## **INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF MBC GROUP (A LISTED JOINT STOCK COMPANY)**

### **Introduction**

We have reviewed the accompanying interim condensed consolidated statement of financial position of MBC Group ("the Company") and its subsidiaries (collectively referred to as "the Group") as at 30 June 2025, and the related interim condensed consolidated statement of comprehensive income for the three-month and six-month periods ended 30 June 2025, and the related interim condensed consolidated statements of changes in equity and cash flows for the six-month period then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

### **Scope of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

### 1 CORPORATE INFORMATION (continued)

Following is the subsidiary of MBC Studios Projects Saudi Limited:

<i>Name of entity</i>	<i>Principal activities</i>	<i>Legal and beneficial ownership interest</i>	
		<i>2025</i>	<i>2024</i>
ZE Qar Art Productions Limited (KSA)	The principal activity of the Company is motion picture production, including traditional animation, audio visual studio operation, computer graphics and animation production, special effects and film processing development, video distribution to viewers and television networks, and television activities.	<b>100%</b>	100%

The interim condensed consolidated financial statements of the Group were authorised for issue by the Board of Directors of the Company on 11 August 2025 (corresponding to 17 Safar 1447H).

### 2.1 BASIS OF PREPARATION

The interim condensed consolidated financial statements for the three-months and six-months periods ended 30 June 2025 have been prepared in accordance International Accounting Standard (IAS) 34, "Interim Financial Reporting", that is endorsed in the Kingdom of Saudi Arabia ("KSA"), and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

The results for the interim periods are unaudited and include all adjustments necessary for a fair presentation of the results for the periods presented. However, the results of the interim period may not be indicative of the annual results of the Group's operations.

These interim condensed consolidated financial statements do not include all of the information and disclosures required in the annual financial statements and should be read in conjunction with the annual consolidated financial statements and related notes for the year ended 31 December 2024, which have been prepared in accordance with International Financial Reporting Standards ("IFRS") that are endorsed in the Kingdom, and other standards and pronouncements that are endorsed by SOCPA.

Except for the defined employees' benefits liabilities which are recognized at the present value of future liabilities using the projected unit credit method, derivative financial instruments, and investment in financial asset which are recognized at fair value through profit or loss, the interim condensed consolidated financial statements are prepared under the historical cost convention and have been presented in Saudi Riyal (SAR).

### 2.2 BASIS OF CONSOLIDATION

The interim condensed consolidated financial statements incorporate the financial statements of the Company and its subsidiaries as at 30 June 2025. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

- Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights results in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement(s) with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights

## Notes to the Interim Condensed Consolidated Financial Statements

30 June 2025

### 2.2 BASIS OF CONSOLIDATION (CONTINUED)

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the period are included in the interim condensed consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it derecognises the related assets (including goodwill), liabilities, non-controlling interest and other components of equity, while any resultant gain or loss is recognised in profit or loss. Any investment retained is recognised at fair value.

### 2.3 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

The Group has applied the same accounting policies and methods of computation in its interim condensed consolidated financial statements as in its annual consolidated financial statements for the year ended 31 December 2024.

#### New Standards, Amendment to Standards and Interpretations:

##### *- New standards, interpretations and amendments effective for current period*

There are no new standards issued, however, there is an amendment to IAS 21 which are effective from 1 January 2025 and has been explained in the Group's annual consolidated financial statements, but it does not have a material effect on the Group's interim condensed consolidated financial statements.

##### *- New standards, interpretations and amendments not yet effective*

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Group's financial statements are disclosed below. The Group intends to adopt these new and amended standards and interpretations, if applicable, when they become effective.

<u>Standards, interpretations, amendments</u>	<u>Effective date</u>
Classification and Measurement of Financial Instruments - Amendments to IFRS 9 and IFRS 7	1 January 2026
Annual Improvements to IFRS Accounting Standards—Volume 11	1 January 2026
Power Purchase Agreements – Amendments to IFRS 9 and IFRS 7	1 January 2026
IFRS 18 – Presentation and Disclosure in Financial Statements	1 January 2027
IFRS 19 - Subsidiaries without Public Accountability: Disclosures	1 January 2027
Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendments to IFRS 10 and IAS 28	Not yet disclosed

The Group is currently working to identify all impacts the new standards, interpretations, amendments will have on the primary consolidated financial statements and notes to the consolidated financial statements.

### 3 OPERATING SEGMENTS

A segment is a separate and distinct unit of the Group's engagement in business activities that result in recognition of revenues or expenses. Operating segments are disclosed on the basis of internal reports reviewed by the Chief Executive Officer, Chief Financial Officer and other key management personnel, who are the Chief Operating Decision Makers (CODM), and responsible for resource allocation, performance evaluation, and strategic decision making on operational segments. Operating segments with similar economic characteristics, products, services, and similar customer categories are aggregated and recorded where possible as units to be reported.

