### LIMITED REVIEW REPORT TO THE UNITHOLDERS OF ALEMAAR FUND

#### Scope of Review

We have reviewed the accompanying interim condensed balance sheet of **Al EMAAR FUND** ("the Fund") as at 30 June 2016, and the related interim condensed statements of income, cash flows and changes in net assets attributable to Unitholders for the six month period then ended and the accompanying notes which form an integral part of these interim condensed financial statements. These interim financial statements are the responsibility of the Fund's management and have been prepared by them and submitted to us together with all the information and explanations which we required.

We conducted our limited review in accordance with the standard on review of interim financial reporting issued by the Saudi Organization for Certified Public Accountants ("SOCPA"). A review consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

#### Conclusion

Based on our limited review, we are not aware of any material modifications that should be made to the accompanying interim financial statements in order for them to be in conformity with accounting standards generally accepted in the Kingdom of Saudi Arabia.
