INDEPENDENT AUDITOR'S REPORT ON REVIEW OF CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

To the shareholders Saudi Cement Company (A Saudi Joint Stock Company) Dammam - Kingdom of Saudi Arabia.

Introduction

We have reviewed the accompanying condensed consolidated interim financial statements of Saudi Cement Company "Saudi Joint Stock Company" ("the Company") and its subsidiary (collectively referred to as the "Group") that include the condensed consolidated interim statement of financial position as of 30 September 2021 and the related condensed consolidated interim statement of income and other comprehensive income for the three months and nine months periods ended 30 September 2021 and the condensed consolidated interim statements of changes in equity and cash flows for the nine months period then ended and a summary of selected significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with International Accounting Standard 34 – ("IAS 34") "Interim Financial Reporting" endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" endorsed in the Kingdom of Saudi Arabia. A review of condensed consolidated interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with IAS 34 endorsed in the Kingdom of Saudi Arabia.

(A Saudi Joint Stock Company)

NOTES TO THE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

For the nine months period ended 30 September 2021

12. FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS (Continued)

This is described, as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- -Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- -Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- -Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. These valuation techniques maximize the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value a financial instrument are observable, those financial instruments are classified under level 2. If one or more of the significant inputs is not based on observable market data, the financial instrument is classified under level 3. As of 30 September 2021 and 31 December 2020, the Group's equity investment designated at FVOCI was determined at level 3 of the fair value hierarchy.
