INDEPENDENT AUDITORS' REVIEW REPORT ON INTERIM CONDENSED FINANCIAL INFORMATION

The Shareholders Amana Cooperative Insurance Company (A Saudi Joint Stock Company) Kingdom of Saudi Arabia

INTRODUCTION

We have reviewed the accompanying interim condensed statement of financial position of Amana Cooperative Insurance Company (the "Company") as at 30 September 2021 and the related interim condensed statements of income and comprehensive income for the three-month and nine-month periods then ended and interim condensed statements of changes in equity and cashflows for the nine-month period then ended and other explanatory notes (the "interim condensed financial information"). Management is responsible for the preparation and presentation of this interim condensed financial information in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on this interim condensed financial information based on our review.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagement 2410, "Review of interim financial information performed by the independent auditor of the entity", that is endorsed in the Kingdom of Saudi Arabia. A review of interim condensed financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information is not prepared, in all material respects, in accordance with IAS 34, that is endorsed in the Kingdom of Saudi Arabia.

MATERIAL UNCERTAINTY RELATED TO GOING CONCERN

We draw attention to Note 2 to the accompanying interim condensed financial information, which indicates, among other things, that as of 30 September 2021, the accumulated losses represent 95.04% (31 December 2020: 61.46%) of the Company's share capital. As of the same date, the Company's solvency has reached -37.78% (31 December 2020: 45%). These events and conditions indicate a material uncertainty on the Company's ability to continue as a going concern. However, the board of directors considered various strategic options, including capital restructuring, to ensure the Company's going concern. Among such strategic options, on 15 November 2020, the Company signed a Non-Binding Memorandum with Saudi Enaya Cooperative Insurance Co. ("Enaya") to assess the merger's feasibility and has signed a binding merger agreement with Enaya on 29 April 2021 to take the necessary steps to implement the merger under relevant applicable laws and regulations, subject to obtaining the required approvals and completion of regulatory formalities.

INDEPENDENT AUDITORS' REVIEW REPORT ON INTERIM CONDENSED FINANCIAL **INFORMATION** (continued)

MATERIAL UNCERTAINTY RELATED TO GOING CONCERN (continued)

Based on the above, the Company's management has assessed its ability to continue as a going concern concidering the completion of merger activities and capital restructuring options thereafter and is satisfied that the Company's operations shall continue for the foreseeable future under the normal course of business. Accordingly, the interim condensed financial information has been prepared on the going concern basis.

Our conclusion is not qualified in respect of this matter.

1 ORGANIZATION AND PRINCIPAL ACTIVITIES

Amana Cooperative Insurance Company (the "Company") is a Saudi joint stock company established in Riyadh, Kingdom of Saudi Arabia by Royal Decree Number M/35 dated Jumada Al-Akher 3, 1431 H. (corresponding to May 17, 2010), and registered in the Kingdom of Saudi Arabia under Commercial Registration No. 1010288711 dated Jumada Al-Akher 10, 1431 H (corresponding to May 24, 2010). The Company's head office is at Salah-uddin Al-Ayubi Street P.O. Box 27986, Riyadh 11427, Kingdom of Saudi Arabia.

The objective of the Company is to engage in providing insurance services in accordance with its Articles of Association and By-laws and the applicable regulations in the Kingdom of Saudi Arabia.

On 31 July 2003, corresponding to 2 Jumada II 1424H, the Law on the Supervision of Cooperative Insurance Companies ("Insurance Law") was promulgated by Royal Decree Number (M/32). During March 2008, the Saudi Central Bank ("SAMA"), as the principal authority responsible for the application and administration of the Insurance Law and its Implementing Regulations, granted the Company a license to transact insurance activities in the Kingdom of Saudi Arabia.

It was approved to update the Company's by-laws to comply with the new companies' regulations, issued by royal decree no.m/3 on 28/01/1437 H and this is as per the extraordinary general assembly meeting on 23/09/1438 H, corresponding June 18, 2017.

