NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) FOR THE THREE AND NINE MONTH PERIODS ENDED 30 SEPTEMBER 2012

1. ORGANIZATION AND PRINCIPAL ACTIVITIES

Saudi Reinsurance Company (the "Company") is a Saudi Joint Stock Company registered in the Kingdom of Saudi Arabia under commercial registration number 1010250125 dated 12 Jumad Al-Awal 1429H (corresponding to 17 May 2008). The address of the Company's registered office is at P.O. Box 300259, Riyadh 11372, 6th Floor, Bahrain Towers, King Fahd Road, Riyadh, Kingdom of Saudi Arabia.

The objective of the Company is to transact cooperative reinsurance and related activities inside and outside the Kingdom of Saudi Arabia.

2. BASIS OF PREPARATION

The interim condensed financial statements for the three and nine month periods ended 30 September 2012 have been prepared in accordance with International Accounting Standard (IAS 34) – "Interim Financial Reporting".

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Company's annual financial statements as at 31 December 2011.

In management's opinion, the interim condensed financial statements reflect all adjustments (which include normal recurring adjustments) necessary to present fairly the results of operations for the interim periods presented. The Company's interim results may not be indicative of its annual results.

3. NEW STANDARDS, AMENDMENTS TO STANDARDS AND INTERPRETATIONS

The accounting policies used in the preparation of these interim condensed financial statements are consistent with those used in the preparation of the annual financial statements as of and for the year ended December 31, 2011, except for the adoption of amendments and revisions to existing standards as mentioned below which had no significant financial impact on the interim condensed financial statements of the Company:

- a) Amendment to IFRS 7 Financial instruments: Transfers of financial assets:

 This amendment is effective from 1 July 2011 and requires additional disclosures in respect of risk exposures arising from transferred financial assets. The amendment includes a requirement to disclose by class of asset the nature, carrying amount and a description of the risks and rewards of financial assets that have been transferred to another party yet remain on the entity's balance sheet. Disclosures are also required to enable a user to understand the amount of any associated liabilities, and the relationship between the financial assets and associated liabilities.
- b) Amendment to IAS 12, 'Income taxes' on deferred tax (effective 1 January 2012): Currently IAS 12, 'Income taxes', requires an entity to measure the deferred tax relating to an asset depending on whether the entity expects to recover the carrying amount of the asset through use or sale. It can be difficult and subjective to assess whether recovery will be through use or through sale when the asset is measured using the fair value model in IAS 40 Investment Property. Hence this amendment introduces an exception to the existing principle for the measurement of deferred tax assets or liabilities arising on investment property measured at fair value. As a result of the amendments, SIC 21, 'Income taxes- recovery of revalued non-depreciable assets', would no longer apply to investment properties carried at fair value. The amendments also incorporate into IAS 12 the remaining guidance previously contained in SIC 21, which has been withdrawn.

The Company has chosen not to early adopt the following new standards and amendments, which are effective for the Company's financial years starting 2013 and thereafter:

- IAS 1 Amendment Presentation of items of other comprehensive income
- IFRS 10 Consolidated financial statements
- IFRS 11 Joint arrangements
- IFRS 12 Disclosure of interests in other entities
- IFRS 13 Fair value measurement
- IAS 19 (revised 2011) Employee benefits
- IAS 27 (revised 2011) Separate financial statements
- IAS 28 (revised 2011) Investments in associates and joint ventures
- Amendments to IAS 32 and IFRS 7 Financial instruments: Disclosures on offsetting financial assets and liabilities

In addition to the above, the Company has chosen not to early adopt the amendments to the basis for conclusions on IAS 1, 16, 32, and 34 which are effective starting 2013. In addition, the Company has chosen not to early adopt IFRS 9 (2010) – Financial instruments, which has been published, but will not be effective until January 1, 2015.

The management is currently assessing the implication of the above standards and amendments on the Company and the timing of adoption.
