**AUDITORS' REPORT ON THE REVIEW OF INTERIM CONSOLIDATED
FINANCIAL STATEMENTS**

**SHAREHOLDERS OF
SAUDI INDUSTRIAL INVESTMENT GROUP
(A Saudi Joint Stock Company)**

We have examined the accompanying Interim consolidated balance sheet of **SAUDI INDUSTRIAL INVESTMENT GROUP (A Saudi Joint Stock Company)** as of March 31, 2010 and the related statements of income, cash flows and changes in shareholders' equity for the three months period then ended, and the notes from 1 to 12 which are an integral part of these interim consolidated financial statements which have been prepared by the company and submitted to us together with all the information and explanations which we requested. We examined the interim consolidated financial statements based on financial data submitted to us from the company for its affiliate companies (Saudi Chevron Phillips Company and Jubail Chevron Phillips Company which the Company owns 50% from its shares and National Petrochemical Company - Petrochem which the Company and its affiliate owns 50% from its shares with control authority) for the three months period ended March 31, 2010. These consolidated financial statements are the responsibility of the Company's management.

Our examination was limited for the Interim consolidated financial statements of **SAUDI INDUSTRIAL INVESTMENT GROUP (A Saudi Joint Stock Company)** and was conducted in accordance with the Saudi Organization for Certified Public Accountants standard on interim consolidated financial statements. The limited examination consists principally of analytical procedures applied to financial data and inquiries of the Company's personnel responsible for financial and accounting matters. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our limited review, we are not aware of any material modifications that should be made to the interim consolidated financial statements for the three months period ended March 31, 2010 to be in conformity with generally accepted accounting principles.

SAUDI INDUSTRIAL INVESTMENT GROUP

(A Saudi Joint Stock Company)

NOTES TO INTERIM CONSOLIDATED FINANCIAL STATEMENTS (UN-AUDITED)

FOR THE PERIOD ENDED MARCH 31, 2010

(In Thousands Saudi Riyals)

1. GENERAL

Saudi Industrial Investment Group is a Saudi Joint Stock Company founded according to the decree No. 291 issued by the Ministry of Commerce dated 29/6/1416H (corresponding to 23/11/1995). The Company is registered in the Kingdom of Saudi Arabia under the commercial registration No. 1010139946 issued in Riyadh dated 10/8/1416H (corresponding to 1/1/1996). The paid up capital of the Company is 4,500 Millions Saudi Riyals comprising of 450 Million shares at a par value of Saudi Riyals 10 per share.

The principal activities of the Company are enhancing the growth and development of the industrial base of the Kingdom, mainly, the petrochemicals industry, opening more channels for the exportation of the products and more ways for the private sector in the Kingdom to enter the industrial market depending on petrochemical products after obtaining the required licenses from authorized departments.

The accompanying interim consolidated financial statements for the period ended March 31, 2010, 2009 comprise the Company's accounts and it's Affiliated Companies (Saudi Chevron Phillips Company and Jubail Chevron Phillips Company in which the company owns 50% of the owner's equity, National Petrochemical Company – Petrochem in which the company and it's affiliate owns 50% of their owner's equity with control authority and consolidated the local affiliated limited liability companies in which the company owns more than 50% of the owner's, equity based on equity method):

a) Saudi Chevron Phillips Company --

Saudi Chevron Phillips Company (SCP) is a mixed Saudi limited liability Company (capital S.R 655 million), located in Al Jubail Industrial City. Saudi Industrial Investment Group owns 50 % from SCP quotas and the remaining 50 % is owned by Arabian Chevron Phillips Petrochemical Limited Company. The Company produces the following products:

- Benzene
- Cyclohexane
- Gasoline

b) Jubail Chevron Phillips Company --

Jubail Chevron Phillips Company - JCP is a Saudi limited liability mixed company under establishment (capital SAR 1,477,500 Thousand), located in Al Jubail Industrial City. Saudi Industrial Investment Group owns 50% from JCP quotas and 50% is owned by Arabian Chevron Phillips Petrochemical Limited Company. The company is producing the following products:

- Styrene
- Propylene

c) National Petrochemical Company – Petrochem --

National Petrochemical Company – Petrochem is a Saudi Joint Stock Company (capital SAR 4,800 million). Saudi Industrial Investment Group owns 47,7 % of shares of the company. The principal activities of the Company are enhancing the growth, development, establishing, operating, managing and maintaining petrochemicals, gas, petroleum and other industrial factories. The operation of the company also includes wholesale and retail trading in petrochemical materials and products, owning lands, real estate and building for the company benefit.

