INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF INTEGRATED HOLDING COMPANY K.S.C.C.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Integrated Holding Company K.S.C.C. ("the parent company") and its subsidiaries (together referred to as "the Group") as at 31 March 2018 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the three month period then ended. The parent company's management is responsible for the preparation and fair presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard 34, 'Interim financial reporting' ("IAS 34"). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34, "Interim Financial Reporting".

Other matter

The comparative information for the interim condensed consolidated statement of financial position is based on the audited consolidated financial statements as at 31 December 2017. The comparative information for the Interim condensed consolidated statement of financial position as at 31 March 2017, and the interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the period ended 31 March 2017, and related explanatory notes, has not been audited or reviewed.

Report on other legal and regulatory requirements

Furthermore, based on our review, nothing has come to our attention to indicate that the interim condensed consolidated financial information is not in agreement with the accounting records of the parent company. We further report that nothing has come to our attention indicating any contravention during the three month period ended 31 March 2018, of the Companies Law no. 1 of 2016, its executive bylaws nor of the parent company's articles of association that might have had a material effect on the parent company's activities or on its financial position.

- Utilizing the financial surpluses available with the Company through investing the same in financial portfolios managed by specialized companies and entities.

The consolidated financial statements for the year ended 31 December 2017 were authorised for issue by the Board of Directors resolution dated 19 March 2018 and were approved by the shareholders at the Annual General Assembly meeting held on 12 April 2018. During the Annual General Assembly meeting, the shareholders also approved the distribution of dividends of 30 fils per share as proposed by the Board of Directors and disclosed in the audited consolidated financial statements of 31 December 2017.

The accompanying interim condensed consolidated financial information for the period ended 31 March 2018 was authorised for issue by the Board of Directors on 12 May 2018.

2 BASIS OF PREPARATION

This interim condensed consolidated financial information of Integrated Holding Company K.S.C.C. and its subsidiaries ("the Group") has been prepared in accordance with IAS 34, "Interim Financial Reporting". The interim condensed consolidated financial information does not include all the information and disclosures required for full consolidated financial statements prepared in accordance with International Financial Reporting Standards and should be read in conjunction with the annual consolidated financial statements for the year ended 31 December 2017, which have been prepared in accordance with International Financial Reporting Standards (IFRSs). In the opinion of management, all adjustments consisting of normal recurring accruals considered necessary for fair presentation have been included in the interim condensed consolidated financial information.

Operating results for the three month period ended 31 March 2018 are not necessarily indicative of the results that may be expected for the year ending 31 December 2018. For further information, refer to the annual audited consolidated financial statements of the Group and notes thereto for the year ended 31 December 2017.

3 ACCOUNTING POLICIES

(a) New and amended standards adopted by the Group

The accounting policies used in the preparation of this interim condensed consolidated financial information are consistent with those used in the annual audited consolidated financial statements for the year ended 31 December 2017.

A number of new or amended standards became applicable for the current reporting period:

- IFRS 9 Financial Instruments, and
- IFRS 15 Revenue from Contracts with Customers.

The Group has adopted all standards, amendments and improvements which came effective for the first time for the financial reporting year beginning on or after 1 January 2018 and none resulted in a significant impact on the interim condensed consolidated financial information except for IFRS 9 Financial Instruments, the impact of the adoption is shown below.

(b) IFRS 9 Financial Instruments – Impact of adoption

IFRS 9 replaces the provisions of IAS 39 that relate to the recognition, classification and measurement of financial assets and financial liabilities, derecognition of financial instruments, impairment of financial assets and hedge accounting.

The adoption of IFRS 9 Financial Instruments from 1 January 2018 resulted in changes in accounting policies and adjustments to the amounts recognised in the interim condensed consolidated financial statements related to the impairment of financial assets. In accordance with the transitional provisions in IFRS 9, comparative figures have not been restated.

Impairment of financial assets

The financial asset subject to IFRS 9's new expected loss models are trade receivables from equipment hire and transportation service.

While cash and cash equivalents are also subject to the impairment requirements of IFRS 9, the identified impairment loss was immaterial. For trade receivables, the Group applies the IFRS 9 simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due.

The provision of impairment for trade receivables as at 31 December 2017 reconcile to the opening provision of impairment on 1 January 2018 as follows:

	Provision amount
At 31 December 2017 – calculated under IAS 39 as originally presented	1,943,114
Amounts restated through opening retained earnings	277,034
Opening loss allowance as at 1 January 2018 - calculated under IFRS 9	2,220,148

The provision from impairment increased by a further KD 305,674 for trade receivables during the three months to 31 March 2018 (note 6). The increase would have been KD 26,607 lower under the incurred loss model of IAS 39.

The Group's loans and receivables was measured at amortised cost as per IAS 39 where the objective of the Group's business model for realizing these assets is for collecting contractual cash flows which meet the conditions for classification at amortised cost under IFRS 9. Accordingly, the new guidance does not affect the classification and measurement of these financial assets.

4 JUDGEMENTS AND ESTIMATES

The preparation of interim condensed consolidated financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual audited consolidated financial statements as at and for the year ended 31 December 2017.

5 FINANCIAL RISK MANAGEMENT

The interim condensed consolidated financial information does not include all financial risk management information and disclosures required in the annual consolidated financial statements; they should be read in conjunction with the Group's annual consolidated financial statements as at 31 December 2017. There have been no changes in the risk management policies since the year end. The fair value of financial assets and liabilities approximates their carrying amounts.

10 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the profit for the year attributable to equity holders of the Parent Company by the weighted average number of ordinary shares outstanding adjusted for bonus shares issued during the period.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the weighted average number of additional ordinary shares that would have been outstanding assuming the conversion of all dilutive potential ordinary shares. At the reporting date, the Group had no dilutive shares. The information necessary to calculate earnings per share based on the weighted average number of shares outstanding during the period is as follows:

	Three months ended 31 March	
	2018 (Unaudited)	2017 (Unaudited)
Profit for the period attributable to equity holders of the Parent Company	4,964,475	3,318,896
