Al Salam Bank Signs USD 50 Million Line of Finance Facility with ICD to Support Private Sector Growth in Bahrain

Bahrain, 20 August 2026: Al Salam Bank, Bahrain's leading bank and one of the fastest growing banks in the region, is pleased to announce the signing and deployment of a USD 50 million Line of Finance facility with the Islamic Corporation for the Development of the Private Sector (ICD). The facility is designed to expand access to Shari'a-compliant financing for private sector enterprises across key sectors of the Bahraini economy.

Marking ICD's second Line of Finance facility in Bahrain, the transaction reinforces its commitment to deepening engagement in the Kingdom through strategic partnerships with leading financial institutions. Through this collaboration, Al Salam Bank and ICD aim to support private sector growth, job creation, economic diversification, and Bahrain's long-term development priorities.

Al Salam Bank extends its sincere appreciation to ICD for its collaboration and support in bringing this transaction to completion. The Bank looks forward to building on this partnership and further advancing private sector development in Bahrain.
