AUDITORS' REPORT (LIMITED REVIEW) ON INTERIM FINANCIAL STATEMENTS

To the stockholders
Saudi Kayan Petrochemical Company (Saudi Kayan)
Al-Jubail, Saudi Arabia

Scope of Review

We have reviewed the accompanying interim balance sheet of Saudi Kayan Petrochemical Company (Saudi Kayan) ("Saudi Joint Stock Company"- in development stage) as of March 31, 2008 and the related interim statements of pre-operating activities and cash flows for the period from inception (June 12, 2007) to March 31, 2008, and notes 1 to 6 which form an integral part of these interim financial statements as prepared by the Company and presented to us with all the necessary information and explanations. These interim financial statements are the responsibility of the Company's management.

We conducted our review in accordance with the standard of auditing applicable to interim financial reporting issued by the Saudi Organization for Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Review Results

Based on our limited review, we are not aware of any material modifications that should be made to the accompanying interim financial statements for them to be in conformity with generally accepted accounting principles.

End-of-service indemnities

End-of-service indemnities, required by the Saudi Arabian labor law, are provided in the financial statements based on the employees' length of service.

Employees' home ownership program

The Company has a home ownership program that offers eligible Saudi employees home ownership opportunities.

Unsold housing units constructed for eventual sale to eligible employees are included under buildings and depreciated over 33 years.

When the houses are allocated to the employees, the cost of houses constructed and sold to the employees under the program is transferred from property and equipment to other non-current assets. Down payments and installments of purchase price received from employees are set off against the other non-current assets.

The cost of the houses and the related purchase price is removed from other non-current assets when the title to the houses is transferred to the employees, at which time, no significant gain or loss is expected to result to the Company.

Employees' Savings Plan

The Company maintains an employee saving plan. The contributions from the participants are deposited in a separate bank account and provision is established for the Company's contribution.

Zakat

The Company is subject to zakat in accordance with the Regulations of the Department of Zakat and Income Tax ("DZIT"). Zakat is calculated and accrued for the quarter based on estimation. Zakat is recorded at the period end based on period end figures and any difference between the estimate and the actual is adjusted at that time. Any difference between the estimate and final assessment is recorded when settled.

Leasing

Leases are classified as capital leases whenever the terms of the lease transfer substantially all of the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. Rentals payable under operating leases are charged to income on a straight line basis over the term of the operating lease.
