## INDEPENDENT AUDITORS' REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS

The Shareholders
AlJazira Takaful Taawuni Company
(A Saudi Joint Stock Company)
Kingdom of Saudi Arabia

#### Introduction

We have reviewed the accompanying interim condensed statement of financial position of AlJazira Takaful Taawuni Company - a Saudi Joint Stock Company (the "Company") as at 30 September 2020, and the related interim condensed statements of income and comprehensive income for the three month and nine month periods then ended and the interim condensed statements of changes in equity and cash flows for the nine month period then ended and the notes which form an integral part of these interim condensed financial statements. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing ('ISAs'), that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become a ware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS

For the three month and nine month periods ended 30 September 2020

#### 1. GENERAL

AlJazira Takaful Taawuni Company (the "Company"), is a Saudi Joint Stock Company incorporated in the Kingdom of Saudi Arabia pursuant to the Council of Ministers' resolution No. 137 dated 27 Rabi' Al-Thani 1431H (corresponding to 12 April 2010) and Royal Decree No. M/23 dated 28 Rabi' Al-Thani 1431H corresponding to 13 April 2010. The Company obtained its Commercial Registration 4030251980 on 2 Ramadan 1434H corresponding to 10 July 2013 and Ministry of Commerce and Industry's Resolution dated 24 Sha'baan 1434H corresponding to 03 July 2013. The Company operates only in the Kingdom of Saudi Arabia. The Company has the following branches and the assets, liabilities and results of operations of the Branches are included in these interim condensed financial sta tements:

<u>Branch</u>	<u>CR Number</u>	<u>Date</u>
Riyadh	1010519290	24 Jumada Al-Awal 1440
Madinah	4650081845	21 Rabi' Al-Awal 1438
AlKhobar	2051224259	24 Jumada Al-Awal 1440

The registered office address of the Company is:

Al Musadia Plaza (3), Al Madinah Road,

P.O. Box 5215, Jeddah 21422, Kingdom of Saudi Arabia.

The objectives of the Company are to engage in providing insurance products that includes protection and saving insurance products and related services in accordance with its By-Laws and applicable regulations in the Kingdom of Saudi Arabia. The Company received licence number TMN/34/201312 dated 15 Safar 1435H (corresponding to 18 December 2013) from the Saudi Arabian Monetary Authority (SAMA) to conduct insurance business. The Company is owned 98.14% by Saudi founding shareholders' and general public subject to Zakat and 1.86% by non-Saudi founding shareholders' subject to income tax.

The insurance portfolio and related assets and liabilities have been acquired from a founding shareholder by the Company on the completion of valuation and approval by SAMA. During the year ended 31 December 2019, the Company and Bank AlJazira have received a no objection certificate from SAMA to transfer the insurance portfolio through letter dated 26 Rabi 'Al-Thani 1441H (corresponding to 23 December 2019). The insurance portfolio has been transferred with effect from 01 January 2020 and the financial impact of transfer are as follows:

	assets and liabilities  SR'000
Assets	
Available for sale investments held to cover unit-linked liabilities	996,927
Due from Bank AlJazira ("the founding shareholder")	53,552
Reinsurers' share of outstanding claims	4,941
Total assets	1,055,420
Liabilities	
Outstanding claims	4,941
Unit reserves	996,927
Mathematical reserve	10,980
Other reserves	11,658
Surplus from Insurance Operations	28,468
Accrued expenses and other liabilities	2,446
Total liabilities	1,055,420

Furthermore, in accordance with the Transitional Agreement (the "Agreement") between the Company and Bank AlJazira ("the founding shareholder"), all the general and administrative costs up to the transfer of the insurance portfolio will be shared by the Company and the founding shareholder in the ratio of 17% and 83%, respectively. Currently, the Company is also using fixtures, furniture and equipment of a founding shareholder. Moreover, in accordance with the Agreement, the Company was receiving a management fee for managing the insurance portfolio of the founding shareholder, at a rate ranging from 10% to 20% of total revenue of the founding shareholder's portfolio ("Portfolio Management fee"). As per the agreement, the management fee is not effective for the period subsequent to 01 April 2015. However, with effect from 01 January 2020, these provisions of the Agreement are not applicable.

