Independent Auditor's Review Report on the Interim Condensed Financial Statements

To the Shareholders of
United Wire Factories Company
Saudi Joint Stock Company
Riyadh - Kingdom of Saudi Arabia

INTRODUCTION

We have reviewed the accompanying interim condensed statement of financial position of United Wire Factories Company (the "Company") as of 30 June 2025 and the interim condensed statement of profit or loss and other comprehensive income for the three and six-month periods then ended, and the interim condensed statements of changes in equity and cash flows for the six-month period then ended, and other explanatory notes (the "interim condensed financial statements"). Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim-condensed financial statements based on our review.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

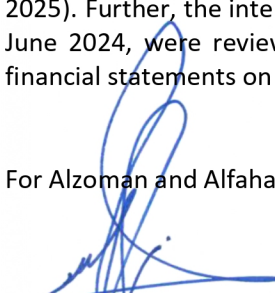

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia.

OTHER MATTER

The financial statements of the company for the year ended 31 December 2024, were audited by another auditor who expressed an unmodified audit opinion on those financial statements on 13 Ramadan 1446H (corresponding to 13 March 2025). Further, the interim condensed financial statements of the Company for the three and six-month periods ended 30 June 2024, were reviewed by another auditor who expressed an unmodified conclusion on those interim condensed financial statements on 3 Safar 1446H (corresponding to 7 August 2024).

2. BASIS OF PREPARATION OF THE INTERIM CONDENSED FINANCIAL STATEMENTS

Applicable accounting standards

These interim condensed financial statements have been prepared in accordance with the International Accounting Standard 34 - "Initial Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements endorsed by the Saudi Organization for Chartered and Professional Accountants and should be read in conjunction with the last financial statements of the Company for the year ended 31 December 2024, which include all the information required for the entire set of financial statements prepared in accordance with the International Financial Reporting Standards, but changes in accounting policies "if any" and selected explanatory notes are included to explain important events and transactions to understand the changes in the financial position and financial performance of the Company since the last annual financial statements.

Basis of measurement

The interim condensed financial statements have been prepared in accordance with the historical cost principle, going concern assumption, and the accrual basis of accounting. Another basis is used if the International Financial Reporting Standards endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements endorsed by the Saudi Organization for Chartered and Professional Accountants require it, as indicated in the applied accounting policies (Note 3).

Presentation and functional currency

The interim condensed financial statements are presented in Saudi Riyal ("SR"), which represents Company's functional currency, and are rounded to the nearest Saudi Riyal.

Use of assumptions and estimates

The preparation of the interim condensed financial statements in accordance with the International Financial Reporting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements as endorsed by the Saudi Organization for Chartered and Professional Accountants requires management to use estimates and assumptions that affect the recorded amounts of revenue, costs, assets, liabilities and disclosures of contingent liabilities at the date of the financial period. However, uncertainty about these provisions, assumptions and estimates may lead to results that may require material adjustments to the carrying value of assets and liabilities that are affected in the future.

The estimates and assumptions related to them are continuously reviewed, and adjustments to the estimates are recognized with future effect.

The significant assumptions and estimates set by management in applying the Company's accounting policies and significant sources of uncertainty in assumptions and estimates were similar to those set out in the company's last annual financial statements.

3. ACCOUNTING POLICIES

The accounting policies applicable to these interim condensed financial statements are the same as those applicable to the financial statements for the year ended 31 December 2024. As no new standards have been issued, a number of amendments to the standards effective as of 1 January 2025 - as explained in the Company's annual financial statements - have no material impact on the Company's condensed interim financial statements.

4. New Standards, Amendments to Standards, Interpretations, and Issued Standards

New standards have been issued, a number of amendments to the standards effective from 1 January 2025 have been explained in the Company's annual financial statements but do not have a material impact on the Company's condensed interim financial statements.

5. INTERIM FINANCIAL RESULTS FOR THE PERIOD

The Company's management has prepared all the adjustments that are material in order to present the interim condensed financial statements fairly as at 30 June 2025 and the results of its interim operations for the period then ended. The interim financial results for that period may not represent an accurate indication of the financial results for the year ended 31 December 2025.

21. FINANCIAL INSTRUMENTS, RISK MANAGEMENT, AND FAIR VALUE

The Company's financial risk management objectives and policies are consistent with those disclosed in the annual financial statements for the year ending 31 December 2024. No material changes have occurred.

on the classification, measurement, or fair value of financial instruments during the financial period ending 30 June 2025. There were no significant changes in the company's exposure to credit, liquidity, or market risks, or in the methods used to manage those risks, compared to what was disclosed in the last annual financial statements.

Fair value

Represents the amount for which an asset could be exchanged or a liability settled between knowledgeable, willing parties in an arm's length transaction. Financial instruments consist of financial assets and financial liabilities. The company's management believes that the fair values of financial assets and financial liabilities are not materially different from their carrying values.

22. COMPARATIVE FIGURES

During the period ending 30 June 2025, the company reassessed the accounting treatment for an interest-free loan previously granted to an associate. In accordance with the requirements of International Financial Reporting Standard 9 - Financial Instruments and International Accounting Standard 28 - Investments in Associates and Joint Ventures, Management has determined that the difference between the nominal value of the loan and the fair value at initial recognition is considered a contribution to the equity of the associate.

Accordingly, an amount of SAR 1,968,888 was reclassified from "due from related parties" to "investment in an associate" to reflect the accounting treatment under the effective interest rate and fair value method. This treatment did not affect the total assets or total equity, but only the presentation of items within the non-current assets category.

The following is the effect of the reclassification:

	Balance as of 31 December 2024 (as issued)	reclassification	Balance as of 31 December 2024 (after reclassification)
Interim condensed statement of financial position			
Investment in an associate	4,962,593	1,968,888	6,931,481
Due From Related Party	11,250,000	(1,968,888)	9,281,112

Accordingly, comparative figures have been reclassified to conform to the current period presentation.

23. SUBSEQUENT EVENTS

Management believes that no significant subsequent events after the date of the interim condensed financial statements and prior to the issuance of these interim condensed financial statements require amendment or disclosure.

24. APPROVAL OF INTERIM CONDENSED FINANCIAL STATEMENTS

The interim condensed financial statements were approved by the Board of Directors on 16 Safar 1447H (corresponding to 10 August 2025).
