REPORT ON REVIEW OF
CONDENSED INTERIM FINANCIAL STATEMENTS

TO: THE SHAREHOLDERS OF
ALDREES PETROLEUM AND TRANSPORT SERVICES COMPANY
(A Saudi Joint Stock Company)

Introduction:

We have reviewed the accompanying condensed interim statement of financial position of **ALDREES PETROLEUM AND TRANSPORT SERVICES COMPANY (the "Company")** as at 31 March 2021, and the related condensed interim statements of comprehensive income, changes in shareholders' equity and cash flows for the three months period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with International Accounting Standard (34) "Interim Financial Reporting" endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of Review:

We conducted our review in accordance with International Standard on Review Engagements - 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" endorsed in the Kingdom of Saudi Arabia. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion:

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with International Accounting Standard (34) "Interim Financial Reporting" endorsed in the Kingdom of Saudi Arabia.

1) ORGANISATION AND ACTIVITIES

Aldrees Petroleum and Transport Services Company (the “Company”) is a Saudi Joint Stock Company registered in Riyadh, the Kingdom of Saudi Arabia under commercial registration number 1010002475 issued in Riyadh on 13 Rabi Al-Thani 1382H (corresponding to 12 September 1962),

The Company’s objectives as per its commercial registration, include retail and wholesale trading of fuel, lubricants, catering services and the transportation of goods using highways in the Kingdom of Saudi Arabia in accordance with license number 10111012400, establishment of vehicle workshops and car washes and acquisition of land to construct buildings for sale or lease for the interest of the Company and construction, managing, operating and renting take away centres for hot and cold beverages and food.

2) BASIS OF PREPARATION

(a) Statement of compliance:

These Condensed Interim Financial Statements have been prepared in accordance with IAS 34 Interim Financial Reporting that is endorsed in Kingdom of Saudi Arabia and other standards and pronouncements that are issued by Saudi Organization for Certified Public Accountants (“SOCPA”) and should be read in conjunction with the Company’s last annual Financial Statements as at and for the year ended 31 December 2020. They do not include all of the information required for a complete set of IFRS Financial Statements however, accounting policies and selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Company’s financial position and performance since December 31, 2020.

The Capital Market Authority issued the decision of the Board of Commissioners on (15) Muharram 1438H (16 October 2016) to require listed companies to apply the cost model when measuring the assets of property and equipment, investment properties and intangible assets when adopting the IFRS for a period of 3 years begin from the date of adoption of the International Financial Reporting Standards, On December 31, 2019, it was extended until the financial periods of the year beginning on January 1, 2022, and continue to comply with the requirements for disclosure of IFRS adopted in the Kingdom of Saudi Arabia, which require disclosure of fair value.

The company’s current liabilities are in excess of current assets by SR 574,005,112 However, the management and board of directors assumed that the company have the ability to continue as a going concern. It is their assessment that the company will generate sufficient profits and cash flows to meet ongoing liabilities and scheduled repayments. These condensed interim financial statements have been accordingly prepared on a going concern basis.

(b) Basis of measurement:

The condensed interim financial statements have been prepared on the historical cost basis using the accrual basis of accounting except for the following.

- Investments at fair value through profit and loss measured at fair value.
- Employee benefits obligations that are recognized at the present value of future liabilities using the expected credit unit method.

2) BASIS OF PREPARATION (continued)

(c) Functional and presentation currency:

The condensed interim financial statements are presented in Saudi Riyal, which is the Company's functional currency.

(d) Use of estimates and judgments

The preparation of condensed interim financial statements in conformity with IFRSs requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The significant estimates made by the management when applying the company's accounting policies and the significant sources of uncertainties in the estimates were similar to those shown in the last annual financial statements.

3) SIGNIFICANT ACCOUNTING POLICIES

The accounting policies applied in these condensed interim financial statements are in accordance with the International Financial Reporting Standards approved in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by Saudi Organization for Certified Public Accountants ("SOCPA") and are the same policies applied in the company's annual financial statements for the year ended December 31, 2020.

The main accounting policies applied in preparing these condensed interim financial statements have been applied consistently to all periods presented.

New standards and amendments to standards and interpretations

No new standards have been issued, however, a number of amendments to the standards are in effect as of January 1, 2021, which have been explained in the company's annual financial statements, but have no material impact on the Company's condensed interim financial statements.