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

### 1. GENERAL (continued)

Further to the Company's announcement that it signed a non-binding Memorandum of Understanding (the "MOU") with Solidarity Saudi Takaful Company ("Solidarity") on 23 Shawwal 1440H (corresponding to 26 June 2019) to evaluate a potential merger between the two companies, on 04 Muharram 1442H (corresponding to 23 August 2020), the Company announced entry into a binding merger agreement with Solidarity (the "Merger Agreement") in an effort to acquire all shares held by the shareholders in Solidarity through the submission of an offer to exchange shares without any cash consideration. Such exchange would be effected by way of increasing the capital of the Company through the issuance of new ordinary shares to all shareholders in Solidarity (the "Merger") pursuant to the applicable laws and regulations. The proposed merger remains conditional to the approval of SAMA, other regulatory authorities and shareholders in forthcoming Extraordinary General Meetings. The Company's announcement on Tadawul does not mean that the proposed merger will be ultimately agreed and an offer will be made by the Company to the shareholders of Solidarity.

#### 2. BASIS OF PREPARATION

#### a) Basis of presentation

The interim condensed financial statements of the Company as at and for the period ended 30 September 2020 have been prepared in accordance with International Accounting Standard 34 Interim Financial Reporting ("IAS 34") as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organisation for Certified Public Accountants ("SOCPA") (referred to as "IFRS as endorsed in KSA").

The interim condensed financial information is prepared under the going concern basis and the historical cost convention, except for the measurement of investments (excluding held to maturity) at their fair value.

The Company's interim condensed statement of financial position is presented in order of liquidity. Except for fixtures, furniture and equipment, statutory deposit, employee benefits, outstanding claims, claims incurred but not reported, unit reserves, mathematical reserve and other reserves, all other assets and liabilities are of short-term nature, unless, stated otherwise.

As required by the Saudi Arabian Insurance Regulations (the Implementation Regulations), the Company maintains separate books of accounts for "Insurance Operations" and "Shareholders' Operations". Accordingly, assets, liabilities, revenues and expenses clearly attributable to either operation, are recorded in the respective accounts.

The interim condensed financial statements do not include all of the information required for full annual financial statements and should be read in conjunction with the annual financial statements as of and for the year ended 31 December 2019. The interim condensed financial statements may not be considered indicative of the expected results for the full year. These interim condensed financial statements are expressed in Saudi Arabian Riyals (SR) and are rounded off to the nearest thousands.

### b) Critical judgments, accounting estimates and assumptions

The preparation of interim condensed financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these interim condensed financial statements, the significant judgments made by the management in applying the Company's accounting policies and the key sources of estimation uncertainty including the risk management policies were the same as those that applied to the annual financial statements as at and for the year ended 31 December 2019. However, the Company has reviewed the key sources of estimation uncertainties disclosed in the last annual financial statements and updated them where required. The changes in circumstances may require further enhanced disclosures in the financial statements of the Company for subsequent periods (please also refer note 18).

#### c) Seasonality of operations

There are no seasonal changes that may affect Insurance Operations of the Company.

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

#### 3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted by the Company for the preparation of these interim condensed financial statements are in accordance with International Financial Reporting Standards (IFRS) as endorsed in the Kingdom of Saudi Arabia and are consistent with those used for the preparation of the annual financial statements for the year ended 31 December 2019.

### a) New IFRS, IFRIC and amendments thereof, adopted by the Company

The Company has adopted the following new standards, amendments and revisions to existing standards, which were issued by the International Accounting Standards Board (IASB):

Standard/Amendments	<u>Description</u>
Amendments to IAS 1 and IAS 8 Amendments to IFRS 3 Conceptual Framework	Definition of Material Definition of a Business Amendments to References to Conceptual Framework in IFRS Standards

The adoption of the relevant new and amended standards and interpretations applicable to the Company did not have any significant impact on these interim condensed financial statements.

### b) Standards issued but not yet effective

Standards issued but not yet effective up to the date of issuance of the Company's interim condensed financial statements are listed below. The listing is of standards and interpretations issued, which the Company reasonably expects to be applicable at a future date. The Company intends to adopt these standards when they are effective.

Standard/Interpretation	<u>Description</u>	Effective from periods beginning on or after the following date
IFRS 9 IFRS 17	Financial Instruments Insurance Contracts (note below)	See note below See note below

### IFRS 17 – Insurance Contracts

#### **Overview**

This standard has been published on 18 May 2017, it establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts and supersedes IFRS 4 – Insurance contracts.

