INDEPENDENT AUDITORS' LIMITED REVIEW REPORT TO THE SHAREHOLDERS OF THE MEDITERRANEAN AND GULF COOPERATIVE INSURANCE AND REINSURANCE COMPANY (A SAUDI JOINT STOCK COMPANY)

#### SCOPE OF REVIEW

We have reviewed the accompanying interim statement of financial position of The Mediterranean and Gulf Cooperative Insurance and Reinsurance Company (A Saudi Joint Stock Company) (the "Company") as at 31 December 2016 and the related interim statement of income - insurance operations and accumulated surplus, interim statement of comprehensive income for insurance operations, interim statements of income and comprehensive income - shareholders' operations for the three-month and twelve-month periods then ended and interim statement of changes in shareholders' equity and interim statements of cash flows for insurance and shareholders' operations for the twelve-month period ended 31 December 2016 and the related notes 1 to 17 which form an integral part of these interim condensed financial statements. These interim condensed financial statements are the responsibility of the Company's management and have been prepared by them in accordance with International Accounting Standard - 34 "Interim Financial Reporting" (IAS 34) and submitted to us together with all the information and explanations which we required.

We conducted our review in accordance with the Standard on Review of Interim Financial Reporting issued by the Saudi Organization for Certified Public Accountants ("SOCPA"). A review consists principally of applying analytical procedures to financial data and information and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in the Kingdom of Saudi Arabia, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

#### **CONCLUSION**

Based on our review, we are not aware of any material modifications that should be made to the accompanying interim condensed financial statements for them to be in conformity with IAS 34.

#### **EMPHASES OF MATTER**

- 1. We draw attention to Note 16 of the accompanying interim condensed financial statements which states that during the nine-month period ended 30 September 2016, the Saudi Arabian Monetary Authority ("SAMA") issued a letter to the Company that highlighted the deteriorating solvency margin of the Company and the rectification measures to be taken by the Company according to Article 68 of the Insurance Implementing Regulations. The Company was not able to meet the solvency margin requirement by 30 September 2016 as instructed by SAMA and had not submitted the final approved plan as required by the aforesaid letter. On 27 December 2016, SAMA issued another letter binding the Company to provide an approved plan to meet the requirement of solvency margin by 18 January 2017 and take necessary measures to ensure fulfilment of the rights of the policy holders. The detailed plan has subsequently been provided to SAMA after approval by the Company's board of directors. The Company continues to take the necessary actions as advised by SAMA, through implementation of corrective action plan as advised by the consultant and approved by the Company's board of directors; which is expected to gradually improve the Company's financial position and increase the solvency margin.
- 2. We also draw attention to Note 2 of the accompanying interim condensed financial statements which states that during the three-month period ended 31 December 2016, SAMA issued a letter to the Company that highlighted certain weaknesses in claims processing including non-compliance with legal limits for settling claims and required the submission of a detailed report regarding the corrective actions taken or to be taken by the management. SAMA has also prohibited the Company from issuing any new motor insurance policies with effect from 29 November 2016. The Company will however be allowed to add vehicles to existing insurance policies and renew insurance policies issued prior to 29 November 2016. The Company continues to take necessary actions, as advised by SAMA, and has already submitted a detailed report as required by SAMA. Management believes that it will be able to resolve the matter in the near future.
- We draw attention to the fact that these interim condensed financial statements are prepared in accordance with IAS 34 and not in accordance with the Standard on Interim Financial Reporting issued by SOCPA.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) 31 December 2016

#### 1. ORGANIZATION AND PRINCIPAL ACTIVITIES

The Mediterranean and Gulf Cooperative Insurance and Reinsurance Company (the "Company") is a Saudi Joint Stock Company registered in the Kingdom of Saudi Arabia under Commercial Registration No. 1010231925 dated 8 Rabi Al-Thani 1428H (corresponding to 26 April 2007). The registered office address of the Company is P.O.Box: 2302, Riyadh 11451, Kingdom of Saudi Arabia. The objectives of the Company are to transact cooperative insurance and reinsurance business and related activities in the Kingdom of Saudi Arabia. Its principal lines of business include all classes of general insurance. The Company was listed on the Saudi Arabian Stock Exchange (Tadawul) on 28 Rabi Al-Awal 1428H (corresponding to 16 April 2007).

