**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
TO THE SHAREHOLDERS OF BANAN REAL ESTATE COMPANY  
(A SAUDI JOINT STOCK COMPANY)**

**Introduction**

We have reviewed the accompanying interim condensed consolidated statement of financial position of Banan Real Estate Company (the "Company") and its subsidiaries, collectively referred to as the ("Group") as at 30 June 2026, and the related interim condensed consolidated statements of profit or loss and other comprehensive income for the three-month and six-month periods then ended, and changes in equity and cash flows for the six-month period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34 – "Interim Financial Reporting" ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

**Scope of Review**

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of the interim consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing ("IASs") that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34, that is endorsed in the Kingdom of Saudi Arabia.

- (b) Qimam Noshaz Real Estate Development Company is a simplified joint stock company (Closed) operating under commercial registration number 1009125176 dated 26 Rabi’ Al-Thani 1446H (corresponding to 29 October 2024). It is engaged in general construction of residential and non-residential buildings such as schools, hospitals and hotels, as well as, construction of prefabricated buildings on sites, building finishing, purchase and sale of land and real estate, off-plan sales activities, management and leasing of owned or leased properties.

During the year 2025, the Group acquired Qimam Noshaz Real Estate Development Company with the total consideration amounting to SR 31,950,000 for a controlling share, with net assets acquired recognized at carrying value amounting to SR 31,795,283. As the transaction represents a business combination under common control, no goodwill was recognized, and the difference was recorded in the retained earnings, including the Group’s share of losses amounting to SR 113,903 and non-controlling interests in Al-Aziza Real Estate Development and Investment Company amounting to SR 40,814.

During July 2025, a capital increase in Qimam, together with an additional investment by the Group, increased the Group’s shareholding to 52.11%.

**2- BASIS OF PREPARATION**

These interim condensed consolidated financial statements have been prepared in accordance with International Accounting Standard -34, Interim Financial Reporting Standard (“IAS 34”), as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by Saudi Organization for Chartered and Professional Accountants (“SOCPA”).

These interim condensed consolidated financial statements do not include all the information and disclosures required in the consolidated financial statements and should be read in conjunction with the Group’s audited consolidated financial statements for the year ended 31 December 2025, which have been prepared in accordance with International Financial Reporting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the SOCPA. In addition, results for the period ended 30 June 2026 are not necessarily indicative of the results that may be expected for the financial year ended 31 December 2026.

These interim condensed consolidated financial statements are presented in Saudi Riyals (“SR”), which is the functional currency of the Group.

The Group’s management has prepared these interim condensed consolidated financial statements on the basis that the Group will continue to operate as a going concern. The Group’s management considers that there are no material uncertainties that may cast doubt significant doubt over this assumption. They have formed a judgement that there is a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future, and not less than 12 months from the end of the reporting period.

(A SAUDI JOINT STOCK COMPANY)**

**NOTES TO INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED  
FOR THE THREE-MONTH AND SIX-MONTH PERIODS ENDED 30 JUNE 2026**

---

**3- BASIS OF CONSOLIDATION**

The interim condensed consolidated financial statements comprise the financial statements of the Company and its Subsidiaries as at 30 June 2026. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investees and has the ability to affect those returns through its power over the investees. Specifically, the Group controls investees if, and only if, the Group has:

- Power over the investee company (that is, the existence of existing rights to give the company the current ability to direct the activities related to the investee company).
- Exposure, or rights, to variable returns from its involvement with the investee.
- The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement(s) with the other vote holders of the investee.
- Rights arising from other contractual arrangements.
- The Group's voting rights and potential voting rights.

The Group re-assesses whether or not it controls investees, if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies. All intra-Group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it derecognises the related assets (including goodwill), liabilities, non-controlling interest and other components of equity, while any resultant gain or loss is recognised in profit or loss. Any investment retained is recognised at fair value.

**4- MATERIAL ACCOUNTING POLICIES, JUDGMENTS, ESTIMATED AND ASSUMPTIONS**

The material accounting policies, judgments, estimates and assumptions adopted by management in the preparation of the interim condensed consolidated financial statements as at 30 June 2026 were the same as those described in the Group's annual consolidated financial statements as at 31 December 2025.