The new standard applies to insurance contracts issued, to all reinsurance contracts and to investment contracts with discretionary participating features provided the entity also issues insurance contracts. It requires to separate the following components from insurance contracts:

- i) embedded derivatives, if they meet certain specified criteria;
- ii) distinct investment components; and
- iii) any promise to transfer distinct goods or non-insurance services.

These components should be accounted for separately in accordance with the related standards (IFRS 9 and IFRS 15).

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### b) Standards issued but not yet effective (continued)

#### IFRS 17 – Insurance Contracts (continued)

#### Measurement

In contrast to the requirements in IFRS 4, which permitted insurers to continue to use the accounting policies for measurement purposes that existed prior to January 2015, IFRS 17 provides the following different measurement models:

The General model is based on the following "building blocks":

- a) the fulfilment cash flows (FCF), which comprise:
  - probability-weighted estimates of future cash flows,
  - an adjustment to reflect the time value of money (i.e. discounting) and the financial risks associated with those future cash flows.
  - and a risk adjustment for non-financial risk;
- b) the Contractual Service Margin (CSM). The CSM represents the unearmed profit for a group of insurance contracts and will be recognized as the entity provides services in the future. The CSM cannot be negative at inception; any net negative amount of the fulfilment cash flows at inception will be recorded in profit or loss immediately. At the end of each subsequent reporting period the carrying amount of a group of insurance contracts is remeasured to be the sum of:
  - the liability for remaining coverage, which comprises the FCF related to future services and the CSM of the group at that date:
  - and the liability for incurred claims, which is measured as the FCF related to past services allocated to the group at that date.

The CSM is adjusted subsequently for changes in cash flows related to future services but the CSM cannot be negative, so changes in future cash flows that are greater than the remaining CSM are recognized in profit or loss. Interest is also accreted on the CSM at rates locked in at initial recognition of a contract (i.e. discount rate used at inception to determine the present value of the estimated cash flows). Moreover, the CSM will be released into profit or loss based on coverage units, reflecting the quantity of the benefits provided and the expected coverage duration of the remaining contracts in the group.

The Variable Fee Approach (VFA) is a mandatory model for measuring contracts with direct participation features (also referred to as 'direct participating contracts'). This assessment of whether the contract meets these criteria is made at inception of the contract and not reassessed subsequently. For these contracts, the CSM is also adjusted for in addition to adjustment under general model;

- i) changes in the entity's share of the fair value of underlying items,
- ii) changes in the effect of the time value of money and financial risks not relating to the underlying items.

In addition, a simplified Premium Allocation Approach (PAA) is permitted for the measurement of the liability for the remaining coverage if it provides a measurement that is not materially different from the general model or if the coverage period for each contract in the group is one year or less. With the PAA, the liability for remaining coverage corresponds to premiums received at initial recognition less insurance acquisition cash flows. The general model remains a pplicable for the measurement of incurred claims. However, the entity is not required to adjust future cash flows for the time value of money and the effect of financial risk if those cash flows are expected to be paid/received in one year or less from the date the claims are incurred.

#### Effective date

The IASB issued an Exposure Draft Amendments to IFRS 17 during June 2019 and received comments from various stakeholders. The IASB is currently re-deliberating issues raised by stakeholders. The effective date of IFRS 17 and the deferral of the IFRS 9 temporary exemption in IFRS 4, is currently 01 January 2023. Earlier application is permitted if both IFRS 15 – Revenue from Contracts with Customers and IFRS 9 – Financial Instruments have also been applied. The Company intend to apply the standard on its effective date.

#### **Transition**

Retrospective application is required. However, if full retrospective application for a group of insurance contracts is impracticable, then the entity is required to choose either a modified retrospective approach or a fair value approach.

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

### b) Standards issued but not yet effective (continued)

#### IFRS 17 – Insurance Contracts (continued)

#### Presentation and Disclosures

The Company expects that the new standard will result in a change to the accounting policies for insurance contracts together with amendments to presentation and disclosures.