#### 2. BASIS OF PREPARATION

#### Basis of measurement

The interim condensed financial statements have been prepared on a historical cost basis except for the measurement at fair value of available for sale investments and investment in an associate which is accounted for under the equity method.

#### Statement of compliance

The accompanying interim condensed financial statements for the twelve month period ended 31 December 2016 are prepared in accordance with IAS 34 – Interim Financial Reporting.

The accompanying interim condensed financial statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the Company's annual financial statements as at and for the year ended 31 December 2015.

As indicated in Note 16 to the accompanying interim condensed financial statements, the Company continues to take the necessary actions as advised by SAMA to comply with the solvency margin. The management of the Company believes that it will be able to comply with the underlying requirements in the near future through implementation of corrective action plan as advised by the consultant and approved by the Company's board of directors. Accordingly, these accompanying interim condensed financial statements are prepared on a going concern basis (Also see Note 16).

During the three-month period ended 31 December 2016, SAMA issued a letter to the Company that highlighted certain weaknesses in claims processing including non-compliance with legal limits for settling claims and required the submission of a detailed report regarding the corrective actions taken or to be taken by the management. SAMA has also prohibited the Company from issuing any new motor insurance policies with effect from 29 November 2016. The Company will however be allowed to add vehicles to existing insurance policies and renew insurance policies issued prior to 29 November 2016. The Company continues to take necessary actions, as advised by SAMA, and has already submitted a detailed report as required by SAMA. Management believes that it will be able to resolve the matter in the near future.

The Company is required to distribute 10% of the net surplus from insurance operations to policyholders and the remaining 90% to be allocated to the shareholders of the Company in accordance with the Insurance Law and Implementation Regulations issued by the Saudi Arabian Monetary Agency ("SAMA").

The insurance operations' surplus of the Company for the twelve month period ended 31 December 2016 amounted to SR 49,747 thousand (31 December 2015: deficit of SR 249,220 thousand). Accordingly, 90% of insurance operation surplus amounting to SR 44,772 thousand was transferred to the shareholders' operations for the period, leaving a surplus payable to policyholders of SR 4,975 thousand (31 December 2015: no transfer from insurance operations to the shareholders' operations).

In management's opinion, the interim condensed financial statements reflect all adjustments (which include normal recurring adjustments) necessary to present fairly the results of operations for the interim periods presented. The interim results may not be indicative of the Company's annual results.

As required by Saudi Arabian Insurance Regulations, the Company maintains separate accounts for insurance and shareholders' operations and presents the financial statements accordingly. Income and expenses clearly attributable to the relevant activity are recorded in the respective books of accounts. The basis of allocation of expenses from joint operations is determined by Management and Board of Directors.

#### 3. FUNCTIONAL AND PRESENTATION CURRENCY

These unaudited interim condensed financial statements have been presented in Saudi Arabian Riyal (SAR), being the functional and presentational currency of the Company. All financial information presented has been rounded off to the nearest SAR thousands.

#### 4. SIGNIFICANT ACCOUNTING POLICIES AND AMENDMENTS TO STANDARDS

The accounting policies used in the preparation of these interim condensed financial statements are consistent with those used in the preparation of the annual financial statements for the year ended December 31, 2015 except for the adoption of the following new standards and other amendments to existing standards mentioned below which have had an no significant financial impact on the interim condensed financial statements of the Company on the current period or prior period and is expected to have no significant effect in future periods:

#### New and amended standards issued and adopted

- IFRS 14 – "Regulatory Deferral Accounts", applicable for the annual periods beginning on or after 1 January 2016, allows an entity, whose activities are subject to rate regulation, to continue applying most of its existing accounting policies for regulatory deferral account balances upon its first time adoption of IFRS. The standard does not apply to existing IFRS preparers. Also, an entity whose current GAAP does not allow the recognition of rate-regulated assets and liabilities, or that has not adopted such policy under its current GAAP, would not be allowed to recognise them on first-time application of IFRS.

