## INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

To the shareholders of  
**NATIONAL COMPANY FOR LEARNING AND EDUCATION**  
(A Saudi Joint Stock Company)  
Riyadh - Kingdom of Saudi Arabia

### Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of **National Company for Learning and Education** ("the Company") and its subsidiaries (together "the Group"), as of 30 April 2026, and the related interim condensed consolidated statements of profit or loss, comprehensive income for the three month and nine month period then ended and the related interim condensed consolidated statements of changes in equity and cash flows for the nine month period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34 ("IAS 34") "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements (2410), "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared in all material respects, in accordance with IAS 34 that is endorsed in the Kingdom of Saudi Arabia.

### Emphasis of Matter

We draw attention to Note (17) in the notes to the condensed interim consolidated financial statements, which explains in more detail the Group's revision of the methodology for recognizing education service revenues (tuition fees) in the interim condensed consolidated financial statements in accordance in the light of the interpretation issued by SOCPA on 16 July 2025, whereby these revenues were recognized on the basis of their allocation over the academic year rather than on the basis of their allocation over the fiscal year. This methodology has been applied to the comparative figures for the period under review. Our opinion on this matter has not been modified.

**1. ORGANIZATION AND ACTIVITIES (CONTINUED)**

These interim condensed consolidated financial statements include the accounts of the Company and the following subsidiaries (collectively referred to as the “Group”):

| <u>Subsidiary Company</u>                       | <u>Country of incorporation</u> | <u>Ownership %</u>   |                     |
|---|---------------------------------|----------------------|---------------------|
|   |                                 | <u>30 April 2026</u> | <u>31 July 2025</u> |
| Al Khwarizmi Educational Company                | Kingdom of Saudi Arabia         | <b>100</b>           | 100                 |
| Al Ghad National Schools Limited Company        | Kingdom of Saudi Arabia         | <b>100</b>           | 100                 |
| Revan Operation and Maintenance Limited Company | Kingdom of Saudi Arabia         | <b>100</b>           | 100                 |
| Al Salam Education and Training Company         | Kingdom of Saudi Arabia         | <b>100</b>           | 100                 |

Al-Khwarizmi Educational Company is engaged in the field of education with national curriculum.

Al Ghad National Schools Limited Company is engaged in the field of education with national curriculum.

Revan Operation and Maintenance Limited Company activities are operation and maintenance.

Al Salam Education and Training Company is engaged in the field of education with national curriculum.

The Group’s head office is located in Riyadh,  
P.O. Box 41980 Riyadh 11531 Kingdom of Saudi Arabia.

The Group’s financial year begins on **1 August** and ends on **31 July** of each year.

**2. BASIS OF PREPARATION****Statement of compliance**

These interim condensed consolidated financial statements have been prepared in accordance with IAS 34, “Interim Financial Reporting” that is endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are issued by the Saudi Organization for Chartered and Professional Accountants (SOCPA).

These interim condensed consolidated financial statements should be read in conjunction with the Group’s financial statements for the year ended 31 July 2025. These interim condensed consolidated financial statements do not include all the required information to prepare a full set of consolidated financial statements in accordance with IFRS, however, accounting policies and selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Group’s financial position and performance since the previous year consolidated financial statements. The interim period is an integral part of the full fiscal year, however, the results of operations for the interim periods may not be indicative of the results of operations for the full year.

**New standards, amendments to standards, and interpretation****a) New Standards, Interpretations and Amendments Not Yet Effective**

The following is a statement of the new standards and amendments to existing standards that are effective for annual periods beginning on or after 1 January 2027, with early adoption permitted; however, the Group has not adopted them in preparing these interim condensed consolidated financial statements.

| <u>IFRS</u> | <u>Summary</u>  | <u>Effective date</u> |
|-------------|---|-----------------------|
| IFRS 18     | Presentation and Disclosures in Financial Statements                      | 1 January 2027        |
| IFRS 19     | Disclosures – Subsidiaries without Public Accountability                  | 1 January 2027        |
| IAS 21      | Translation into the presentation currency in a hyperinflationary economy | 1 January 2027        |

The Group is currently assessing the impact of applying these standards. The Group does not expect that any standards issued by the Accounting Standards Board that are not yet effective will have a material impact.

