Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor" endorsed in the Kingdom of Saudi Arabia. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

On 28 April 2019, the Company received a letter from the seller stating that the title deed of the purchased land in 2009 amounting to SR 219,739,441 was revoked by an order issued from the Public Court in Riyadh for a reason outside the control of the seller and Company's will. The Company paid SR 207,239,441 and the remaining amount of SR 12,500,000 was unpaid. The decision has become final and must be adhered to and implemented. The seller presented some solutions and suggestions to the Company in a way that preserves all its rights. After receiving the above-mentioned letter, the Company confirmed its validity through the concerned parties and is assured that the revocation is correct for reasons pertaining the seller as the revocation is attributive to the main title deed of the land and its scope. The Company has no relation or involvement in this matter and was not informed or involved in this matter, court hearings, sessions, discussions, or investigations. The Company inquired before purchasing the land, confirmed the validity of the title deed through a committee of attorney public composed of three members as per statement of permission issued on 28 Rajab 1430H.

On 18 Rabi II 1441H (corresponding to: 15 December 2019), the Company filed two lawsuits at the Public Court in Riyadh against the seller of the land located north of Riyadh, Al Khair District, and against the broker of the purchase deal requesting to compel both the land seller and purchase broker (claimers) to return the amount paid to them amounted to SR 207,239 million of the land value to the Company with retaining its right to claim any compensation for any losses or financial claims that have arisen or that may be caused due to revocation of the said land deed. Based on the opinion of the legal consultant of the Company and inquiries made with him, the documents and papers presented in both lawsuits are strong and explicit and form legal evidence of contractual relationship and prove the right of the Company to collect and recover the purchase amount paid due to revocation of the title deed and its right as well as to collect and recover the brokerage fees paid to the sale broker.

The Company has objected the ruling as it was not valid.

On 24 April 2022, the Court of Appeal issued its ruling confirming the ruling issued by the General Department for large cases. Consequently, the Company applied to the Execution Court to execute the ruling, and the court has started to proceed with the execution by seizing assets owned by the seller.

On 08 March 2023, a preliminary rule was issued in favour of the Group obliging the broker to repay an amount of SR 5,239,441 in favour of the Company, and the period of objection to the issued ruling is 30 days starting from the following date of receiving a copy of the rule based on the legal pleadings system.
