#### INDEPENDENT AUDITORS' REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS

The Shareholders Aljazira Takaful Taawuni Company (A Saudi Joint Stock Company) Kingdom of Saudi Arabia

#### Introduction:

We have reviewed the accompanying interim statement of financial position of Aljazira Takaful Taawuni Company - a Saudi Joint Stock Company - ("the Company") as at 31 March 2018 and the related interim statements of income, comprehensive income, changes in shareholders' equity and cash flows for the threemonth period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" (IAS 34) as modified by Saudi Arabian Monetary Authority ("SAMA") for the accounting of zakat and income tax. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

#### Scope of Review:

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as modified by SAMA for the accounting of zakat and income tax.

#### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS

At 31 March 2018

#### 1. GENERAL

AlJazira Takaful Taawuni Company (the "Company"), is a Saudi Joint Stock Company incorporated in the Kingdom of Saudi Arabia pursuant to the Council of Ministers' resolution No. 137 dated 27 Rabi' Al-Thani 1431H (corresponding to 12 April 2010) and Royal Decree No. M/23 dated 28 Rabi' Al-Thani 1431H corresponding to 13 April 2010. The Company obtained its Commercial Registration 4030251980 on 2 Ramadan 1434H corresponding to 10 July 2013 and Ministry of Commerce and Industry's Resolution dated 24 Sha'baan 1434H corresponding to 3 July 2013. The registered office address of the Company is:

Al Musadia Plaza (3), Al Madinah Road, P.O. Box 6277, Jeddah 21442, Kingdom of Saudi Arabia.

The objectives of the Company are to engage in providing insurance products including protection and saving insurance products and related services in accordance with its By-Laws and applicable regulations in the Kingdom of Saudi Arabia. The Company received licence number TMN/34/201312 dated 15 Safar 1435H (corresponding to 18 December 2013) from the Saudi Arabian Monetary Authority (SAMA) to conduct insurance business. The Company is owned 99.65% by Saudi founding shareholders and general public subject to zakat and 0.35% by non Saudi founding shareholders subject to income tax.

The insurance portfolio and related assets and liabilities will be acquired from a founding shareholder by the Company on completion of valuation and approval by SAMA. Furthermore, in accordance with the Transitional Agreement (the "Agreement") between the Company and Bank Al Jazira ("a founding shareholder"), all the general and administrative costs up to the transfer of the insurance portfolio will be shared by the Company and the founding shareholder in the ratio of 17% and 83%, respectively. Currently, the Company is also using furniture and fixtures of a founding shareholder. Moreover, in accordance with the Agreement, the Company was also receiving a management fee in respect of managing the insurance portfolio of the founding shareholder, at a rate ranging from 10% to 20% of total revenue of the founding shareholder's portfolio ("Portfolio Management fee"). The management fee is not effective for the period subsequent to 1 April 2015 as per the Agreement.

#### 2. BASIS OF PREPARATION

#### a) Basis of presentation

The interim condensed financial information of the Company has been prepared in accordance with 'International Accounting Standard 34 - Interim Financial Reporting ("IAS 34") as modified by SAMA for the accounting of zakat and income tax', which requires, adoption of all IFRSs as issued by the International Accounting Standards Board ("IASB") except for the application of International Accounting Standard (IAS) 12 - "Income Taxes" and IFRIC 21 - "Levies" so far as these relate to zakat and income tax. As per the SAMA Circular no. 381000074519 dated April 11, 2017 and subsequent amendments through certain clarifications relating to the accounting for zakat and income tax ("SAMA Circular"), the zakat and income tax are to be accrued on a quarterly basis through shareholders equity under retained earnings.

The interim condensed financial information is prepared under the going concern basis and the historical cost convention, except for the measurement of investments (excluding held-to-maturity) at their fair value. The Company's interim statement of financial position is presented in order of liquidity. Except for furniture and fixtures, statutory deposit, End-of-service indemnities, outstanding claims, claims incurred but not reported, unit reserve and mathematical reserve, all other assets and liabilities are of short-term nature, unless, stated otherwise.

As required by the Saudi Arabian Insurance Regulations (the Implementation Regulations), the Company maintains separate books of accounts for "Insurance Operations" and "Shareholders' Operations". Accordingly, assets, liabilities, revenues and expenses clearly attributable to either operation, are recorded in the respective accounts. Similarly, in the past, the Company's interim condensed and annual financial statements presented separately the statements of financial position, income, comprehensive income and cash flows for the insurance operations and shareholders operations.