**5- ADOPTION OF NEW AND AMENDED STANDARDS AND INTERPRETATIONS**

**5.1 Standards, Amendments and Interpretations effective in the current period**

In the current period, the Group has adopted all amendments to standards issued by the International Accounting Standards Board (“IASB”) and adopted by SOCPA that are mandatory for adoption in the annual periods beginning on or after 1 January 2026 and are applicable to the Group. The management has assessed that the amendments have no significant impact on the Group’s interim condensed consolidated financial statements.

| Standard / interpretation                                                                | Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Effective date |
|------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Amendments to IFRS 9 and IFRS 7: Classification and Measurement of Financial Instruments | The amendments clarify the requirements for the classification and measurement of financial assets and financial liabilities under IFRS 9. They provide guidance on the derecognition of financial liabilities settled through electronic payment systems, clarify the assessment of contractual cash flow characteristics for financial assets (including those with environmental, social and governance (ESG)-linked features and non-recourse arrangements), and introduce additional disclosure requirements in IFRS 7 to enhance transparency regarding investments in equity instruments designated at fair value through other comprehensive income and financial instruments with contingent features. | 1 January 2026 |
| Annual improvements to the IFRS Accounting Standards                                     | The Annual Improvements introduce minor amendments to various IFRS Accounting Standards to clarify wording, resolve inconsistencies, and improve the consistency of requirements without significantly changing existing accounting principles. These amendments are intended to enhance the clarity and application of the standards in practice.                                                                                                                                                                                                                                                                                                                                                              | 1 January 2026 |

**5.2 New Standards, Amendments to Standards and Interpretations**

The following standards were in issue at the date of authorization of these interim condensed consolidated financial statements but are not yet effective. The Group intends to adopt these standards, if applicable, when they become effective.

| <u>Standards / amendments to standards / interpretations</u>      | <u>Effective date</u> |
|-------------------------------------------------------------------|-----------------------|
| IFRS 18 – Presentation and Disclosure in Financial Statements     | 1 January 2027        |
| IFRS 19 - Subsidiaries without Public Accountability: Disclosures | 1 January 2027        |

The management does not expect that the adoption of the above-mentioned standards will have a material impact on the Group’s consolidated financial statements in future periods, except for the IFRS 18 which is detailed below:

IFRS 18 Presentation and Disclosure in Financial Statements will replace IAS 1 Presentation of Financial Statements and applies for annual reporting periods beginning on or after 1 January 2027. The Group has not early adopted the new accounting standard in preparing these interim condensed consolidated financial statements, however, earlier application is permitted. The Group’s management is in the process of assessing the estimated impact that the initial application of IFRS 18 will have on its consolidated financial statements.

**a) Structure of the Statement of Profit or Loss**

IFRS 18 requires entities to classify all income and expenses into categories in the statement of profit or loss – namely operating, investing, financing, zakat income tax and discontinued operations. Classification of income and expenses depends on the main business activities of an entity. The Group has determined that leasing of owned properties, development and sale constitute main business activity for the Group.

Based on the information currently available, the Group expects changes to the current structure of the statement of profit or loss resulting from the following:

- Given that the Group’s primary activities are development, sale and leasing of real estate properties, the Group’s management expects that the development and sale of real estate properties (including related construction, marketing, and ancillary services) will constitute the Group’s primary operating activity and expected to be classified within the operating category. Moreover, leasing of real estate properties (primarily investment properties accounted for under IAS 40 Investment Property) is also expected to be considered part of the Group’s main business activities of investing in assets. Accordingly, income and expenses arising from these investment properties (e.g., rental income, fair value gains/losses, depreciation where applicable, and directly attributable costs) that would otherwise be classified in the investing category are expected to be classified to the operating category.
- Interest income and expenses are generally included in finance income and finance costs under the Group’s current accounting policy and are presented in the ‘net finance costs’ subtotal. IFRS 18 provides specific guidance on the income and expenses classified in the investing and financing categories. Hence, this current presentation and classification are expected to change in line with the relevant guidance in IFRS 18.

Neither net profit nor net assets will change as a result of the Group’s adoption of IFRS 18. The Group will be required to present two newly defined subtotals, which are “operating profit” and “profit or loss before financing and zakat”. The operating profit subtotal might differ from the current operating profit subtotal presented by the Group.

FOR THE THREE-MONTH AND SIX-MONTH PERIODS ENDED 30 JUNE 2026**

**5- ADOPTION OF NEW AND AMENDED STANDARDS AND INTERPRETATIONS - CONTINUED**

**5.2 New Standards, Amendments to Standards and Interpretations - Continued**

**b) Management-defined performance measures**

Management-defined performance measures (MPMs) are subtotals of income and expenses used in public communications outside the financial statements that communicate to users management's view of an aspect of the financial performance of the entity as a whole. The Group will be required to disclose specific information about MPMs in a single note in the financial statements.

The Group is in process to determine which public communications should be considered when identifying MPMs. MPMs relate to the same reporting period as the financial statements. Therefore, MPMs disclosed by the Group following adoption of IFRS 18 will be determined based on public communications issued by the Group relating to the 2027 interim reporting period.

**c) Principles of aggregation and disaggregation**

IFRS 18 provides enhanced principles on how to group information in the financial statements (i.e. the primary financial statements and the notes). It also introduces guidance on labelling and describing items presented in the primary financial statements or disclosed in the notes.

The Group is assessing the grouping of items on the basis of similar and dissimilar characteristics. Based on this assessment, it will present line items in the primary financial statements that provide useful structured summaries and disclose additional material information in the notes. The Group is also assessing line items currently labelled as 'other' and will use more informative labels.