15) FINANCIAL RISK MANAGEMENT (continued)

Fair Value

Fair value represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value, of a liability reflects its non-performance risk.

When measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

16) IMPORTANT MATTERS

Impact of Covid-19 on the financial statements for the period ending March 31, 2021

Concerning the current events related to the Coronavirus (Covid-19) and the precautionary measures taken by the official authorities, including a 24-hour curfew, which had some negative impact on the company's business. The company's management, since the beginning of the crisis, is constantly following the developments and taking the necessary measures and procedures to face that crisis and reduce its effects on the company and its work, including the support provided by the state to companies to confront these effects. Whereas, the company is one of the companies exempted from the ban due to the company selling strategic goods and providing logistical services represented in transporting hydrocarbons and dry materials, and accordingly, the company's business continues during the pandemic period, the Company has considered whether any adjustments and changes in judgments, estimates and risk management are required to be considered and reported in the condensed interim consolidated financial statement. Below are the key assumptions about the future and other key sources of estimation that may have a significant risk of causing material adjustments to the condensed interim consolidated financial statements.

- Impairment of non-financial assets

The Company has considered any impairment indicators arising and any significant uncertainties around its property, plant and equipment, and right-of-use assets especially arising from any change in lease terms and concluded there is no material impact due to COVID-19 regard to property and equipment As for the right to use, the Company has elected to apply the practical expedient introduced by the amendments to IFRS 16 to all rent concessions that satisfy the criteria. Substantially all of the rent satisfy the criteria to apply the practical expedient. The application of the practical expedient has resulted in the reduction of total lease liabilities as at 31 December 2020 of SAR 50,6 million. The effect of this reduction has been recorded in the statement of profit or loss for the year ending on December 31, 2020..

- Expected Credit Losses ("ECL") and impairment of financial assets

The Company has applied management overlays on the existing ECL models by applying probability weightage scenarios on the relevant macroeconomic factors relative to the economic climate of the respective market in which it operates. The Company has also assessed the exposures in potentially affected sectors for any indicators of impairment and there is no material impact of the Covid-19 epidemic.

16) IMPORTANT MATTERS (continued)

- Commitments and contingent liabilities

The Company has assessed the impact of any operational disruptions, including any contractual challenges and changes in business or commercial relationships among customers and suppliers, with a view of potential increase in contingent liabilities and commitments and no issues were noted.

- Going concern

The Company has performed an assessment of whether it is a going concern in the light of current economic conditions and all available information about future risks and uncertainties. The projections have been prepared covering the Company's future performance, capital and liquidity. The impact of COVID-19 may continue to evolve, but at the present time the projections show that the Company has ample resources to continue in operational existence and its going concern position remains largely unaffected and unchanged from 31 December 2020. As a result, this condensed interim financial statement has been appropriately prepared on a going concern basis.

The company's management continues to monitor the situation closely in light of the changes in the duration and size of precautionary measures, and it is assessing the potential effects on the condensed interim financial statements.

17) INTERIM RESULTS

The results of operations for the condensed interim periods may not be an accurate indication of the results of the full year operations.

18) EVENT AFTER THE REPORTING PERIOD

- 1- The Company's Board of Directors in their meeting held on 06 Jumada Al Thani 1442 H (corresponding to 19 January, 2021) recommended the following:

- Distribution of cash dividends of SR 1 per share totalling SR 60 million representing 10% of the Company's share capital.
- Disburse an amount of SAR 500,000 to each member of the board of directors and the secretary of the board of directors for the year 2020. The amount distributed as in accordance with the regulations of the ministry of commerce and the Capital Market Authority

The above recommendations are subjected to the general assembly and regulatory approvals.

- 2- Capital increase from 600 million Saudi riyals to 750 million Saudi riyals through issuing additional free shares to shareholders of the company. There will be an additional (1) free share for every (4) shares and this will be done by capitalization of SR (150) million from the retained earnings account.

The management believes there are no material subsequent events for the period ending on March 31,2021 which may have a significant impact on the Company's interim condensed statement of financial position as shown in these condensed interim financial statements.

19) APPROVAL OF CONDENSED INTERIM FINANCIAL STATEMENTS

The condensed interim financial statements were approved by the Board of Directors on 08 Ramadan 1442H (corresponding to April 20, 2021).
