Taleem REIT

Quarterly Update - June 2019

WHO WE ARE

Taleem REIT is a Shariah compliant publicly traded closed-ended real estate investment fund that is established in Saudi Arabia under the Real Estate Investment Funds Regulations and the Real Estate Investment Traded Funds Instructions issued by the Capital Market Authority. The objective is to achieve periodic rental income by investing in income generating real estate assets and to distribute at least 90% of the annual net profit of the fund.

WHAT IS OUR STRATEGY

The fund has a diversified real estate portfolio of education and education –related assets, all of which generate current rental income. The fund can invest its assets in real estate development projects, provided the assets are not white lands. The fund manager acknowledges that the fund's investments are free of any systemic irregularities or major engineering defects that may prevent or cause non-utilization or non-operation of the assets and affect the safety of the assets or cause any costly reforms and/or major changes.

There are no fundamental, material or significant changes that affects the fund's function during the period.