**d) Consequential amendments**

IFRS 18 introduces consequential amendments to IAS 7, which require entities to use the newly defined operating profit subtotal as the starting point for the statement of cash flows when presenting operating cash flows under the indirect method. The Group currently uses profit for the year/period before zakat as the starting point of the reconciliation to cash flows from operating activities. Certain adjusting items included in the reconciliation will change as a result of the new starting point.

The consequential amendments also provide specific guidance on the classification of interest and dividend cash flows. The Group will classify cash flows from interest paid as financing activities rather than operating activities under this guidance. Cash flows from interest and dividends received and from dividends paid will continue to be classified as investing activities and financing activities, respectively.

**6- EARNING PER SHARE (EPS)**

Basic and diluted earnings per share are calculated by dividing the net income attributed to the shareholders of the Group for the three-month and six-month periods ended 30 June 2026 and 30 June 2025 by 200 million ordinary shares.

**7- SEGMENTS INFORMATION**

Operating business segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The management considers the Group is organised into one operating segment which represents leasing of investment properties and property sale related activities. Accordingly, the presentation of the different segment information is not applicable. Furthermore, the Group operates its activities within the Kingdom of Saudi Arabia.

(\*) During the period ended 30 June 2026, the Group disposed of the following:

- Qimam Noshaz Real Estate Development Company (a subsidiary) partially disposed of a parcel of land located in Al Rahmaniyah. Of the disposed land, a portion with a carrying amount of SR 29,084,278 was sold to a third party, resulting in a gain of SR 1,244,622. The remaining equal portion of the land was contributed by the subsidiary as an in-kind consideration for investment in a real estate investment fund, based on the Fund's agreed valuation, resulting in a loss of SR 4,766,310. (see Note 11).
- The Company disposed of the "Al Wadi Building," where the carrying amount of the land was SR 2,848,251 and the net carrying amount of the building was SR 3,029,136, for a total consideration of SR 11,000,000. This transaction resulted in a gain on disposal of SR 5,122,613.

Accordingly, a net gain of SR 1,600,925 was recognized in the interim condensed consolidated statement of profit or loss for the period.

The capital work-in-progress includes the expenses incurred on investment properties, which are being renovated by the Group's management and development of Al Rahmaniyyah and Alwadi projects.

Investment properties include properties pledged to certain local banks against the facilities obtained by the Group, with carrying value of SR 310.5 million and fair value of SR 529 million (31 December 2025: SR 370 million and SR 547 million, respectively).

The fair value of the investment properties was determined by Itqan Real Estate Company and its partner (Nasser Khaled Al-Takhim, Abdullah Muhammad Al-Ajmi), accredited valuer by the Saudi Authority for Accredited Valuers ("Taqeem"), holding membership numbers 1210001816, and 1210001245, respectively. Itqan Real Estate Company and its partner are independent valuers, not related to the Group, who hold recognised and relevant professional qualifications and have recent experience in the location and category of the investment properties being valued.

The Group's land and buildings were evaluated to determine their fair value as of 30 June 2026. The fair value based on the valuation of both the Group's land and buildings amounted to SR 1,101 million as of that date (31 December 2025: SR 1,078 million). The valuation techniques used to determine the fair value of investment properties represent the income approach (income capitalization) and the market approach (comparable method). Accordingly, impairment of SR 451,774 was reversed during the period (period ended 30 June 2025: reversal of SR 2,444,018).

During the six-month period ended 30 June 2026, the Group subscribed to Artal Real Estate Fund IV, a real estate fund managed by Artal Capital Company, through a combination of in-kind and cash contribution.

As part of the subscription, the Group contributed a portion of a land parcel owned by its subsidiary, Qimam Noshaz Real Estate Company ("Qimam"), with a carrying amount of SR 29,084,278 as an in-kind contribution to the Fund. The in-kind contribution was valued at SR 24,317,973, representing the agreed transaction value between the Fund and Qimam in exchange for 2,431,797 units in the Fund. In addition, during the three-month period ended 30 June 2026, the Company made a direct cash contribution of SR 6,500,000 in exchange for 650,000 units, resulting in a total investment of SR 30,817,973 against 3,081,797 units in total.

The Fund commenced its operations on 6 April 2026. Following the commencement of the Fund's activities, the Group reassessed the accounting treatment of its investment and concluded that it has significant influence over the Fund in accordance with IAS 28 Investments in Associates and Joint Ventures. This assessment was based on the Group's combined ownership interest of approximately 48.42%, comprising a direct ownership interest of 10.21% held by the Company and an additional ownership interest of 38.21% held by Qimam. In addition, the Group is entitled to appoint two out of the six members of the Fund's Board of Directors, providing further evidence of the Group's significant influence over the Fund's financial and operating policy decisions.

Accordingly, the investment has been accounted for as an investment in an associate from the date the Fund commenced its operations, in accordance with IAS 28.
