

Report on Review of Interim Condensed Consolidated Financial Statements

To the Shareholders of Arab National Bank
(A Saudi Joint Stock Company)

Introduction

We have reviewed the accompanying interim consolidated statement of financial position of Arab National Bank (the "Bank") and its subsidiaries (collectively referred to as "the Group") as at June 30, 2012, the related interim consolidated statements of income and comprehensive income for the three month and six month periods then ended, the related interim consolidated statements of changes in equity and cash flows for the six month period then ended and the notes from (1) to (12) for the six month period then ended. We have not reviewed note (13), nor the information related to "Basel II Pillar 3 Disclosures" cross referenced therein, which is not required to be within the scope of our review. The Bank's management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with applicable Accounting Standards for Financial Institutions, certain capital adequacy disclosure requirements issued by the Saudi Arabian Monetary Agency ("SAMA") and International Accounting Standard No. 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with generally accepted standards in the Kingdom of Saudi Arabia applicable to review engagements and with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards in the Kingdom of Saudi Arabia and International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with applicable Accounting Standards for Financial Institutions issued by SAMA and with International Accounting Standard No. 34.

Other Regulatory Matters

As required by SAMA, certain capital adequacy information has been disclosed in note (12) of the accompanying interim condensed consolidated financial statements. As part of our review, we compared the information in note (12) to the relevant analysis prepared by the Bank for submission to SAMA and found no material inconsistencies.

The interim condensed consolidated financial statements comprise the financial statements of the Bank and the following subsidiaries:

Arab National Bank Investment Company (ANB Invest)

In accordance with the Saudi Capital Market Authority directives, the Bank has established a wholly owned subsidiary (directly and indirectly) "ANB Invest", a Saudi limited liability company, registered in the Kingdom of Saudi Arabia under commercial registration No. 1010239908 issued on 26 Shawal 1428H (corresponding to November 7, 2007), to takeover and manage the Bank's investment services and asset management activities related to dealing, managing, arranging, advising and custody of securities regulated by the Capital Market Authority. Notes To The Interim Condensed Consolidated Financial Statements (Continued)
For the six months ended June 30, 2012 and 2011

2. Basis of preparation (continued)

Basis of consolidation

The interim condensed consolidated financial statements comprise the interim condensed financial statements of "Arab National Bank" and its subsidiaries, ANB Invest and AHEL (collectively referred to as "the Group"). The financial statements of the subsidiaries are prepared for the same reporting year/period as that of the Bank, using consistent accounting policies. Adjustments, if any have been made to the financial statements of the subsidiaries to align them with the Bank's financial statements.

Subsidiaries are all entities over which the Bank has the power to govern the financial and operating policies, so as to obtain benefits from their activities, generally accompanying an ownership interest of more than one half of the voting rights.

Subsidiaries are consolidated from the date on which control is transferred to the Bank and cease to be consolidated from the date on which the control is transferred from the Bank. The results of subsidiaries acquired or disposed of during the period, if any, are included in the interim consolidated income statement from the effective date of acquisition or up to the effective date of disposal, as appropriate.

Non-controlling interests represent the portion of net income and net assets not owned, directly or indirectly, by the Bank in its subsidiary and are presented separately in the interim consolidated income statement and within equity in the consolidated statement of financial position, separately from parent shareholders' equity.

Balances and any unrealised gains and losses arising from transactions between the Bank and its subsidiaries are eliminated in preparing the interim condensed consolidated financial statements. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

3. Accounting policies

The accounting policies used in the preparation of these interim condensed consolidated financial statements are consistent with those used for the year ended December 31, 2011 except for the adoption of amendments to "IFRS 7 - Financial instruments disclosure: Transfers of financial assets" which had no significant financial impact on the interim condensed financial statements of the Group.

The Bank has chosen not to early adopt the following standards, which are effective for the Banks 2013 financial reporting year.

- | | | |
|-----------------------------------|--------------|---|
| • IAS 1 | Amendments | - Presentation of items of other comprehensive income |
| • IFRS 10 | | - Consolidated financial statements |
| • IFRS 12 | | - Disclosure of interests in other entities |
| • IFRS 13 | | - Fair value measurement |
| • IAS 19 | Revised 2011 | - Employee benefits |
| • IAS 28 | Revised 2011 | - Investments in associates and joint ventures |
| • IAS 27 | | - Separate financial statements |
| • IAS 24 | | - Related party disclosure |
| • Amendments to IAS 32 and IFRS 7 | | - Financial instruments on asset and liability offsetting |

In addition to the above, the Group has currently chosen not to early adopt IFRS 9 (2010) – Financial instruments, which has been published, but will not be effective until January 1, 2015.

The Group is currently assessing the implication of the above standards and amendments on the Group and the timing of adoption.

7. Derivatives

The table below sets out the positive and negative fair values of derivative financial instruments, together with their notional amounts. The notional amounts, which provide an indication of the volumes of the transactions outstanding at the end of the period, do not necessarily reflect the amounts of future cash flows involved. These notional amounts, therefore, are neither indicative of the Bank's exposure to credit risk, which is generally limited to the positive fair value of the derivatives, nor to market risk.
