompanying interim consolidated financial statements at fair value. Realized gains or losses on sale are recorded in the statement of income, and unrealized gains or losses are reported in the statement of equity section.

d) Property, plant and equipment --

Property, plant and equipment are stated at net cost of accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets based on the following annual percentage rates:

Buildings	3 – 15 %
Motor vehicles	25 %
Furniture and fixture	2.5 – 15 %
Machinery and equipments	5 %
Tools	5 – 15 %
Artesian wells	5 %
Air conditions	15 %
Fitting and equipments	10 %

e) End of service benefits --

Benefits payable to the employees at the end of their services are provided in accordance with the guidelines set by the Saudi Arabian Labor Law.

f) Revenue recognition --

Revenue is recognized when goods are delivered and invoices are issued to customers. Other income is recorded when earned.

g) Expenses --

Selling and distribution expenses represent expenses resulting from the company's activities in the functions of sales, marketing and distribution. All other expenses are classified as general and administrative expense. General and administrative expenses contains direct and indirect expenses which are not directly related to selling and marketing expenses, according to the accounting standards

h) Zakat --

Zakat is an obligation payable by the Company. Estimated Zakat is provided for in the accompanying financial statements and charged to the statement of income, in accordance with Zakat standard issued by the Saudi Organization for Certified Public Accountants. Zakat calculation is made quarterly according to the accrual accounting concept. Any differences between Zakat provision and final settlement at the end of the year are settled.
