# Review report on condensed interim consolidated financial information to the board of directors of Dubai Islamic Insurance \& Reinsurance Co. (Aman) (P.J.S.C.) 

## Introduction

We have reviewed the accompanying condensed interim consolidated statement of financial position of Dubai Islamic Insurance \& Reinsurance Co (Aman) P.J.S.C. (the "Company") and its subsidiaries (the "Group") as at 31 March 2021 and the related condensed interim consolidated statement of income and condensed interim consolidated statement of comprehensive income for the three month period then ended, and the related condensed interim consolidated statements of changes in equity and cash flows for the three month period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of this condensed interim consolidated financial information in accordance with International Accounting Standard 34 Interim Financial Reporting. Our responsibility is to express a conclusion on this condensed interim consolidated financial information based on our review.

## Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34, "Interim Financial Reporting".

## Emphasis of matter

We draw attention to Note 23 to the condensed interim consolidated financial information, which describes that financial assets measured at fair value through other comprehensive income ( FVOCl ), with a total carrying value of AED 9.2 million at 31 March 2021 are still held in the name of the former Chief Executive Officer ("CEO") of the Company and entities controlled by him, for the beneficial interest of the Group. Our conclusion is not modified in respect of this matter.

PricewaterhouseCoopers

The accompanying notes on pages 9 to 30 form an integral part of this condensed interim consolidated financial information.

## Notes to the condensed interim consolidated financial information for the three month period ended 31 March 2021

## 1. General information

Dubai Islamic Insurance \& Reinsurance Company (Aman) (P.J.S.C.) (the "Company") is registered as a public shareholding company in Dubai, United Arab Emirates. The Company carries out general takaful, retakaful and life takaful business in accordance with the teachings of Islamic Sharia'a. The Company is also licensed to engage in retakaful and life Takaful business. The registered address of the Company is P.O. Box 157, Dubai, United Arab Emirates (UAE).

The Company obtained its commercial license on 12 March 2003 and commenced operations on 8 April 2003.
The Company issues short term takaful contracts in connection with motor, marine, fire and engineering, general accident and medical risks and life takaful risks. The Company also invests in investment securities and properties.

The Company's business activities are subject to the supervision of its Fatwa and Sharia'a Board (the "Board") consisting of three members appointed by the shareholders. The Board performs a supervisory role in order to determine whether the operations of the Company are conducted in accordance with Sharia'a rules and principles.

On 29 September 2020 the Board of Directors approved the resignation of Mr. Mubarak Matar Al Shamisi, and reconstituted the Board of Directors by electing Dr. Saleh Hashem Sayed Shareef Al Hashimi as Chairman, and Mr. Mohamed Omeir Yousuf Al Muhari as Vice Chairman.

The Company with its subsidiaries are together referred to as the "Group" in this condensed interim consolidated financial information. At 31 March 2021 and 2020, the Company had the following subsidiaries:

|  | Place of incorporation <br> (or registration) and <br> operation | Proportion of <br> ownership <br> profit <br> $\%$ | Proportion <br> of voting <br> power held <br> $\%$ | Principal activity |
| :--- | :--- | :--- | :--- | :--- |
| Name of subsidiary | United Arab Emirates | 100.00 | 100.00 | Investment in commercial, industrial <br> and agricultural enterprises and <br> management |
| Nawat Investments L.L.C. |  |  | Vehicles' repair services |  |

The Vice Chairman of the Group holds $1 \%$ of Nawat Investments L.L.C. and $1 \%$ of Technik Auto Service Centre Co. L.L.C on behalf and for the benefit of the Group.

Federal Decree Law No. (26) of 2020 which amends certain provisions of Federal Law No. (2) of 2015 on Commercial Companies was issued on 27 September 2020 and the amendments came into effect on 2 January 2021, however, some of the amended articles refer to further executive regulations to be issued. The Group is in the process of reviewing the new provisions and will apply the requirements thereof no later than one year from the date on which the amendments came into effect.

Federal Decree Law No. (24) of 2020 which amends certain provisions of the U.A.E. Federal Law No. 6 of 2007 on Establishment of Insurance Authority and Organization of its Operations was issued on 27 September 2020 and the amendments came into effect on 2 January 2021. Effective 2 January 2021, the Insurance Sector became under the supervision and authority of the UAE Central Bank.

The Group is in the process of implementing the related requirements to comply fully with the Financial Regulations and Circular No. (4) and (9) of 2016 concerning the report requirements for insurance companies operating in the UAE. This mainly includes preparation of the financial statements and disclosures based on Appendix (1) of the Financial Regulations as well as compliance with the solvency ratio requirements and single counter party exposure limits.

