**INDEPENDENT AUDITOR'S REVIEW REPORT ON CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS**

To the shareholders of  
Saudi Paper Manufacturing Company  
(A Saudi Joint Stock Company)  
Dammam - Kingdom of Saudi Arabia

**Introduction**

We have reviewed the accompanying condensed consolidated interim statement of financial position of Saudi Paper Manufacturing Company (the "Company") and its subsidiaries (collectively referred to as the "Group") as of March 31, 2021, the related condensed consolidated interim statements of profit or loss and other comprehensive income, changes in equity and cash flows for the three months period then ended and notes, including a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with International Accounting Standard No. 34, "Interim Financial Reporting" ("IAS-34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

**Scope of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of condensed consolidated interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing as endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with "IAS 34" as endorsed in the Kingdom of Saudi Arabia.

**Emphasis of Matter**

We draw attention to Note 4 of these condensed consolidated interim financial statements which states that the management engaged a third party consultant for the review of impairment assessment of its property, plant and equipment as at December 31, 2020 based on which 0.95 million impairment loss was recognised during the year ended December 31, 2020 (December 31, 2019: nil). The assessment includes assumptions related to future sales volume, prices, annual growth rates, terminal growth rates, net realizable value, discount rates and other related factors. The outcome of these assumptions is highly dependent on the success of future operations and market conditions as estimated by management and achieving its plans in future. Management is confident of its ability to meet its future business plan and believes that the carrying value of property, plant and equipment as of March 31, 2021 will not exceed their recoverable amounts.

**2. BASIS OF PREPARATION**

**2.1 Statement of compliance**

The condensed consolidated interim financial statements for the three months period ended March 31, 2021 have been prepared in accordance with International Accounting Standard 34 - Interim Financial Reporting (“IAS 34”) as endorsed in the Kingdom of Saudi Arabia. The accompanying condensed consolidated interim financial statements do not include all the information and disclosures required in the annual consolidated financial statements, and hence should be read in conjunction with the Group’s annual consolidated financial statements for the year ended December 31, 2020.

## **2. BASIS OF PREPARATION (Continued)**

### **2.2 Preparation of the condensed consolidated interim financial statements**

These condensed consolidated interim financial statements are prepared under the historical cost convention, except where International Financial Reporting Standards (IFRS) require other measurement basis. The principal accounting policies adopted in the preparation of these condensed consolidated interim financial statements are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended December 31, 2020.

The preparation of these condensed consolidated interim financial statements in conformity with IFRS required management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts in the condensed consolidated interim financial statements. These critical accounting judgements and key sources of estimations were the same as those described in the last annual financial statements.

### **2.3 Functional and presentation currency**

These condensed consolidated interim financial statements are presented in Saudi Riyal (SR), which is the Group's functional and presentation currency.

## **3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following is a summary of significant accounting policies applied by the group.

### **3.1 Basis of consolidation**

These condensed consolidated interim financial statements incorporate the financial statements of the "Group" as detailed in note 1.1. Control is achieved when the Group:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the period are included in the consolidated statement of profit or loss and other comprehensive income from the date the Company gains control until the date when the Company ceases to control the subsidiary.

**NOTES TO THE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS (Continued)  
FOR THE THREE MONTHS PERIOD ENDED MARCH 31, 2021****3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)****3.1 Basis of consolidation (Continued)**

Condensed consolidated interim statement of profit or loss and each component of other comprehensive income are attributed to the shareholders of the Company and non- controlling interest. Total comprehensive income of subsidiaries is wholly attributed to the shareholders of the Company except the comprehensive income of Al – Juthoor subsidiary.

When necessary, adjustments are made to the condensed consolidated interim financial statements of subsidiaries to bring their accounting policies into line with the Group’s accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

**3.2 Changes in significant accounting policies***New standards, Amendments to standards and Interpretations*

There are no new standards issued, however, there are number of amendments to standards which are effective from January 1, 2021 and has been explained in Group’s annual Consolidated Financial Statements, but they do not have a material effect on the Group’s Condensed Consolidated Interim Financial Statements.

**4 PROPERTY, PLANT AND EQUIPMENT**

**4.1** The Group acquired fixed assets in three months period ended March 31, 2021 amounting to SR 4.5 million (period ended March 31, 2020: SR 2.3 million).

**4.2 Impairment on working plant and machinery**

The management engaged a third party consultant for the review of impairment assessment of its property, plant and equipment as at December 31, 2020 based on which 0.95 million impairment loss was recognised during the year ended December 31, 2020 (December 31, 2019: nil). The assessment includes assumptions related to future sales volume, prices, annual growth rates, terminal growth rates, net realizable value, discount rates and other related factors. The outcome of these assumptions is highly dependent on the success of future operations and market conditions as estimated by management and achieving its plans in future. Management is confident of its ability to meet its future business plan and believes that the carrying value of property, plant and equipment as of March 31, 2021 will not exceed their recoverable amounts.