**2. BASIS OF PREPARATION (CONTINUED)**

**New standards, amendments to standards, and interpretation (continued)**

**b) New Standards, Interpretations and Amendments**

The following are the new standards, interpretations and amendments to standards that are effective in the current period, but they have no impact on these interim condensed consolidated financial statements.

| <b><u>IFRS</u></b>                               | <b><u>Summary</u></b>  | <b><u>Effective date</u></b> |
|--|--|------------------------------|
| IFRS 9 and IFRS 7                                | Amendments regarding the classification and measurement of financial instruments | 1 January 2026               |
| Annual Improvements to IFRS Accounting Standards | Amendments/Annual improvements in IFRS 1, IFRS 7, IFRS 9, IFRS 10, IAS 7         | 1 January 2026               |

**Basis of measurement**

These interim condensed consolidated financial statements have been prepared on a historical cost basis, except for employees' benefits obligations which are measured using the projected credit unit.

**Functional and presentation currency**

These interim condensed consolidated financial statements are presented in Saudi Riyal ("SR"), which is the functional and presentation currency of the Group.

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### a. Basis of consolidation

##### 1) Business combination

The Group accounts for business combinations using the acquisition method when control is transferred to the Group. The consideration transferred at the acquisition is generally measured at fair value of the identifiable net assets acquired. Any goodwill that arises is tested annually for impairment. Any gain on a bargain purchase is recognized in profit or loss immediately. Transaction costs are expensed as incurred, except if related to the issue of debt or equity securities.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts are generally recognized in profit or loss.

Any contingent consideration is measured at fair value at the date of acquisition. If an obligation to pay contingent consideration that meets the definition of a financial instrument is classified as equity, then it is not remeasured and settlement is accounted for within shareholders equity. Otherwise, other contingent consideration is remeasured at fair value at each reporting date and subsequent changes in the fair value of the contingent consideration are recognized in profit or loss.

##### 2) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to or has rights to, variable return from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date the control commences until the date the control ceases.

##### 3) Non-controlling interest ("NCI")

NCI are measured initially at their proportionate share of the acquiree's identifiable net assets at the date of acquisition. Changes in the Group's interest in the subsidiary that do not result in a loss of control are accounted for as shareholders transactions.

##### 4) Loss of control

When the Group loses control over a subsidiary, it derecognizes the assets and liabilities of the subsidiary, and any related NCI and other components of shareholders equity and any gain or loss is recognized in the statement of profit or loss. Any interest retained in the former subsidiary is measured at fair value when control is lost.

#### b. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to settle a liability in an orderly transaction between market participants at the measurement date. Fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic considerations interest.

Fair value measurement of a non-financial assets takes into account a market participants' ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the same asset in its highest and best use.

## NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

For the nine-month period ended 30 April 2026

(Amounts in Saudi Riyals)

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### b. Fair value measurement (continued)

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the interim condensed consolidated financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets and liabilities can be obtained at the measurement date.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly observable (such as prices) or indirectly (derived from prices).

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable (unobservable inputs).

For assets and liabilities that are recognized in the interim condensed consolidated financial statements at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Group has determined the policies and procedures for both recurring fair value measurement, and for non-recurring measurement.

At each reporting date, the Group analyzes the changes in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Group's accounting policies. For this analysis, the Group verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. The Group also compares the change in the fair value for each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### c. Revenue recognition

The Group recognizes revenue under IFRS 15 using the following five steps model:

|   |  |
|---|--|
| Step 1: Identify the contract with the customer | A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.   |
| Step 2: Identify the performance obligations    | A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.   |
| Step 3: Determine the transaction price         | The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to the customer, excluding amounts collected on behalf of third parties.  |
| Step 4: Allocate the transaction price          | For a contract that has more than one performance obligation, the Group allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Group expects to be entitled in exchange for satisfying each performance obligation. |
| Step 5: Recognition of revenue                  | The Group recognizes revenue when (or as) it satisfies a performance obligation by transferring a promised good or service to the customer under a contract.   |

# NATIONAL COMPANY FOR LEARNING AND EDUCATION

(A Saudi Joint Stock Company)

## NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

For the nine-month period ended 30 April 2026

(Amounts in Saudi Riyals)

---

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### c. Revenue recognition (continued)

##### **Identify the contract with customer**

The Group carefully evaluates the terms and conditions of the contracts with its customers because revenue is recognized only when performance obligations in contracts with customers are satisfied. A change in the scope or price (or both) of a contract is considered as a contract modification and the Group determines whether this creates a new contract or whether it will be accounted for as part of the existing contract.

