INDEPENDENT AUDITOR'S REVIEW REPORT ON THE CONDENSED INTERIM FINANCIAL STATEMENTS

To the shareholders of Sadr Logistics Company (A Saudi Joint Stock Company)

Riyadh - Kingdom of Saudi Arabia

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Sadr Logistics Company** (The "Company") - a Saudi Joint Stock Company as of 31 March 2023 and the related condensed interim statements of profit or loss and other comprehensive income, changes in equity and cash flows for the three-month period then ended including a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of this condensed interim financial statements in accordance with International Accounting Standard "Interim Financial Reporting" (IAS 34), that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope Of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' that is endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements is not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia.

Other Matter

The Company's condensed interim financial statements for the three-month period ended 31 March 2022 were reviewed by another auditor, who expressed an unmodified conclusion on those condensed interim financial statements on 25 May 2022.