2 BASIS OF PREPARATION

(a) Basis of presentation and measurement

The interim condensed financial information (interim condensed financial statements) of the Company as at and for the period ended 30 September 2021 have been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting" (IAS 34) as endorsed in Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization of Chartered and Professional Accountants ("SOCPA").

The interim condensed financial statements have been prepared under the going concern basis and the historical cost basis except for the measurement at fair value of "available-for-sale investments" and employees end-of-service benefits at present value.

The Company presents its interim condensed statement of financial position in order of liquidity. As required by the Saudi Arabian Insurance Regulations, the Company maintains separate books of accounts for Insurance Operations and Shareholders' Operations and presents the interim condensed financial statements accordingly (note 18). Assets, liabilities, revenues and expenses clearly attributable to either activity are recorded in the respective accounts. The basis of allocation of expenses from joint operations is determined and approved by the management and the Board of Directors.

The interim condensed statements of financial position, income, other comprehensive income and cash flows of the insurance operations and shareholders operations which are presented in note 18 of these interim condensed financial statements have been provided as supplementary interim condensed financial information to comply with the requirements of the guidelines issued by SAMA implementing regulations and is not required under IFRSs. SAMA implementing regulations requires the clear segregation of the assets, liabilities, income and expenses of the insurance operations and the shareholders operations. Accordingly, the interim condensed statement of financial position, interim condensed statement of income, interim condensed statement of cash flows prepared for the insurance operations and shareholders operations as referred to above, reflect only the assets, liabilities, income, expenses and comprehensive gains or losses of the respective operations.

2 BASIS OF PREPARATION (CONTINUED)

(a) Basis of presentation and measurement (continued)

In preparing the Company-level financial statements in compliance with IFRSs, the balances and transactions of the insurance operations are amalgamated and combined with those of the shareholders' operations. Inter-operation balances and transactions are eliminated in full during amalgamation. The accounting policies adopted for the insurance operations and shareholders operations are uniform for like transactions and events in similar circumstances.

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Company's annual financial statements as at 31 December

(b) Functional and presentation currency

The interim condensed financial statements have been prepared in Saudi Arabian Riyals (SR), which is also the functional currency of the Company. All financial information presented in SR has been rounded off to the nearest thousand, unless otherwise stated.

(c) Critical accounting judgments, estimates and assumptions

The preparation of interim condensed financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these interim condensed financial statements, the significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty including the risk management policies were the same as those that applied to the annual financial statements as at and for the year ended 31 December 2020.

Going concern

The Company's accumulated losses as of 30 September 2021 are 95.04% (31 December 2020: 61.46%) of the Company's share capital, and as of the same date, the Company's solvency has reached -37.78% (31 December 2020: 45%). These events and conditions indicate a material uncertainty on the Company's ability to continue as a going concern. However, the board of directors considered various strategic options, including capital restructuring, to ensure the Company's going concern. Among such strategic options, on 15 November 2020, the Company has signed a Non-Binding Memorandum with Saudi Enaya Cooperative Insurance Co. ("Enaya") to assess the merger's feasibility. It has signed a binding merger agreement with Enaya on 29 April 2021 to take the necessary steps to implement the merger under relevant applicable laws and regulations and has obtained the no-objection certificate for merger with Enaya Cooperative Insurance Co. from the General Authority of Competition "GAC" on 14 July 2021. The approval from SAMA, the Capital Market Authority ("CMA"), the Saudi Stock Exchange Company ("Tadawul"), and approvals from the extraordinary general meeting of both the Companies are in process.

(c) Critical accounting judgments, estimates and assumptions (continued)

Going concern (continued)

Further, on 23 May 2021, the Company reduced its share capital from SR 240 million to SR 130 million to absorb the accumulated losses after completing the regulatory requirements as per the Capital Market Law and its Implementing Regulations. Based on the above, the management is satisfied that the Company will continue as a going concern in the foresceable future.

3 SIGNIFICANT ACCOUNTING POLICIES AND NEW STANDARDS ISSUED BUT NOT YET EFFECTIVE

(a) Significant accounting policies

The significant accounting policies adopted in the preparation of these interim condensed financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 31 December 2020.

