## Investment Objective and Policies

Jadwa GCC Equity Fund, an open-ended equity fund, aims to provide long-term capital growth for unitholders by investing in the GCC equity markets and in shares of GCC companies or any of their subsidiaries listed on any other stock market in accordance with Shariah investment guidelines.

The below summarizes the investment policy.

The Fund aims to invest its assets in any of the following:

- A) Shares of GCC Stock Market-listed companies or of any of their subsidiaries listed on any other stock market;
- B) IPOs, secondary issuances, and rights issues to increase the capital of GCC Companies that are listed or to be listed on the GCC Stock Market, or that are listed or to be listed on any other global market, and any other related financial instruments;
- C) Other similar GCC funds;
- D) Fund Manager may invest all assets in short-term Murabaha agreements in the following cases for example but not limited to:
  - a. Lower performance by GCC Stock Market; and
  - b. Diversification of the Fund's investments to make use of money market returns;
- E) The Fund Manager may reduce the minimum investment in shares of GCC -listed Companies, IPOs, secondary offerings and Rights issues from 30% to 0% in the following cases:
  - a. The financial markets are likely to plunge due to the economic conditions globally or regionally;
  - b. The financial markets likely to plunge due to the poor political conditions globally or regionally;
  - c. Lack of attractive investment opportunities;
  - d. Any reason deemed by the Fund Manager to protect the interest of Investors, which may include the bankruptcy declaration by any leading local company, or a large bank, or in the case of sharp deterioration in any of the regional economies which would directly or indirectly impact Fund investments.