### 3 OPERATING SEGMENTS (CONTINUED)

#### Segment basis

The Group generates its revenue primarily from: (i) advertising revenue, predominantly from advertisers placing advertisements on its free-to-air TV channels, radio channels, and on the Group's advertising-video-on-demand streaming platform ("AVOD"), (ii) revenue from subscriptions of the Group's Shahid VIP subscription-video-on-demand ("SVOD") service, and (iii) ancillary revenue from its other business operations. The Group also benefits from funding received through its majority shareholder for various projects and initiatives, including for production of its content.

The Group has the following strategic segments which provide different services, have different economic characteristics – such as sales growth trends, rates of returns, capital investment levels – and are managed separately.

Segment	Operations
<b>• Broadcasting and other commercial Activities</b>	<b>TV, radio, and social media and ancillary activities</b>  Broadcasting and other commercial activities segment is the largest of the Group's business segments with revenues earned primarily from advertising on its FTA TV, radio channels and social media, collectively as broadcasting activities. Broadcasting also generates a variety of additional non-advertising revenues, such as from carriage agreements and interactive games for viewers.  The Group is also engaged in varied range of media-related activities such as interactive games, events, music publishing, and talent management. The Group is in the process of further diversifying its revenue base by building up its events management business and developing its own video games. The Group aims to leverage its brand and its long-standing know-how in these additional businesses to expand its activities in these areas.
<b>• Shahid</b>	<b>Video streaming on the Shahid platform</b>  One of the Group's main operating segment is Shahid for which the Group is currently strongly investing in to drive future growth. The Group's Shahid OTT platform is available both as an SVOD service (also called Shahid VIP) as well as a "free" AVOD service and broadcasting services.
<b>• Media &amp; Entertainment Initiatives ("M&amp;E Initiatives")</b>	<b>Media and Entertainment</b>  Given the Group's capabilities and position in the media sector and the successes it has achieved historically, it has been chosen as a strategic partner of the KSA government for the implementation of media and entertainment projects and initiatives that will develop the media ecosystem in the KSA and the region in accordance with Saudi Vision 2030.  The Group receives funding for these projects from the government [represented by its majority shareholder Istedamah Holding Company ("Istedamah"), a KSA government-owned company], in consideration for the Group's commitment to implement such projects in accordance with specified performance indicators and other obligations which it must fulfil. The Group contributes to the development of the local KSA media and entertainment industry by continuously investing in various entertainment and media initiatives in the KSA including high-quality Arabic content production, broadcasting of certain TV channels, gaming, developing talent and events management in the KSA. Furthermore, the Group is, through its move to the KSA, directly creating new employment opportunities for individuals in the entertainment industry in the KSA.

### 5 OTHER OPERATING REVENUES

The Group receives from the Government of the KSA, government funding to implement a number of expansion initiatives which contribute to the overall KSA vision to build up the media sector in the KSA. The funding covers the costs of implementation of these initiatives in various entertainment and media initiatives in the KSA including broadcasting of certain TV channels dedicated to viewers outside of KSA, content production, gaming, developing talent and events management in the KSA, as well as by creating new employment opportunities for individuals in the entertainment industry in the KSA. Receipt by the Group of the relevant amounts is linked to pre-agreed KPIs that must be satisfied, or milestones that must be reached. The Group has in the past been able to achieve such KPIs and requirements. Amounts received towards these initiatives are recognised in the interim condensed consolidated statement of comprehensive income on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the funds are intended to compensate.

During the period, the Group has assessed (in accordance with the accounting judgment for the other operating revenues) the following as government grants and accordingly they have been recognised as other operating revenues related to the following initiatives:

#### 5 OTHER OPERATING REVENUES (continued)

As disclosed above, the Group receives funding, from Government of KSA, subject to satisfactory performance against certain criteria. The funding is based on annual pre-approved expenditure which also sets a maximum entitlement limit. Depending upon the nature of the funding the related costs have been accounted for as follows:

- (a) On TV channels initiatives and MBC Academy initiatives, production related initiatives and relating to other government related projects, the vast majority of the related costs are included within 'Direct costs' (Note 6).
- (b) On gaming initiative, the related costs are adjusted against the 'Share of results in associates and joint venture'.
- (c) On relocation cost, the related costs are included within 'General and administrative expenses'.

To the extent government fundings have been recognized within income, there are no unfulfilled conditions or contingencies attached to the above fundings.

Below is the reconciliation of other operating revenues with the deferred revenues and due from related parties (Note 10):

### 16 EARNINGS PER SHARE

Basic EPS is calculated by dividing the profit for the period attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the period.

Diluted EPS is calculated by dividing the profit attributable to ordinary equity holders of the parent (after adjusting for interest on the convertible preference shares, if any) by the weighted average number of ordinary shares outstanding during the period plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

The following table reflects the income and share data used in the basic and diluted EPS calculations:
