INTRODUCTION

We have reviewed the accompanying interim statement of financial position of Metlife, American International Group and Arab National Bank Cooperative Insurance Company (A Saudi Joint Stock Company) (the "Company") as at 30 September 2017 and the related interim statements of insurance operations and shareholders' comprehensive operations for the three and nine month periods then ended and the related interim statements of changes in shareholders' equity and insurance operations' and shareholders' cash flows for the nine month period then ended and the related notes which form an integral part of these interim condensed financial statements. Management is responsible for the preparation and presentation of these interim condensed financial information in accordance with International Accounting Standard 34, "Interim Financial Reporting" and Saudi Arabian Monetary Authority ("SAMA") guidance on accounting for Zakat and Income Tax. Our responsibility is to express a conclusion on these interim condensed financial information based on our review.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagement 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of the interim condensed financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing as endorsed in the Kingdom of Saudi Arabia and consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information are not prepared, in all material respects, in accordance with International Accounting Standard 34, "Interim Financial Reporting" and Saudi Arabian Monetary Authority ("SAMA") guidance on accounting for Zakat and Income Tax.

Statement of compliance

The interim condensed financial statements of the Company have been prepared in accordance with International Accounting Standard 34, "Interim Financial Reporting" and Saudi Arabian Monetary Authority ("SAMA") guidance on accounting for Zakat and Income Tax.

During 2017, SAMA issued a circular number 381000074519 dated 14 Rajab 1438H (April 11, 2017) ("Circular") and subsequent amendments through certain clarifications relating to accounting of Zakat and tax. The impact of these amendments is that Zakat and tax will be recognized in the interim condensed statement of shareholders' equity with the corresponding liability in the interim condensed statement of financial position.

Applying the above framework, the interim condensed financial statements of the Company as at and for the three and nine month periods ended 30 September 2017 have been prepared using International Accounting Standard 34 – Interim Financial Reporting ("IAS 34") and SAMA guidance for accounting of Zakat and Tax.

Until 2016, the interim condensed financial statements of the Company were prepared in accordance with IAS 34. This change in framework resulted in a change in presentation of zakat and income tax. However, this did not affect interim condensed financial statements of the Company for any of the year / period presented as the Company was already following the same presentation.

The interim condensed financial statements do not include all of the information required for full annual financial statements, and should be read in conjunction with the financial statements of the Company for the year ended 31 December 2016.

In management's opinion, the interim condensed financial statements reflect all adjustments (which include normal recurring adjustments) necessary to present fairly the results of operations for the interim periods presented. The Company's interim results may not be indicative of its annual results.

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS ADOPTED BY THE COMPANY

The accounting policies used in the preparation of these interim condensed financial statements are consistent with those used in the preparation of the Company's annual financial statements for the year ended 31 December 2016, except for the adoption of new standards and amendments to existing standards effective for the annual period beginning 1 January 2017.

The nature and the impact of each new standard / amendment are summarized as follows:

Amendments to IAS 7, 'Statement of Cash flows' disclosure initiative

Amendments to IAS 7, 'Statement of Cash flows' on disclosure initiative, effective January 1, 2017. These amendments introduced an additional disclosure that will enable users of financial statements to evaluate changes in liabilities arising from the financing activities.

Annual improvements 2014 – 2016

Amendments to IFRS 12 on disclosure of interest in other entities, effective January 1, 2017. This amendment clarifies the scope of IFRS 12 by specifying that its disclosure requirements apply to an entity's interests irrespective of whether they are classified as held for sale or as discontinued operations in accordance with IFRS 5.

Standards issued but not yet effective

In addition to the above mentioned standards, the following standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective. Further, the Company has chosen not to early adopt the amendments and revisions to the International Financial Reporting Standards which have been published and are mandatory for compliance for the Company with effect from future dates.

IFRS 9 Financial Instruments

IFRS 9, as issued, reflects the first phase of the IASB's work though the adoption date is subject to the recently issued Exposure Draft on the replacement of IAS 39 and applies to classification and measurement of financial assets and liabilities as defined in IAS 39. The standard was initially effective for annual periods beginning on or after 1 January 2013, but Amendments to IFRS 9 Mandatory Effective Date of IFRS 9 and Transition Disclosures, issued in December 2011, moved the mandatory effective date to 1 January 2015.

However, on 19 November 2013, the IASB issued IFRS 9 Financial Instruments (Hedge Accounting and amendments to IFRS 9) amending IFRS 9 to include the new general hedge accounting model. In its February 2014 meeting, the IASB decided that IFRS 9 would be mandatorily effective for years ending on or after 31 December 2018.

Amendments to IFRS 4, 'Insurance contracts' regarding the implementation on IFRS 9 'Financial instruments', effective January 1, 2018. This amendment introduces two approaches: an overlay approach and a deferral approach. The amended standard will give all companies that issue insurance contracts the option to recognise in other comprehensive income, rather than profit or loss, the volatility that could arise when IFRS 9 is applied before the new insurance contracts standard is issued; and give companies whose activities are predominantly connected with insurance an optional temporary exemption from applying IFRS 9 until 2021. The entities that defer the application of IFRS 9 will continue to apply the existing financial instrument standard - IAS 39 " Financial instruments.

IFRS 16 Leases

The amended IFRS 16 (Leases) released on January 13, 2016 which changes the set of requirements for the accounting treatment for asset, liability and other complexities such as non-lease element, variable lease period and option periods. The standard is effective from January 01, 2019 with early adoption permitted in certain circumstances.

IFRS 17 Insurance Contracts

IFRS 17 was issued in May 2017 and applies to annual reporting periods beginning on or after 1 January 2021.