## Notes to the condensed interim consolidated financial information

for the three month period ended 31 March 2021 (continued)

## 2. Application of new and revised International Financial Reporting Standards ("IFRS")

New standards, amendments to published standards or IFRIC interpretations effective for the Group's accounting period beginning on 1 January 2021

| New and revised IFRSs | Effective for <br> annual periods <br> beginning on or <br> after |
| :--- | :---: |
| Amendment to IFRS 16, 'Leases' - Covid-19 related rent concessions | 1 June 2020 |
| As a result of the coronavirus (COVID-19) pandemic, rent concessions have been granted to |  |
| lessees. Such concessions might take a variety of forms, including payment holidays and deferral |  |
| of lease payments. On 28 May 2020, the IASB published an amendment to IFRS 16 that |  |
| provides an optional practical expedient for lessees from assessing whether a rent concession |  |
| related to COVID-19 is a lease modification. Lessees can elect to account for such rent |  |
| concessions in the same way as they would if they were not lease modifications. In many cases, |  |
| this will result in accounting for the concession as variable lease payments in the period(s) in |  |
| which the event or condition that triggers the reduced payment occurs. |  |$\quad$| Amendments to IAS 1 and IAS 8 on the definition of material |
| :--- |
| The Phase 2 amendments that were issued on 27 August 2020 address issues that arise from the |
| implementation of the reforms, including the replacement of one benchmark with an alternative |
| one. For instruments to which the amortised cost measurement applies, the amendments require |
| entities, as a practical expedient, to account for a change in the basis for determining the |
| contractual cash flows as a result of IBOR reform by updating the effective interest rate using |
| the guidance in paragraph B5.4.5 of IFRS 9. As a result, no immediate gain or loss is |
| recognised. This practical expedient applies only to such a change and only to the extent it is |
| necessary as a direct consequence of IBOR reform, and the new basis is economically |
| equivalent to the previous basis. Insurers applying the temporary exemption from IFRS 9 are |
| also required to apply the same practical expedient. IFRS 16 was also amended to require |
| lessees to use a similar practical expedient when accounting for lease modifications that change |
| the basis for determining future lease payments as a result of IBOR reform (for example, where |
| lease payments are indexed to an IBOR rate). |

There are no other IFRSs, IFRIC interpretations or amendments to standards that were effective for the first time for the financial year beginning 1 January 2021 that have had a material impact on the Group's condensed interim consolidated financial information.

New standards, amendments to published standards or IFRIC interpretations issued but not yet effective for the Group's accounting period beginning on 1 January 2021 and which have not been early adopted by the Group.

| New standards and significant amendments to standards applicable to the Group | Effective date |
| :--- | :---: |
| Amendments to IAS 1, Presentation of financial statements on classification of liabilities | 1 January 2022 |
| These narrow-scope amendments to IAS 1, 'Presentation of financial statements', clarify that <br> liabilities are classified as either current or non-current, depending on the rights that exist at the <br> end of the reporting period. Classification is unaffected by the expectations of the entity or <br> events after the reporting date (for example, the receipt of a waiver or a breach of covenant). <br> The amendment also clarifies what IAS 1 means when it refers to the 'settlement' of a liability. |  |

Notes to the condensed interim consolidated financial information for the three month period ended 31 March 2021 (continued)

## 2. Application of new and revised International Financial Reporting Standards ("IFRS") (continued)

New standards, amendments to published standards or IFRIC interpretations issued but not yet effective for the Group's accounting period beginning on 1 January 2021 and which have not been early adopted by the Group (continued)

| New standards and significant amendments to standards applicable to the Group | Effective date |
| :--- | :---: |

On 18 May 2017, the IASB finished its long-standing project to develop an accounting standard on insurance contracts and published IFRS 17, 'Insurance Contracts'. IFRS 17 replaces IFRS 4, which currently permits a wide variety of practices. IFRS 17 will fundamentally change the accounting by all entities that issue insurance contracts and investment contracts with discretionary participation features.

IFRS 17 requires a current measurement model, where estimates are re-measured in each reporting period. The measurement is based on the building blocks of discounted, probabilityweighted cash flows, a risk adjustment and a contractual service margin ("CSM") representing the unearned profit of the contract. A simplified premium allocation approach is permitted for the liability for the remaining coverage if it provides a measurement that is not materially different from the general model or if the coverage period is one year or less. However, claims incurred will need to be measured based on the building blocks of discounted, risk-adjusted, probability weighted cash flows.

For presentation and measurement, entities are required at initial recognition to disaggregate a portfolio (that is, contracts that are subject to similar risks and managed together as a single pool) into three groups of contracts: onerous; no significant risk of becoming onerous; and remaining contracts. Contracts that are issued more than one year apart should not be in the same group.

The standard applies to annual periods beginning on or after 1 January 2023, with earlier application permitted if IFRS 15 , 'Revenue from contracts with customers' and IFRS 9, 'Financial instruments' are also applied. Management anticipates that IFRS 17 will be adopted in the Group's consolidated financial statements on its application date.

An optional, simplified premium allocation approach (PAA) is permitted for the liability for the remaining coverage for short duration contracts, which are often written by non-life insurers. There is a modification of the general measurement model (GMM) called the 'variable fee approach' (VFA) for certain contracts written by life insurers where policyholders share in the returns from underlying items. When applying the variable fee approach, the entity's share of the fair value changes of the underlying items is included in the CSM. The results of insurers using this model are therefore likely to be less volatile than under the general model. The new rules will affect the financial statements and key performance indicators of all entities that issue insurance contracts or investment contracts with discretionary participation features.

Retrospective application is required. However, if full retrospective application for a group of insurance contracts is impracticable, then the entity is required to choose either a modified retrospective approach or a fair value approach. The Group expects that the new standard will result in a change to the accounting policies for insurance contracts and reinsurance, together with amendments to presentation and disclosures.

The Group expects that the adoption of IFRS 17 will have an impact on the amounts reported and disclosures made in this condensed interim financial information in respect of its insurance contracts issued and reinsurance contracts held. However, it is not practicable to provide a reasonable estimate of the effects of the application of this standard until the Group performs a detailed review post the design phase of implementation which is in progress.

Notes to the condensed interim consolidated financial information for the three month period ended 31 March 2021 (continued)

## 2. Application of new and revised International Financial Reporting Standards ("IFRS") (continued)

New standards, amendments to published standards or IFRIC interpretations issued but not yet effective for the Group's accounting period beginning on 1 January 2021 and which have not been early adopted by the Group (continued)

| New standards and significant amendments to standards applicable to the Group | Effective date |
| :--- | :---: |
| Amendments to IFRS 3, IAS 16, IAS 37 and some annual improvements on IFRS 1, IFRS | 1 January 2023 |
| 9, IAS 41 and IFRS 16 |  |
| Amendments to IFRS 3, 'Business combinations' updates a reference in IFRS 3 to the |  |
| Conceptual Framework for Financial Reporting without changing the accounting requirements |  |
| for business combinations. |  |
| Amendments to IAS 16, 'Property, plant and equipment' prohibits a company from deducting |  |
| from the cost of property, plant and equipment amounts received from selling items produced |  |
| while the company is preparing the asset for its intended use. Instead, a company will recognise |  |
| such sales proceeds and related costs in profit or loss. |  |
| Amendments to IAS 37, 'Provisions, contingent liabilities and contingent assets' specify which |  |
| costs a company includes when assessing whether a contract will be loss-making. |  |
| Annual improvements make minor amendments to IFRS 1, 'First-time Adoption of IFRS', IFRS |  |
| 9, 'Financial instruments', IAS 41, 'Agriculture' and the Illustrative Examples accompanying |  |
| IFRS 16, 'Leases'. |  |
| Amendments to IAS 1, Presentation of financial statements on classification of liabilities | 1 January 2022 |
| These narrow-scope amendments to IAS 1, 'Presentation of financial statements', clarify that |  |

Management anticipates that these new standards, interpretations and amendments will be adopted in the Group's condensed interim consolidated financial information as and when they are applicable and adoption of these new standards, interpretations and amendments, except for IFRS 17, is not expected to have a material impact on the condensed interim consolidated financial information of the Group in the period of initial application.

## Notes to the condensed interim consolidated financial information for the three month period ended 31 March 2020 (continued)

## 3. Summary of significant accounting policies

### 3.1 Basis of preparation

The condensed interim consolidated financial information of the Group is prepared in accordance with International Accounting Standard 34, Interim Financial Reporting, issued by the International Accounting Standard Board and also complies with the applicable requirements of the laws in the UAE. The condensed interim consolidated financial information has been prepared on the going concern basis applying the historical cost convention, except for financial assets measured at fair value through profit or loss, financial assets measured at fair value through other comprehensive income and investment property, which are carried at fair value. Historical cost is generally based on the fair value of the consideration given in exchange for assets.

The Group's condensed interim consolidated statement of financial position is not presented using a current / non-current classification. However, the following balances would generally be classified as current: Cash and cash equivalents, takaful receivables, financial assets at FVTOCI, financial assets at FVTPL, prepayments and other receivables, due from related parties, assets classified as held for sale, trade and other payables, takaful payables, due to bank, murabaha payable, due to related parties and liabilities directly associated with assets classified as held for sale. The following balances would generally be classified as non-current: property and equipment, investment property and statutory deposit. The following balances are of mixed nature (including both current and non-current portions): retakaful contract assets, deferred policy acquisition costs, takaful contract liabilities, policyholders' reserve and deferred discount.