The National Petrochemical Company held its general assembly meeting on 23/5/1430H corresponding to 18/5/2009). Accordingly, the decision was made to increase company's capital from SAR 2,200 million to SAR 4,800 million through the subscription of Saudi Industrial Investments Group, which owns 95% of the shares before subscription and 47,7% after it, with a total of 20 million shares, and 240 million shares were allocated for public offering at SAR 10 per share.

- Saudi Benzene Company (95% from its capital amounted SAR 500 Thousand).
- Saudi Paraxylene Company (95% from its capital amounted SAR 500 Thousand).
- Saudi Cyclohexane Company (95% from its capital amounted SAR 500 Thousand).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The interim consolidated financial statements are prepared in accordance with generally accepted accounting principles in Saudi Arabia. The following is a summary of the Company's significant accounting policies:

a) Consolidation base --

The accompanying interim consolidated financial statements comprise the Saudi Industrial Investment Group financial statement as of March 31, 2010, 2009 and its affiliate companies according to the unaudited interim financial statement for the affiliate companies as of March 31, 2010, 2009 (Saudi Chevron Phillips Company and Jubail Chevron Phillips Company in which the Company owns 50% of its shares and National Petrochemical Company – Petrochem in which the Company and its affiliate owns 50% of its shares with control authority) and for the purpose of preparing the interim consolidated financial statements, all affiliate balances and transaction were settled between the Company and them.

The consolidated financial statements for the company and its affiliate (Saudi Chevron Phillips Company and Jubail Chevron Phillips Company which the Company owns 50% from its shares) were made based on the congenital consolidation international criterion according to approval from Saudi Organization for Certified Public Accountants (SOCPA) and the consolidated financial statement for National Petrochemical Company – Petrochem was consolidated based on equity method.

b) Inventory --

Inventories comprise of finished goods, work in process and raw materials and are stated at the lower of cost or estimated net realizable value. Costs of finished goods and work in process include raw materials, direct labor and manufacturing overheads. Costs of raw materials are calculated by using the weighted average method; appropriate provisions are made for slow moving and redundant inventories.

c) Investments in Government bonds --

Investments in Government bonds comprise of investments in government development bonds which are stated at cost. Gains are recognized when earned.

d) Deferred expenses --

Deferred expenses are amortized using the straight-line method over a period of 10 years.

e) Property and equipment --

Property and equipment are stated at net cost of accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets based on the following annual percentage rates:

Plant and equipments	5% - 17%
Buildings	5%
Furniture and fixtures	10% - 15%
Motor vehicles	25%
Lease hold improvements	20%
Computers	15%
Computers software	30%
Telecommunication equipments	25%

f) End of service benefits --

Benefits payable to the employees at the end of their services are provided in accordance with the guidelines set by the Saudi Arabian Labor Law.

g) Revenue recognition --

Revenue is recognized when goods are delivered and invoices are issued to customers. Other income is recorded when earned.

h) Expenses --

Expenses incurred by the Company comprise of selling and marketing expenses, general and administrative expenses, and production costs. Production costs include raw materials, direct labor and indirect manufacturing expenses. All expenses related to marketing, selling and distribution of finished goods are classified under a separate line item as selling and marketing expenses. Other direct and indirect management expenses, which are not related to production or selling and marketing functions, are classified as general and administrative expenses. Un-allocated expenses, if any, are distributed between general and administrative expenses, selling and marketing expenses, and production costs using fixed basis.

i) Zakat --

Zakat is an obligation payable by the Company. Estimated Zakat is provided for in the accompanying financial statements and charged to the statement of income, in accordance with Zakat standard issued by the Saudi Organization for Certified Public Accountants. Zakat calculation is made quarterly estimated according to the accrual accounting concept. Any differences between Zakat provision and final settlement at the end of the year are settled.

j) Transfer of foreign currencies --

The accompanying financial statements are denominated in Saudi Riyals. Appropriate exchange rates have been used to translate transactions or balances denominated in foreign currencies. There were no material exchange gains or losses during the period.

3. ADJUSTMENTS RELATED TO THE PERIOD

The company's management has prepared all the adjustments needed to fairly present The financial position and the results of its operations, however the results of its operations for the period ended March 31, 2010, 2009 do not give an accurate resemblance of the actual results of the whole year's operations.
