REPORT ON REVIEW OF CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

To: The Shareholders of Al Khaleej Training and Education Company (A Saudi Joint Stock Company)

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of Al Khaleej Training and Education Company (the "Company") and its subsidiaries (the "Group") as at 30 September 2020, and the related condensed consolidated interim statements of profit or loss, comprehensive income for the three and nine-month periods ended 30 September 2020, and the condensed consolidated interim statements of changes in equity and cash flows for the nine-month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with International Accounting Standard (34) "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" that is endorsed in the Kingdom of Saudi Arabia. A review of condensed consolidated interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with International Accounting Standard (34) "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia.

Other Matter

The consolidated financial statements of the Company for the year ended December 31, 2019, were audited by another auditor who expressed an unmodified opinion on those statements on March 25, 2020.

They have been prepared in accordance with International Accounting Standard 34 'Interim Financial Reporting', endorsed in the Kingdom of Saudi Arabia.

The interim condensed consolidated financial statements do not include all of the information required in the annual financial statements in accordance with IFRS and should be read in conjunction with the consolidated financial statements for the year ended 31 December 2019.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED) FOR THE NINE MONTHS PERIOD ENDED 30 SEPTEMBER 2020

2. BASIS OF PREPARATION AND CONSOLIDATION (continued)

Basis of consolidation (continued)

The Group accounts for the business combinations using the acquisition method when control is transferred to the Group. The consideration transferred in the acquisition is generally measured at fair value, as are the identified net assets acquired. The excess of the cost of acquisition and fair value of non–controlling Interest ("NCI") over the fair value of the identifiable net assets acquired is recorded as goodwill in interim condensed consolidated statement of financial position. NCI are measured at their proportionate share of the acquirer's identifiable net assets at the date of acquisition. The portion of profit or loss and net assets not controlled by the Group are presented separately in the interim condensed consolidated statement of profit or loss and within equity in the interim condensed consolidated statement of profit or loss and within equity in the interim condensed consolidated statement of financial position.

Intra-Group balances and transactions, and any unrealized profit and loss arising from intra-Group transactions, are eliminated. Accounting policies of subsidiaries are aligned, where necessary, to ensure consistency with the policies adopted by the Group. The Company and its subsidiaries have the same reporting periods.

Use of judgments, estimates and significant accounting assumptions

In preparing these interim condensed consolidated financial statements, management has made judgments and estimates that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

The significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual financial statements.

Information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have significant effect on the amounts recognized in the financial statements are as follows:

3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies used in the preparation of the interim condensed consolidated financial statements are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2019, except for the adoption of new standards effective as of 1 January 2020 shown below:

Amendments to IAS 1 and IAS 8: Definition of Material

The IASB issued amendments to IAS 1 Presentation of Financial Statements and IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors to align the definition of 'material' across the standards and to clarify certain aspects of the definition. The new definition states that, 'Information is material if omitting, misstating or obscuring it could reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements, which provide financial information about a specific reporting entity.

The amendments to the definition of material does not have a significant impact on the Group's interim condensed consolidated financial statements.

Amendments to IFRS 3: Definition of a Business

The IASB issued amendments to the definition of a business in IFRS 3 Business Combinations to help entities determine whether an acquired set of activities and assets is a business or not. They clarify the minimum requirements for a business, remove the assessment of whether market participants are capable of replacing any missing elements, add guidance to help entities assess whether an acquired process is substantive, narrow the definitions of a business and of outputs, and introduce an optional fair value concentration test.

The amendments to the definition of a business does not have a significant impact on the Group's interim condensed consolidated financial statements.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED) FOR THE NINE MONTHS PERIOD ENDED 30 SEPTEMBER 2020

3. SIGNIFICANT ACCOUNTING POLICIES (continued)

Revised Conceptual Framework for Financial Reporting

The IASB has issued a revised Conceptual Framework which will be used in standard-setting decisions with immediate effect. Key changes include:

- increasing the prominence of stewardship in the objective of financial reporting,
- reinstating prudence as a component of neutrality,
- defining a reporting entity, which may be legal entity, or a portion of an entity,
- revising the definitions of an asset and a liability,
- removing the probability threshold for recognition and adding guidance on derecognition,
- adding guidance on different measurement basis, and
- stating that profit or loss is the primary performance indicator and that, in principle, income and expenses in other comprehensive income should be recycled where this enhances the relevance of faithful representation of the financial statements

No changes will be made to any of the current accounting standards.

4. RIGHT OF USE ASSETS, NET
