**Independent auditor's review report  
on the interim condensed financial statements**

**To the Shareholders of National Environmental Recycling Company**

A Saudi Joint Stock Company  
Riyadh, Kingdom of Saudi Arabia

**Introduction**

We have reviewed the accompanying interim condensed statement of financial position of National Environmental Recycling Company (A Saudi Joint Stock Company) (the "Company") as at 30 September 2025, and the interim condensed statement of profit or loss and other comprehensive income for the three and nine-month periods then ended, and the interim condensed statements of changes in equity, and cash flows for the nine-month period then ended, and other explanatory notes.

Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34"), that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

**Scope of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Other matter**

The comparative information for the interim condensed statement of profit or loss and other comprehensive income for the three and nine-month periods ended 30 September 2024, interim condensed statements of changes in equity and cash flows for nine-month period ended 30 September 2024, have not been audited or reviewed.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia.

### **23. SEGMENT INFORMATION**

The Company operates in a single operating segment, which includes the export, wholesale, and retail trade of scrap, aluminium, copper, plastic, electrical and electronic appliances, spare parts, tires, glass, and various types of iron, as well as related sorting, storage, and distribution activities.

This classification is based on the internal reports reviewed regularly by the Chief Operating Decision Maker (CODM) to make strategic decisions and assess performance.

Revenue and profit for this operating segment are consistent with the revenue and net profit presented in the interim condensed financial statements.

There have been no changes in the basis of segmentation or the measurement of segment results compared to the annual financial statements for the year ended 31 December 2024.

### **24. SUBSEQUENT EVENTS**

Except for the matter mentioned above, management believes that there have been no other significant subsequent events since 30 September 2025 up to the date of approval of these interim condensed financial statements that may have a material impact on, or require adjustment to, the Company's interim condensed financial statements for the period ended on that date.