#### Amendments to existing standards

-Amendments to IFRS 10 – "Consolidated Financial Statements", IFRS 12 – "Disclosure of Interests in Other Entities" and IAS 28 – "Investments in Associates", applicable for the annual periods beginning on or after 1 January 2016, address three issues that have arisen in applying the investment entities exception under IFRS 10. The amendments to IFRS 10 clarify that the exemption from presenting consolidated financial statements applies to a parent entity that is a subsidiary of an investment entity, when the investment entity measures its subsidiaries at fair value. Furthermore, only a subsidiary of an investment entity that is not an investment entity itself and that provides support services to the investment entity is consolidated. All other subsidiaries of an investment entity are measured at fair value. The amendments to IAS 28 allow the investor, when applying the equity method, to retain the fair value measurement applied by the investment entity associate or joint venture to its interests in subsidiaries.

-Amendments to IFRS 11 – "Joint Arrangements", applicable for the annual periods beginning on or after 1 January 2016, require an entity acquiring an interest in a joint operation, in which the activity of the joint operation constitutes a business, to apply, to the extent of its share, all of the principles in IFRS 3 – "Business Combinations" and other IFRSs that do not conflict with the requirements of IFRS 11 Joint Arrangements. Furthermore, entities are required to disclose the information required by IFRS 3 and other IFRSs for business combinations. The amendments also apply to an entity on the formation of a joint operation if, and only if, an existing business is contributed by one of the parties to the joint operation on its formation. Furthermore, the amendments clarify that, for the acquisition of an additional interest in a joint operation in which the activity of the joint operation constitutes a business, previously held interests in the joint operation must not be remeasured if the joint operator retains joint control.

-Amendments to IAS 1 – "Presentation of Financial Statements", applicable for the annual periods beginning on or after 1 January 2016, clarify, existing IAS 1 requirements in relation to:

- The materiality requirements in IAS 1
- That specific line items in the statement(s) of profit or loss and other comprehensive income ("OCI") and the statement of financial position may be disaggregated
- That entities have flexibility as to the order in which they present the notes to financial statements
- That the share of OCI of associates and joint ventures accounted for using the equity method must be presented in aggregate as a single line item, and classified between those items that will or will not be subsequently reclassified to profit or loss. The amendments further clarify the requirements that apply when additional subtotals are presented in the statement of financial position and the statement(s) of profit or loss and OCI.

## 4. SIGNIFICANT ACCOUNTING POLICIES AND AMENDMENTS TO STANDARDS (Continued)

#### Amendments to existing standards (continued)

- Amendments to IAS 16 "Property, Plant and Equipment" and IAS 38 "Intangible Assets", applicable for the annual periods beginning on or after 1 January 2016, restricts the use of ratio of revenue generated to total revenue expected to be generated to depreciate property, plant and equipment and may only be used in very limited circumstances to amortise intangible assets.
- Amendments to IAS 16 "Property, Plant and Equipment" and IAS 41 "Agriculture", applicable for the annual periods beginning on or after 1 January 2016, change the scope of IAS 16 to include biological assets that meet the definition of bearer plants. Agricultural produce growing on bearer plants will remain within the scope of IAS 41. In addition, government grants relating to bearer plants will be accounted for in accordance with IAS 20 "Accounting for Government Grants and Disclosure of Government Assistance" instead of IAS 41.
- Amendments to IAS 27 "Separate Financial Statements", applicable for the annual periods beginning on or after 1 January 2016, allows an entity to use the equity method as described in IAS 28 to account for its investments in subsidiaries, joint ventures and associates in its separate financial statements.

Annual improvements to IFRS 2012-2014 cycle applicable for annual periods beginning on or after 1 January 2016. A summary of the amendments is as follows:

- -IFRS 5 "Non-current Assets Held for Sale and Discontinued Operations", amended to clarify that changing from one disposal method to the other would not be considered a new plan of disposal, rather it is a continuation of the original plan. There is, therefore, no interruption of the application of the requirements in IFRS 5.
- -IFRS 7 "Financial Instruments: Disclosures" has been amended to clarify that a servicing contract that includes a fee can constitute continuing involvement in a financial asset. The nature of the fee and the arrangement should be assessed in order to consider whether the disclosures are required under IFRS 7 and the assessment must be done retrospectively. IFRS 7 has been further amended to clarify that the offsetting disclosure requirements do not apply to condensed interim financial statements, unless such disclosures provide a significant update to the information reported in the most recent annual report.
- -IAS 19 "Employee Benefits" amendment clarifies that market depth of high quality corporate bonds is assessed based on the currency in which the obligation is denominated, rather than the country where the obligation is located. When there is no deep market for high quality corporate bonds in that currency, government bond rates must be used.
- -IAS 34 "Interim Financial Reporting" amendment clarifies that the required interim disclosures must be either in the interim financial statements or incorporated by cross-referencing to the interim financial report (e.g., in the management commentary or risk report). However, the other information within the interim financial report must be available to users on the same terms as the interim financial statements and at the same time.