##### **Identify the performance obligations**

Once the Group has identified the contract with a customer, it evaluates the contractual terms and its customary business practices to identify all the promised services within the contract and determine which of those promised services (or bundles of promised services) will be treated as separate performance obligations.

##### **Determine the transaction price**

The Group determines transaction price as the amount which it expects to be entitled. It includes an estimate of any variable consideration, the effect of a significant financing component (i.e., the time value of money), the fair value of any non-cash consideration and the effect of any consideration paid or payable to a customer (if any).

Variable considerations are limited to the amount for which it is highly probable that a significant reversal will not occur when the uncertainties related to the variability are resolved.

##### **Allocation of transaction price**

Once the performance obligations have been identified and the transaction price has been determined, transaction price is allocated to the performance obligations, generally in proportion to their stand-alone selling prices (i.e., on a relative stand-alone selling price basis). When determining stand-alone selling prices, the Group is required to use observable information, if available. If stand-alone selling prices are not directly observable, the Group makes estimates based on information that is reasonably available.

##### **Recognition of revenue**

Revenue is recognized only when the Group satisfies a performance obligation by transferring control of a promised service to the customer. Control may be transferred over time or at a point in time. Where a performance obligation is satisfied overtime, the Group identifies the progress under the contract based on either of an input or output method which best measures the performance completed to date. The method selected is applied consistently to similar performance obligations and in similar circumstances.

The Group believes that it fulfills its performance obligations in its contracts with customers over time, and hence it recognizes revenue as and when it fulfills its obligations under contracts with customers. The Group generates following revenue stream that are covered under IFRS 15 'Revenue from Contracts with Customers'.

##### **Education services**

Revenue is recognized when education services to registered students at schools are rendered overtime during the academic year including preparation activities and year end closing activities, revenue recognized net of discounts and exemptions.

##### **Other operating income**

Other operating income is recognized once performance obligation is satisfied based on the agreement between the Group and the counterparty.

## NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

For the nine-month period ended 30 April 2026

(Amounts in Saudi Riyals)

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### d. Financial instruments

##### Classification and measurement of financial assets and financial liabilities

On initial recognition, a financial asset is classified as measured at: amortized cost; FVOCI – debt investments; FVOCI – equity investments; or FVTPL.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not classified at fair value through profit or loss.

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

A financial asset is initially measured (unless it is a receivable without a significant financing component that is initially measured at the transaction price) at fair value, for an item not at FVTPL, plus transaction costs that are directly attributable to its acquisition.

The following accounting policies apply to the subsequent measurement of financial assets.

|  |  |
|--|--|
| <b>Financial assets at FVTPL</b>         | These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.   |
| <b>Financial asset at amortized cost</b> | These assets are subsequently measured at amortized cost using the effective interest method. Amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.                                 |
| <b>Debt investments at FVOCI</b>         | These assets are subsequently measured at fair value. Interest income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognized in profit or loss. Other net gains and losses are recognized in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss. |
| <b>Equity investments at FVOCI</b>       | These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and are never reclassified to profit or loss.   |

## NATIONAL COMPANY FOR LEARNING AND EDUCATION

(A Saudi Joint Stock Company)

### NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

For the nine-month period ended 30 April 2026

(Amounts in Saudi Riyals)

---

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### d. Financial instruments (continued)

The Group has no debt investments at FVOCI or equity investments at FVOCI.

##### **Impairment of financial asset**

The financial assets at amortized cost consist of receivables, cash and cash equivalents and other debit balances.

Loss provisions are measured on the bases of Expected Credit Losses (“ECLs”) over lifetime of a financial instrument: these are ECLs that result from all possible default events over the expected life of a financial instrument.

The Group measures loss allowances at an amount equal to lifetime ECLs.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort.

This includes both quantitative and qualitative information and analysis, based on the Group’s historical experience and informed credit assessment and including forward-looking information.

##### **Measurement of ECLs**

ECLs are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all value shortfalls (i.e. the difference between cash flows due to the Group in accordance with the contract and cash flows that the Group expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

For receivables, the Group applies the simplified approach to estimate ECLs.

##### **Impaired financial assets**

At each reporting date, the Group assesses whether financial assets carried at amortized cost and debt securities at FVOCI are impaired. A financial asset is impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

##### **Presentation of impairment**

Loss provisions for financial assets are deducted from the gross carrying amount of the assets.

Impairment losses related to trade receivables, if any, are presented in the interim condensed consolidated statement of profit or loss under a separate item.

