Executives:

Mohammed Ali M Al-Ansari – Board Member & Managing Director

Abdullah Dhamesh – Investor Relations Officer

Operator: Hello everyone and welcome to Qatari German Medical Devices Company Conference Call. Please note that this conference is being recorded.

I'd now like to hand you over to Roy Thomas. Roy, you may now start the conference call.

Roy Thomas: Thanks, Ellie. Hello, everyone. This is Roy Thomas from QNB Financial Services. I want to welcome everyone to Qatar's German Medical Devices Company's Second Quarter and First Half 2023 Financial Results Conference Call.

On this call from Qatar German Medical Devices Company, we have Mohammed Ali M Al-Ansari, board member & managing director, and Abdullah Dhamesh, the Investor Relations officer. We will conduct this conference call with management first during the company's results followed by a Q&A.

I will turn the call now over to Abdullah Dhamesh. Go ahead, Abdullah.

Abdullah Dhamesh: Thank you, Mr. Roy, and welcome to all the people and visitors to our conference call for Q2 2023 financial result conference call. With a growth of 7% during the first half of 2023, QR 24.9 million revenues of Qatar German for medical devices, our financial result indicates the success of the company's strategic vision. We seek to continue achieving strong results that consider Qatar German position as a leading company. Qatari German company for medical devices announced its financial results during the first half of 2023, with the total revenue amounting to QR 24.9 million a growth rate of 7.54% compared to the same period last year. The company indicated in the press release that the total profit during the first half of this year amounted to QR 7.9 million as a gross profit, an increase of 3% over the previous year. While the net profit amounted to QR 1,562,282, an increase of 4% compared to the same period last year. These positive results were reflected in earnings per share, which amounted to QR 0.014 with a growth of 7.7%.

Allow me to quote here from the statement from our management, that the advanced result achieved by the company indicates the success of the strategic vision of the company, stressing

the commitment of the Qatari German Medical Devices Company to provide value that takes into account all the needs of patients and medical staff in the region and in the world. Thank you and welcoming for any questions.