#### Standards issued but not yet effective

The following new or amended standards are not expected to have significant impact on the financial statements and the Company has chosen not to early adopt the following standards:

- -IFRS 9 Financial instruments (effective on or after January 1, 2018)
- -IFRS 15 Revenue from contracts with customers (effective on or after January 1, 2018)
- -IFRS 16 Leases (effective on or after January 1, 2019)

#### (c) Fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or the most advantageous) market between market participants at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. The fair values of recognised financial instruments are not significantly different from the carrying values included in the interim condensed financial statements. The estimated fair values of financial instruments are based on quoted market prices, when available. The fair values of these investments are disclosed below.

### Determination of fair value and fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

- Level 1: quoted market price: financial instruments with quoted unadjusted prices for identical instruments in active markets.
- Level 2: quoted prices in active markets for similar assets and liabilities or other valuation techniques for which all significant inputs are based on observable market data.
- Level 3: valuation techniques for which any significant input is not based on observable market data.

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy cumulatively for insurance and shareholders operations:

#### 13. BASIC AND DILUTED EARNINGS / (LOSSES) PER SHARE

Basic and diluted earnings per share for the period was calculated by dividing the net income / (loss) for the period by the weighted average number of shares issued and outstanding during the period amounting to 100 million shares.

#### 14. SHARE CAPITAL

The authorized and paid up share capital of the Company is SR 1,000 million divided into 100 million shares of SR 10 each. The founding shareholders of the Company have subscribed and paid for 75 million shares (SR 750 million) with a nominal value of SR 10 each, which represent 75% of the shares of the Company and the remaining 25 million shares (SR 250 million) with a nominal value of SR 10 each which represent 25% of the shares of the Company, have been subscribed by the general public.

#### 15. STATUTORY RESERVE

In accordance with its By-laws, the Company shall allocate 20% of its net income each year to the statutory reserve until it has built up a reserve equal to the share capital. The reserve is not available for distribution. Since the retained earnings at current year end are negative, there was null transfer to statutory reserve.

#### 16. SOLVENCY MARGIN

During the period, the SAMA issued a letter to the Company under Ref. 371000070025 dated 30 March 2016. The letter highlighted the deteriorating solvency margin of the Company and the rectification measures to be taken by the Company according to Article 68 of the Insurance Implementing Regulations. SAMA in its aforesaid letter instructed the Company to meet the solvency margin requirement by 30 September 2016 and increase its statutory deposit from 10% to 15% of the paid up capital before 21 April 2016. Further, SAMA directed the Company to appoint a consultant to study the reasons for the deterioration of the financial position and formulate a strategy to overcome the deterioration. The letter also indicated that detailed progress report on the consultant's work, on a monthly and quarterly basis, and final report should be submitted to SAMA. During the three-month period ended 30 June 2016, the Company increased the statutory deposit to 15% of the paid up capital, appointed a consultant and started submitting the consultant's monthly and quarterly reports to SAMA as advised. The Company was not able to meet the solvency margin requirement by 30 September 2016 as instructed by SAMA and had not submitted the final approved plan as required by the aforesaid letter. On 27 December 2016, SAMA issued another letter binding the Company to provide an approved plan to meet the requirement of solvency margin by 18 January 2017 and take necessary measures to ensure fulfilment of the rights of the policy holders. The detailed plan has subsequently been provided to SAMA after approval of the Company's board of directors. The Company continues to take the necessary actions as advised by SAMA, through implementation of corrective action plan as advised by the consultant and approved by the Company's board of directors, which is expected to gradually improve the company's financial position and increase the solvency margin.

#### 17. APPROVAL OF THE INTERIM CONDENSED FINANCIAL STATEMENTS

The interim condensed financial statements have been approved by the Board of Directors on Rabih' Al-Tani 17, 1438H (corresponding to January 15, 2017).