##### **Financial liabilities**

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at fair value through profit or loss if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at fair value through profit or loss are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

(UNAUDITED)**

**For the nine-month period ended 30 April 2026**

---

**3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**d. Financial instruments (continued)**

**Disposal**

**Financial assets**

A financial asset (or part of a group of similar financial assets) is primarily derecognized (i.e., excluded from the interim condensed consolidated statement of financial position of the Group) in the following cases:

- The rights to receive cash flows from the asset have been expired;
- The Group has transferred its rights to receive cash flows from the asset, or assumed an obligation to pay cash flows received in full without delay to a third party under a "pass" arrangement; (a) the Group substantially transferred all the risks and rewards of the asset; or (b) transferred control over the asset and the Group has neither transferred nor retained substantially the risks and rewards of the financial asset.

**Financial liabilities**

The Group derecognizes financial liabilities when its contractual obligations are discharged, cancelled or expired. The Group also derecognizes financial liabilities when the terms and cash flows of the modified obligation are substantially modified, in which case a new financial liability is recognized based on the modified terms at fair value.

On disposal of a financial liability, the difference between the amortized carrying amount and the amount paid (including any non-cash assets transferred or charged liabilities) is recognized in the condensed consolidated statement of profit or loss.

**e. Share premium**

The share premium represents the difference between the value of the share and its par value at the date of issuance, after deducting subscription expenses as set out in the published prospectus and should not be distributed as dividends to the shareholders.

**13. REVENUE**

The tuition fee revenues for the nine-month period ended 30 April 2026 were recognized based on 259 days out of the total 314 days of the 2025/2026 academic year. In comparison, the revenues for the corresponding period of the previous year ended 30 April 2025 were recognized based on 265 days out of the total 321 days of the 2024/2025 academic year. This variance resulted from differences in the academic year start dates and the total number of school days in each period, which impacted the number of days recognized for tuition fee revenue in each period.

**Seasonality of the group's business**

Generally, there is an improvement in the group's business during the first, second, and third quarters of the year compared to the fourth quarter of the same year, as a result of recognizing revenue from educational services over the academic year basis, which falls within the results for the periods from the first to the third quarter.

**15. BASIC AND DILUTED EARNINGS PER SHARE**

Basic earnings per share is calculated by dividing net profit for the period attributable to the Group's ordinary shareholders by the weighted average number of ordinary shares outstanding during the period. Diluted earnings per share is the same as basic earnings per share as the Group has no diluted instruments.

|                                   | <b>30 April 2026</b> | 30 April 2025<br>Restated (note 17) |

(UNAUDITED)****For the nine-month period ended 30 April 2026**

(Amounts in Saudi Riyals)

**16. DIVIDENDS**

On 1 January 2026, the Extraordinary General Assembly approved the distribution of dividends to shareholders amounting to 107.5 million Saudi riyals at 2.5 riyals per share equivalent to 25 % of the company's share capital.

On 15 December 2024, the Ordinary General Assembly approved the distribution of dividends to shareholders amounting to 90.3 million Saudi riyals at 2.1 riyals per share equivalent to 21 % of the company's share capital

**17. PRIOR PERIOD ADJUSTMENTS**

During the period, the Group reviewed its methodology for recognizing revenue from educational services (tuition fees), whereby revenue is now recognized over the academic year rather than the financial year, in accordance with the requirements of IFRS 15 "Revenue from Contracts with Customers" as adopted in the Kingdom of Saudi Arabia and the explanatory notes issued by SOCPA on 16 July 2025. The review also included recalculating and allocating vacation costs related to the teaching staff to the educational service contracts in accordance with that interpretative guidance.

This review resulted in identifying a financial impact related to the revenue re-measurement, and this impact was adjusted in the interim condensed consolidated financial statements for the three and nine-month period ended 30 April 2025. It should be noted that this adjustment is limited to the quarterly periods and has no effect on the annual consolidated financial statements. This adjustment reflects the Group's application of accounting policies that more accurately align with the pattern of satisfying performance obligations and with best practices under International Financial Reporting Standards.

The following table presents the impact of the adjustment on the interim condensed consolidated statement of financial position for the affected line items:

| <b><u>As of 30 April 2025</u></b>                   | <b><u>Previously Reported</u></b> | <b><u>Adjustment</u></b> | <b><u>Restated</u></b> |
|---|-----------------------------------|--------------------------|------------------------|
| Accounts receivable                                 | 85,337,011                        | 15,228,099               | 100,565,110            |
