**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF TOURISM ENTERPRISE COMPANY (SHAMS)  
(A Saudi Joint Stock Company)**

1/1

**Introduction**

We have reviewed the accompanying interim condensed statement of financial position of Tourism Enterprise Company (Shams) (A Saudi Joint Stock Company) ("the Company") as at 30 September 2025, and the interim condensed statement of profit or loss and the other comprehensive income for the three-month and nine-month periods ended 30 September 2025, and the interim condensed statements of changes in shareholders' equity and cash flows for the nine-month period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

**Scope of Review**

We conducted our review in accordance with International Standards on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of interim financial information requires inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical procedures and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 that is endorsed in the Kingdom of Saudi Arabia.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) (continued)

At 30 September 2025

**2 BASIS OF PREPARATION (continued)**

**2.4 New standards, interpretations and amendments adopted by the Company**

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 31 December 2024, except for the adoption of new standards effective as of 1 January 2025. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

The Company has adopted the following relevant amendments to IFRS which are effective for periods beginning on and after 1 January 2025, and have no impact on the Company's transactions and balances for the current or prior periods:

Lack of exchangeability - Amendments to IAS 21

**3 SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS**

The preparation of the Company's interim condensed financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of asset or liability affected in future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

The significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual financial statements for the year ended 31 December 2024.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED) (continued)  
At 30 September 2025

**14 SEGMENT INFORMATION**

A segment is a distinguishable component of the Company that is engaged in managing Palm Beach Resort (a business segment) or in providing products or services within a particular economic environment (a geographic segment), which is subject to risks and rewards that are different from those of other segments.

The Board of Directors of the Company monitor the results of the Company's operations and have been identified as the Chief Operating Decision Maker (CODM). The net results of the Company are reported to the Board of Directors, for the Company as a whole. The various expenses which are included in the measurement of the net result for the Company are disclosed in the respective notes to the interim condensed financial statements.

The Company's activities are limited to managing Palm Beach Resort. The Company analyses the financial information of its operations as a whole. Accordingly, segmental analysis of the interim condensed statement profit or loss and other comprehensive income and interim condensed statement of financial position is not presented. The CODM considers the Company to be a single operating segment based on the nature of its operations and services as all of the Company's operations relate to one operating sector. In addition all of the Company's activities are concentrated in the Kingdom of Saudi Arabia. Consequently, the Company does not disclose business segments neither geographical segments.

**15 COMMITMENTS AND CONTINGENCIES**

The Company has various legal cases raised by various parties on the Company. The management believes that there is no significant exposure on the Company to incur additional losses as a result of the resolution of these cases beyond the provisions booked already by the Company in the previous periods.

**16 CAPITAL MANAGEMENT**

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximizing the return to the shareholders through the optimization of the equity balance. The Company's overall strategy remains unchanged from the previous year. The capital structure of the Company consists of equity comprising capital, the reserve and accumulated losses. The Company is not subject to any externally imposed capital requirements.

**17 FAIR VALUE MEASUREMENT**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date.

If the inputs used to measure the fair value of an asset or liability falls into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest input level that is significant to the entire measurement. There were no changes in the Company's valuation processes, valuation techniques, and types of inputs used in the fair value measurements during the period.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. There were no transfers between Levels 1, 2 or 3 during the nine-month period ended 30 September 2025 (31 December 2024: same).