(b) New standards issued but not yet effective

The standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Company's interim financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

IFRS 9 Financial Instruments

IFRS 9, as issued, reflects the first phase of the IASB's work though the adoption date is subject to the recently issued Exposure Draft on the replacement of IAS 39 and applies to classification and measurement of financial assets and liabilities as defined in IAS 39. The standard was initially effective for annual periods beginning on or after 1 January 2013, but Amendments to IFRS 9 Mandatory Effective Date of IFRS 9 and Transition Disclosures, issued in December 2011, moved the mandatory effective date to 1 January 2015.

However, on 19 November 2013, the IASB issued IFRS 9 Financial Instruments (Hedge Accounting and amendments to IFRS 9) amending IFRS 9 to include the new general hedge accounting model. In its February 2014 meeting, the IASB decided that IFRS 9 would be mandatorily effective for annual reporting periods beginning on or after 1 January 2018 with an optional temporary exception to defer the application of IFRS 9 till 1 January 2022 for companies whose activities are predominantly connected with insurance. In line with other insurance companies in the Kingdom of Saudi Arabia, the Company deferred the application of IFRS 9 till 1 January 2023 to match with the adoption of IFRS 17.

IFRS 17 Insurance Contracts

The IASB issued IFRS 17 in May 2017. IFRS 17 will be mandatorily effective for annual reporting periods beginning on or after 1 January 2023. Once effective, IFRS 17 replaces IFRS 4 Insurance Contracts that was issued in 2005. The overall objective of IFRS 17 is to provide a more useful and consistent accounting model for insurance contracts among entities issuing insurance contracts globally. The Company is in the process of assessing the impact of IFRS 17.

8 FAIR VALUES OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in between the market participants at the measurement date. The fair value measurement is based on the presumption that the transaction takes place either:

- in the accessible principal market for the assets or liability, or
- in the absences of a principal market, in the most advantages accessible market for the asset or liability

(a) Determination of fair value and fair value hierarchy

The Company uses the following hierarchy for determining the fair value of financial instruments:

- Level 1 quoted prices in active markets for the same or identical instrument that an entity can access at the measurement date;
- Level 2 quoted prices in active markets for the similar assets and liabilities or other valuation techniques for which all significant inputs are based on the observable market data; and
- Level 3 valuation techniques for which any significant input is not based on the observable market data.

8 FAIR VALUES OF FINANCIAL INSTRUMENTS (CONTINUED)

(b) Carrying amounts and fair value

The following table shows the carrying amount and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy for the financial instruments measured at fair value. It does not include fair value information for the financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation to fair value.

The Company has filed its zakat return to Zakat, Tax and Customs Authority upto the year 2020. All the assessments up to the year 2016 have been settled, and a final certificate has been obtained. During the year 2020, Zakat, Tax and Customs Authority issued zakat assessment for the years 2017 and 2018, amounting to SR 6.2 million. The Company has filed objection against the assessment and the management believes that there is a high probability that the liability can be reduced to SR 3.7 million. On 4 May 2020, the Company also received assessments along with penalties in respect of Value Added Tax ("VAT") for the years 2018 and 2019 amounting to SR 1.6 million. The Company objected to the penalties which have been reversed by them and are under process for refund.

11 SHARE CAPITAL

As at 31 December 2020, the authorized, subscribed and paid up share capital of the Company was SR 240 million, divided into 24 million shares of SR 10 each. On 07 December 2020, the Board of Directors had recommended reducing the Company's share capital from SR 240 million to SR 130 million divided into 13 million shares by offsetting with accumulated losses. In an extra-ordinary general meeting (second meeting) held on 11th Shawwal, 1442H corresponding to 23 May 2021, the shareholders' of the Company approved the reduction and the required changes in the Company by-laws relating to this reduction. Accordingly, the share capital and accumulated losses have been reduced by SR 110 million. The purpose of capital reduction is to restructure the capital position of the Company in order to meet the compliance with the Companies Law. There was no impact of capital reduction on the Company's financial obligations.