#### **Impact**

The Company is currently assessing the impact of the application and implementation of IFRS 17. As of the date of the publication of these financial statements, the financial impact of adopting the standard has yet to be fully assessed by the Company. The Company has undertaken a Gap Analysis and the key areas of Gaps are as follows:

Impact Area	Summary of Impact
Data impact and IT Systems	New chart of accounts to be developed for PAA/ GMM/VFA;
	Actuarial and accounting data will be needed at more granular level;
	• Discount rates will need to be stored for group of contracts and tracked for interest accretion calculation under GMM;
	Embedded risk adjustment calculation in the actuarial system;
	• Identification of key inputs for onerous contracts test as well as defining 'facts and circumstance' for PAA contracts;
	Calculation and tracking of contractual service margin; and
	Calculation of coverage period of risk attaching reinsurance contract.
Impact on RI Arrangements	• Insurance contract liabilities / assets is required to be reported gross of reinsurance and a separate reinsurance asset / liability shall be reported;
	• The cash flows (after factoring any expected credit loss) shall be reported gross (before reinsurance) and undiscounted; and
	• Cancellation clauses to be reviewed to assess the impact on measurement models
	relevant for these contracts.
Process Impact	• Finance, actuarial, underwriting and IT processes to be built suitable for IFRS 17
	together with new set of controls and governance framework;
	• New reconciliation processes to be put in place between accounting, actuarial and underwriting data sources;
	• Setting up new accounting policies each suitable for measurement model and technical decisions for each area;
	Monitor terms and conditions attaching to insurance and reinsurance contracts;
	• New expense allocation process acquisition costs, claims settlement costs and
	underwriting costs to be put in place to identify profitability at a contract level;
	• For recognition, advance premium receipts to be compared to contract receipt date;
	Cash receipts for premiums need to be tracked at policy level; and
	System to track coverage period for future products need to be put in place.
Impact on Policies & Control	New Steering committee for IFRS 17 needs to be put in place
Frameworks	Project plan for design and implementation to be set at activities level

### IFRS 9 - Financial Instruments

This standard was published on 24 July 2014 and has replaced IAS 39. The new standard addresses the following items related to financial instruments:

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

#### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### b) Standards issued but not yet effective (continued)

#### IFRS 9 - Financial Instruments (continued)

### Classification and measurement

IFRS 9 uses a single approach to determine whether a financial asset is measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss. A financial asset is measured at amortized cost if both:

- i) the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows and;
- ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding ("SPPI").

The financial asset is measured at fair value through other comprehensive income and realized gains or losses would be recycled through profit or loss upon sale, if both conditions are met:

- i) the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows and for sale and:
- ii) the contractual terms of cash flows are SPPI.

Assets not meeting either of these categories are measured at fair value through profit or loss. Additionally, at initial recognition, an entity can use the option to designate a financial asset at fair value through profit or loss if doing so eliminates or significantly reduces an accounting mismatch. For equity instruments that are not held for trading, an entity can also make an irrevocable election to present in other comprehensive income subsequent changes in the fair value of the instruments (including realized gains and losses), dividends being recognized in profit or loss.

Additionally, for financial liabilities that are designated as at fair value through profit or loss, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss.

#### **Impairment**

The impairment model under IFRS 9 reflects expected credit losses, as opposed to incurred credit losses under IAS 39. Under the IFRS 9 approach, it is no longer necessary for a credit event to have occurred before credit losses are recognized. Instead, an entity always accounts for expected credit losses and changes in those expected credit losses. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition.

### Hedge accounting

IFRS 9 introduces new requirements for hedge accounting that align hedge accounting more closely with Risk Management. The requirements establish a more principles-based approach to the general hedge accounting model. The amendments apply to all hedge accounting with the exception of portfolio fair value hedges of interest rate risk (commonly referred to as "fair value macro hedges"). For these, an entity may continue to apply the hedge accounting requirements currently in IAS 39. This exception was granted largely because the IASB is addressing macro hedge accounting as a separate project.

#### Effective date

The published effective date of IFRS 9 was 01 January 2018. However, amendments to IFRS 4 – Insurance Contracts: Applying IFRS 9 – Financial Instruments with IFRS 4 – Insurance Contracts, published on 12 September 2016, changes the existing IFRS 4 to allow entities issuing insurance contracts within the scope of IFRS 4 to mitigate certain effects of applying IFRS 9 before the IASB's new insurance contract standard (IFRS 17 – Insurance Contracts) becomes effective. The amendments introduce two alternative options:

- 1) apply a temporary exemption from implementing IFRS 9 until the earlier of
  - a) the effective date of a new insurance contract standard; or
  - b) annual reporting periods beginning on or after 01 January 2023. Additional disclosures related to financial assets are required during the deferral period. This option is only available to entities whose activities are predominately connected with insurance and have not applied IFRS 9 previously; or;
- 2) adopt IFRS 9 but, for designated financial assets, remove from profit or loss the effects of some of the accounting mismatches that may occur before the new insurance contract standard is implemented. During the interim period, additional disclosures are required.