During the current period, SAMA issued an illustrative financial statements for the insurance sector in the Kingdom of Saudi Arabia. Following the illustrative financial statements, this is the first period where the Company issued its interim condensed financial statements after combining shareholders and insurance operations to prepare the Company level interim condensed financial statements. In preparing the Company level financial statements in compliance with IFRS, the balances and transactions of the insurance operations are combined with those of the shareholders' operations. Interoperation balances, transactions and unrealised gains or losses, if any, are eliminated in full. The accounting policies adopted for the insurance operations and shareholders operations are uniform for like transactions and events in similar circumstances.

#### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

At 31 March 2018

#### 2. BASIS OF PREPARATION (continued)

#### a) Basis of presentation (continued)

In preparing these interim condensed financial statements, comparative amounts, which in the most recent annual financial statements were presented separately for shareholders and insurance operations, were also combined together to conform with the current period presentation and SAMA requirements.

However, note 17 to these interim condensed financial statements provide statement of financial position, statements of income, comprehensive income and cash flows of the insurance operations and shareholders operations, separately.

The interim condensed financial information do not include all of the information required for full annual financial information and should be read in conjunction with the annual financial information as of and for the year ended 31 December 2017.

The interim condensed financial statements may not be considered indicative of the expected results for the full year.

These interim condensed financial statements are expressed in Saudi Arabian Riyals (SAR) and are rounded off to the nearest thousands.

#### b) Critical judgments, accounting estimates and assumptions

The preparation of interim condensed financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these interim condensed financial statements, the significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty including the risk management policies were the same as those that applied to the annual financial statements as at and for the year ended 31 December 2017.

#### c) Seasonality of operations

Standard/

There are no seasonal changes that may affect insurance operations of the Company.

#### 3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted by the Company for the preparation of these interim condensed financial statements are in accordance with International Financial Reporting Standards (IFRS) as endorsed in the Kingdom of Saudi Arabia and are consistent with those used for the preparation of the annual financial statements for the year ended 31 December 2017 and new amended IFRS and International Financial Reporting Interpretations Committee Interpretations (IFRIC) as mentioned in note 3(a) which had no impact on the financial position or financial performance of the Company. Certain comparative amounts have been reclassified / regrouped to conform with the current period's presentation. This did not have any impact on interim statement of changes in shareholders' equity for the period.

#### a) New IFRS, IFRIC and amendments thereof, adopted by the Company

The Company has adopted the following new standards, amendments and revisions to existing standards, which were issued by the International Accounting Standards Board (IASB):

<u>Stantaara/</u>	
<u>Amendments</u>	<u>Description</u>
IFRS 2	Amendments to IFRS 2 Classification and Measurement of share-based Payment transactions.
IAS 40	Amendments to IAS 40 Transfers of investment property
IFRIC 22	Foreign Currency Transactions and Advance consideration
IFRS 15	Revenue from Contracts with Customers (refer below)
IFRS 1 and IAS 28	Annual Improvements 2016 to IFRS 2014- 2016 cycle.

#### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

At 31 March 2018

#### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### a) New IFRS, IFRIC and amendments thereof, adopted by the Company (continued)

#### IFRS 15 – Revenue from Contracts with Customers

IFRS 15 outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue guidance, which is found currently across several Standards and Interpretations within IFRSs. However, IFRS 15 does not apply to "revenue from insurance contracts". However, entities will need to apply IFRS 15 to non-insurance contracts (or components of insurance contracts). Therefore, insurance entities will need to carefully evaluate the scope of this standard.

IFRS 15 established a new five-step model that will apply to revenue arising from contracts with customers. Under IFRS 15, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring of goods or services to a customer.

Though there are changes in accounting policy, the management assessed and concluded that there is no material impact on the amounts reported at transition to IFRS 15 on 1 January 2018.

Further, the adoption of the amended standards and interpretations applicable to the Company did not have any significant impact on these interim condensed financial statements.

#### b) Standards issued but not yet effective

Standards issued but not yet effective up to the date of issuance of the Company's interim condensed financial statements are listed below. The listing is of standards and interpretations issued, which the Company reasonably expects to be applicable at a future date. The Company intends to adopt these standards when they are effective.

		<u>Effective from periods</u>
Standard/		beginning on or after the
<b>Interpretation</b>	<u>Description</u>	following date
IFRS 9	Financial Instruments	Refer below
IFRS 16	Leases	1 January 2019
IFRIC 23	Uncertainty over Income Tax Treatments	1 January 2019
IFRS 17	Insurance Contracts (note below)	1 January 2021

#### IFRS 9 and IFRS 17

In July 2014, the IASB published IFRS 9 Financial Instruments which will replace IAS 39 Financial Instruments: Recognition and Measurement. The standard incorporates new classification and measurements requirements for financial assets, the introduction of an expected credit loss (ECL) impairment model which will replace the incurred loss model of IAS 39, and new hedge accounting requirements. Under IFRS 9:

- All financial assets will be measured at either amortised cost or fair value. The basis of classification will depend on the
  business model and the contractual cash flow characteristics of the financial assets. The standard retains most of IAS 39's
  requirements for financial liabilities except for those designated at fair value through profit or loss whereby that part of the
  fair value changes attributable to own credit is to be recognised in other comprehensive income instead of the statement of
  income.
- IFRS 9 requires entities to record an allowance for ECLs for all loans and other debt financial assets not held at fair value through statement of income as well as finance lease receivables, together with loan commitments and financial guarantee contracts. The allowance is based on the ECLs associated with the probability of default in the next twelve months unless there has been a significant increase in credit risk since origination. Under IFRS 9, credit losses are recognised earlier than under IAS 39.
- The hedge accounting requirements are more closely aligned with risk management practices and follow a more principle based approach.

In September 2016, the IASB published amendments to IFRS 4 Insurance Contracts that address the accounting consequences of the application of IFRS 9 to insurers prior to the publication of the forthcoming accounting standard for insurance contracts. The amendments introduce two options for insurers: the deferral approach and the overlay approach. The deferral approach provides an entity, if eligible, with a temporary exemption from applying IFRS 9 until the earlier of the effective date of a new insurance contract standard or 2021. The overlay approach allows an entity to remove from profit or loss the effects of some of the accounting mismatches that may occur before the new insurance contracts standard is applied.

### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

At 31 March 2018

#### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### b) Standards issued but not yet effective (continued)

Under the temporary exemption as introduced by amendments to IFRS 4, the reporting entities whose activities predominantly relate to "insurance" can defer the implementation of IFRS 9. The Company having assessed the implications and has concluded to defer the implementation of IFRS 9 until a later date which will not be later than 1 January 2021.

The impact of the adoption of IFRS 9 on the Company's interim condensed financial statements will, to a large extent, have to take into account the interaction with the forthcoming insurance contracts standard. As such, it is not possible to fully assess the effect of the adoption of IFRS 9.

#### Status of assessments

The Company has submitted its Zakat and income tax returns for the period ended 31 December 2014 and for the years ended 31 December 2015 to 2017 with General Authority of Zakat and Tax ("GAZT") and obtained restricted certificates. GAZT has not yet raised their assessments.

#### 14. EARNINGS PER SHARE

The basic and diluted earnings per share have been calculated by dividing the net income for the period by the weighted average number of ordinary shares issued and outstanding at the period end.

Diluted earnings per share is not applicable to the Company.

#### 15. FAIR VALUES OF FINANCIAL INSTRUMENTS

a) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company's financial assets consist of cash at banks and murabaha deposit, contribution receivables, available-for-sale investments held to cover unit-linked liabilities, FVIS investments, other receivables, due from insurance operations and its financial liabilities consist of other liabilities, reinsurance balances payable and outstanding claims. The fair values of financial instruments are not materially different from their carrying values. As at 31 March 2018, apart from the investments which are carried at fair value (note 6 and 7), there were no other financial instruments held by the Company that were measured at fair value.

### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued) At 31 March 2018

#### 15. FAIR VALUES OF FINANCIAL INSTRUMENTS (continued)

- b) The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:
  - Level 1: quoted prices in active markets for the same instrument (i.e. without modification or repackaging);
  - Level 2: quoted prices in active markets for similar assets and liabilities or other valuation techniques for which all significant inputs are based on observable market data; and
  - Level 3: valuation techniques for which any significant input is not based on observable market data.

As at 31 March 2018 and 31 December 2017, all financial instruments which are fair valued are Level 1 instruments (2017: Level 1). There are no transfers between Level 1, Level 2 and Level 3 during the period.

### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued) At 31 March 2018

#### 18. AMALGAMATION OF SHAREHOLDERS AND INSURANCE OPERATIONS

Certain of the comparative figures have been reclassified and regrouped to conform to the in the current period presentation. These changes as summarised below, were mainly to conform with the SAMA requirements:

- As discussed in note 2 to these interim financial statements, previously interim statement of financial position, interim statement of income and interim statement cash flows were presented separately for insurance operations and shareholders operations which are combined together to present one Company level interim statement of financial position, interim statement of income and interim statement of cash flows.
- The amounts "due to/from" shareholders and insurance operations which previously reported separately in the respective statement of financial position, are now eliminated. (refer note 17 (a)).
- Share of insurance operations surplus split in the ratio of 90/10 between shareholders and insurance operations and presented separately is now presented as an expense in interim statement of income (refer note 17 (b)).

#### 19. APPROVAL OF THE INTERIM CONDENSED FINANCIAL STATEMENTS

These interim condensed financial statements have been approved by the Board of Directors on 10 May 2018, corresponding to 24 Sha'ban 1439 H.
