السلام عليكم ورحمة الله وبركاته ،،،

Subject :Postponement of disclosure of financial statements for second quarter 2025

الموضوع: تأجيل الإفصاح عن البيانات المالية للربع الثاني 2025

We wish to inform you that SUDATEL Telecom Group will not be able to submit the financial statements for the second quarter of 2025 within the standard reporting deadline of 14 August 2025.

This delay is primarily due to the implementation of a new billing system, which has had a consequential impact on revenue recognition and bank reconciliation processes. As these elements are critical to the accuracy and integrity of our financial reporting, additional time is required to finalize the statements.

We are actively working to conclude the necessary discussions and validations, and we remain committed to submitting the Q2 financial statements within two weeks. We appreciate your understanding and continued support.

With Best regards

Manal Ibrahim Abuzaid