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

### b) Standards issued but not yet effective (continued)

#### IFRS 9 - Financial Instruments (continued)

#### Effective date (continued)

The Company has performed a detailed assessment beginning 01 January 2017: (1) The carrying amount of the Company's liabilities arising from contracts within the scope of IFRS 4 (including deposit components or embedded derivatives unbundled from insurance contracts) were compared to the total carrying amount of all its liabilities; and (2) the total carrying amount of the company's liabilities connected with insurance were compared to the total carrying amount of all its liabilities. Based on these assessments the Company determined that it is eligible for the temporary exemption. Consequently, the Company has decided to defer the implementation of IFRS 9 until the effective date of the new insurance contracts standard. Disclosures related to financial assets required during the deferral period are included in the Company's financial statements.

#### Impact assessment

The impact is not expected to be significant. At present it is not possible to provide reasonable estimate of the effects of application of this new standard as the Company is yet to perform a detailed review.

#### 4. CASH AT BANKS

30 September 2020 (Unaudited)	Insurance operations SR '000	Shareholders' operations SR'000	Total SR'000

Bank AlJazira AlJazira Capital	913 4,830	28,176 2,191
	5,743	30,367

c) Contributions receivable shown in interim condensed statement of financial position includes SR 16 thousand (31 December 2019: SR 1,732 thousand) from Bank AlJazira (the founding shareholder).

### 13. ZAKAT AND INCOME TAX

The Zakat and income tax payable by the Company has been calculated in accordance with Zakat and income tax regulations in the Kingdom of Saudi Arabia. The movement in the Zakat and income tax payable during the nine month period ended 30 September 2020 and year ended 31 December 2019 is as follows:

a) Zakat
----------

	30 September 2020 (Unaudited) SR'000	31 December 2019 (Audited) SR'000
Balance at the beginning of period/year Zakat for the period/year Zakat paid during the period/year	982 978 (954)	907 947 (872)
Balance at the end of the period/year  b) Income tax	1,006	982
Balance at the beginning of period/year Income tax for the period/year Income tax paid during the period/year	128 101 (99)	132 100 (104)
Balance at the end of the period/year	130	128
Total Zakat and income tax	1,136	1,110

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

### 13. ZAKAT AND INCOME TAX (continued)

#### Status of assessments

The Company has submitted its Zakat and income tax returns for the years 2014 to 2018 with General Authority of Zakat and Tax ("GAZT") and obtained restricted certificates.

During 2019, GAZT has issued initial assessments for the years 2014 through 2018 disallowing investments from the Zakat base and withholding tax liability with additional Zakat liability of SR 41,166 thousand. The Company has filed an appeal against these initial assessments. The Preliminary Appeal Committee ("PAC") issued their decision upholding GAZT's treatment. The Company has filed an appeal against the PAC decision with the Higher Appeal Committee ("HAC"). The management is confident of a favourable outcome from the HAC.

#### 14. EARNINGS PER SHARE

The basic and diluted earnings per share have been calculated by dividing the net income for the period by the weighted average number of ordinary shares issued and outstanding at the period end.

#### 15. FAIR VALUES OF FINANCIAL INSTRUMENTS

a) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company's financial assets consist of cash at banks, contributions receivable, available for sale investments held to cover unit-linked liabilities, FVIS investments, held to maturity investments, other receivables, due from Insurance Operations and its financial liabilities consist of other liabilities, reinsurance balances payable and outstanding claims. The fair values of financial instruments are not materially different from their carrying values. As at 30 September 2020, apart from the investments which are carried at fair value (note 6 and 7), there were no other financial instruments held by the Company that were measured at fair value.

- b) The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments: Level 1: quoted prices in active markets for the same instrument (i.e. without modification or repackaging);
  - Level 2: quoted prices in active markets for similar assets and liabilities or other valuation techniques for which all significant inputs are based on observable market data; and
  - Level 3: valuation techniques for which any significant input is not based on observable market data.

