INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

To the Shareholders of Raydan Food Company a Saudi Joint Stock Company Jeddah, Kingdom of Saudi Arabia

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Raydan Food Company (the "Company"), a Saudi Joint Stock Company, and its subsidiary (hereinafter referred to as the "Group") as at 30 June 2021, and the interim condensed consolidated statements of profit or loss and other comprehensive income for the three-month and six-month periods then ended and the related interim condensed consolidated statements of changes in equity and cash flows for the six-month period then ended and other explanatory notes. Management is responsible for the preparation and fair presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standards 34 "Interim Financial Reporting" as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard for Review Engagements (2410) "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of the interim condensed consolidated financial statements consists of making inquiries primarily of the persons responsible for financial and accounting matters and applying analytical and other review procedures. The review is substantially less in scope than an audit conducted in accordance with the International Standards on Auditing (ISAs) as endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all the significant matters that might be identified during the audit. Accordingly, we do not express an audit opinion.

Basis for qualified conclusion

A) The balance of the investment in Al-Jonah Sweets and Outside Catering Limited (the "Associate") in the interim condensed consolidated statement of financial position as at 30 June 2021 and 31 December 2020 amounted to SR 79.2 million and SR 79.3 million, respectively. We were unable to obtain sufficient appropriate audit evidence regarding the balance of the Group's investment in the Associate as at 31 December 2020 and the Group's share of the Associate's net profit for the year ended 31 December 2020, because we were unable to review the working papers of the Associate's auditor. Also, we were unable to perform appropriate review procedures regarding the balance of the Group's investment in the Associate as at 30 June 2021 and the Group's share of the Associate's net profit for the six-month period ended 30 June 2021, because we were unable to access the relevant financial information. Accordingly, we were unable to determine whether any adjustments to these amounts were necessary.

B) The International Accounting Standard 36 "Impairment of Assets" requires management to assess, at the end of each financial reporting period, whether there is any indication of impairment of assets. In the event of any such indication, the Group must estimate the recoverable amount of the asset and record an impairment loss, if any. Management did not perform an assessment for the impairment of property, plant and equipment as at 30 June 2021 and 31 December 2020, amounting to SR 161.6 million and SR 167 million, respectively. Also, management did not perform an assessment for the impairment of investment in an associate as at 30 June 2021 and 31 December 2020 amounting to SR 79.2 million and SR 79.3 million, respectively. Accordingly, we were unable to determine whether any adjustments to the book value of property, plant and equipment and investment in an associate were necessary.

Based on our review, and except for the potential effects of the matters described in the "basis for qualified conclusion" paragraph, nothing came to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respect, in accordance with International Accounting Standards 34 "Interim Financial Reporting" as endorsed in the Kingdom of Saudi Arabia.

2 BASIS OF PREPARATION

The interim condensed consolidated financial statements (the "Financial Statements") have been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting" (IAS 34) as endorsed in the Kingdom of Saudi Arabia.

The accounting policies and calculation methods applied in preparing the interim condensed consolidated financial statements for the period ended 30 June 2021 are consistent with those followed in preparing the consolidated financial statements of the Group for the year ended 31 December 2020. The interim condensed consolidated financial statements do not include all the information required in the annual consolidated financial statements. Accordingly, it should be read in conjunction with the annual consolidated financial statements as at 31 December 2020.

The interim condensed consolidated financial statements have been prepared on a historical cost basis. The interim condensed consolidated financial statements are presented in Saudi Riyals which is the functional currency of the Company and all values are rounded to the nearest Saudi Riyal (SR), except when otherwise indicated.

3 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the interim condensed consolidated financial statements requires management to make judgements, estimates and assumptions that affect the applied polices and the reported amounts of revenues, expenses, assets and liabilities. Although these judgments and estimates are based on the best currently available information and data to management, actual results may differ from these estimates. 3 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS (Continued) Going concern basis of accounting

The interim condensed consolidated financial statements have been prepared on the going concern basis, which assumes that the Group will continue its activities for the foreseeable future. As shown in the interim condensed consolidated financial statements, the Group incurred a net loss during the period ended 30 June 2021. Also, the Group's current liabilities exceeded its current assets as at 30 June 2021. The ability of the Group to continue its operations depends on the ability of generating more cash flow from its operation and the success to increase its capital through preemptive share.

The Company has successfully issued the preemptive rights on 9 August 2021. Through this issuance, the Group will receive approximately SR 107.6 million after deducting the costs of the issuance. This will resolve the deficit in working capital as at 30 June 2021 and will enable the Group to continue its business for the foreseeable future. Therefore, the interim condensed consolidated financial statements for the period ended on 30 June 2021 have been prepared on the going concern basis.
