**Review report to the Directors of  
Ajman Bank PJSC**

**Introduction**

We have reviewed the accompanying interim condensed balance sheet of Ajman Bank PJSC ("the Bank") as of 30 June 2010 and the related interim condensed statement of comprehensive income, interim condensed statement of changes in equity and interim condensed statement of cash flows for the six month period then ended. Management is responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34 – Interim Financial Reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

**Scope of Review**

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 – Interim Financial Reporting.