The following table presents the Company's financial assets that are measured at fair values:

			30 September 2020 (SR'000) <u>Fair value (Unaudited)</u>		
	Carrying <u>value</u>	Amortised cost	Level 1	Level 2	<u>Total</u>
Financial assets measured at fair value:					
Available for sale investments held to cover unit-					
linked liabilities	1,236,968	-	-	1,236,968	1,236,968
Held to maturity investments	377,476	196,187	181,289	203,556	384,845
FVIS investments	99,021	-	3,063	95,958	99,021
Total	1,713,465	196,187	184,352	1,536,482	1,720,834

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

### 15. FAIR VALUES OF FINANCIAL INSTRUMENTS (continued)

				nber 2019 (SF <u>value (Audite</u>	
	Carrying <u>value</u>	Amortised cost	Level 1	Level 2	<u>Total</u>
Financial assets measured at fair value:					
Available for sale investments held to cover unit-					
linked liabilities	185,178	-	-	185,178	185,178
Held to maturity investments	383,417	198,264	185,153	197,948	383,101
FVIS investments	27,997	-	-	27,997	27,997
Total	596,592	198,264	185,153	411,123	596,276

There are no financial assets where fair value is measurable as Level 3 fair value.

There are no transfers between Level 1, Level 2 and Level 3 during the period.

#### 16. OPERATING SEGMENTS INFORMATION

Operating segments are reported in manner consistent with the internal reporting provided to the chief operating decision maker. The Chief Operating Decision Maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as Managing Director that makes strategic decisions. For management purposes, the activities of Insurance Operations, which are all in the Kingdom of Saudi Arabia, are reported under three business units, as detailed below:

Insurance – individual segment offers life insurance products on an individual basis including unit linked investment-oriented products.

Insurance – group life has segment offers life protection programmers to the members of organizations on a group basis, and credit protection benefits in respect of personal loan given by financing organization. This segment also includes protection benefits in respect of various credit facilities other than personal loans extended by the financing organizations to its customers.

The unallocated assets and liabilities are not reported to the Chief Operating Decision Maker under related segment and are monitored on a centralized basis.

Operating segments do not include Shareholders' Operations of the Company.

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued)

For the three month and nine month periods ended 30 September 2020

#### 18. IMPACT OF COVID 19

On 11 March 2020, the World Health Organisation ("WHO") declared the Coronavirus ("COVID-19") outbreak as a pandemic in recognition of its rapid spread across the globe. This outbreak has also affected the GCC region including the Kingdom of Saudi Arabia. Governments all over the world took steps to contain the spread of the virus. Saudi Arabia in particular has implemented closure of borders, released social distancing guidelines and enforced country wide lockdowns and curfews.

In response to the spread of the Covid-19 virus in the Kingdom of Saudi Arabia where the Company operates and its consequential disruption to the social and economic activities in the Saudi Arabia market, the Company's management has proactively assessed its impacts on its operations and has taken a series of proactive and preventative measures and processes to ensure:

- the health and safety of its employees and the wider community where it is operating; and
- the continuity of its business throughout the Kingdom is protected and kept intact.

As with any estimate, the projections and likelihoods of occurrence are underpinned by significant judgment and rapidly evolving situation and uncertainties surrounding the duration and severity of the pandemic, and therefore, the actual outcomes may be different to those projected. The impact of such uncertain economic environment is judgmental, and the Company will continue to reassess its position and the related impact on a regular basis.

To cater for any potential impacts, the Covid-19 pandemic may have had on the financial assets of the Company, the Company has performed an assessment in accordance with its accounting policy, to determine whether there is an objective evidence that a financial asset or a group of financial assets has been impaired. For debt financial assets, these include factors such as, significant financial difficulties of issuers or debtors, default or delinquency in payments, probability that the issuer or debtor will enter bankruptcy or other financial reorganization, etc.

Based on these assessments, the Company's management believes that the Covid-19 pandemic has had no material effects on Company's reported results for the three and nine month periods ended 30 September 2020. The Company's management continues to monitor the situation closely.

#### 19. APPROVAL OF THE INTERIM CONDENSED FINANCIAL STATEMENTS

These interim condensed financial statements have been approved by the Board of Directors on 17 Rabi Al Awal 1442H, corresponding to 3 November 2020.