The accounting policies, presentation and methods in this condensed interim consolidated financial information are consistent with those used in the audited consolidated financial statements for the year ended 31 December 2020. This condensed interim consolidated financial information does not include all the information required for full annual financial statements and should be read in conjunction with the Group's audited consolidated financial statements as at and for the year ended 31 December 2020.

In addition, results for the three month period ended 31 March 2021 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2021.

### 3.2 Financial risk management

The Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements as at and for the year ended 31 December 2020.

## 4. Judgements and estimates

The preparation of this condensed interim consolidated financial information requires management to make judgements, estimates and assumptions that effect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates. In preparing this condensed interim consolidated financial information, the significant judgements made by management in applying the accounting policies and the key sources of estimation uncertainty were the same as those that were applied to the consolidated financial statements as at and for the year ended 31 December 2020.

## Notes to the condensed interim consolidated financial information

 for the three month period ended 31 March 2021 (continued)5. Cash and bank balances

## 13. Legal reserve

In accordance with United Arab Emirates Federal Law No. (2) Of 2015, the Group has established a legal reserve by appropriation of $10 \%$ of the profit of the Company for each year, appropriated on an annual basis, until the reserve equals $50 \%$ of the paid-up share capital. This reserve is not available for distribution except as stipulated by the Law.

## Notes to the condensed interim consolidated financial information for the three month period ended 31 March 2021 (continued)

## 14. General reserve

The Group is required to transfer $10 \%$ of the profit of the Company for the year to a general reserve, appropriated on an annual basis, in accordance with its Articles of Association. The reserve is available for distribution by a resolution of the shareholders of the Group at an ordinary general meeting, on the recommendation of the Board of Directors.

## 15. Wakala fees and Mudarib's share

The Group manages the Takaful operations for the policyholders and charges 33\% (31 March 2020: 33\%) of the gross Takaful contributions net of fronting contribution as Wakala fees. In addition, the Group charges 2\% (31 March 2020: 2\%) on fronting contribution as Wakala fees and 100\% (31 March 2020: 100\%) on FWU Administrate fees. These Wakala fees rates were approved by the Group's Fatwa and Sharia'a Supervisory Board. The Group also manages the Policyholders' investment funds and is entitled to $25 \%$ ( 31 March 2020: 25\%) of net investment income earned by the policyholders' investment funds as the Mudarib's share. The Mudarib's share was AED 28,989 (31 March 2020: 340,375).

## 16. Investment income, net

$\left.\begin{array}{lrr} & \begin{array}{c}\text { Three month period ended } \\ \mathbf{3 1} \text { March } \\ \mathbf{2 0 2 1} \\ \text { AED }\end{array} & \begin{array}{r}\text { and } \\ \text { AED }\end{array} \\ \text { (Un-audited) }\end{array}\right)$

Investment income and losses are allocated amongst the shareholders and the policyholders on a pro rata basis. This allocation to policyholders is approved by the Group's Fatwa and Sharia'a Supervisory Board on an annual basis.

## 17. Basic and diluted earnings per share

Earnings per share is calculated by dividing profit attributable to the shareholders of the parent for the period by the weighted average number of shares outstanding during the period as follows:

|  | Three month period ended 31 March |  |
| :---: | :---: | :---: |
|  | 2021 (Un-audited) | $\begin{gathered} 2020 \\ \text { (Un-audited) } \end{gathered}$ |
| Profit for the period attributable to shareholders of the parent (in AED) | 6,401,272 | 3,188,292 |
| Weighted average number of shares outstanding during the period | 225,750,000 | 225,750,000 |
| Earnings per share (AED per share) | 0.028 | 0.014 |

Notes to the condensed interim consolidated financial information
for the three month period ended 31 March 2021 (continued)

## 18. Related party transactions

The Group enters into transactions with companies and entities that fall within the definition of a related party as contained in International Accounting Standard (IAS) 24: Related Party Disclosures. Related parties comprise companies and entities under common ownership and/or common management and control, their partners and key management personnel. Transactions with such related parties are made on substantially the same terms, as those prevailing at the same time for comparable transactions with external customers and parties. The significant balances outstanding at reporting date in respect of related parties included in the condensed interim consolidated financial information were as follows:

|  | As at 31 March 2021 (Un-audited) Other |  |  | As at 31 December 2020 (Audited)Other |  |  |

| (Un-audited) |  |  |

## 19. Segmental information

Operating segments are identified on the basis of internal reports about the components of the Group that are regularly reviewed by the Group's management in order to allocate resources to the segment and to assess its performance. Information reported to the Group's Board of Directors for the purpose of resource allocation and assessment of performance is based on the following strategic business activities:

- Takaful activities include the general, life and medical insurance business undertaken by the Group.
- Investment activities represent investment and cash management for the Group's own account.
- Others represent income and expense activities conducted by the subsidiaries and included in this consolidated financial report.
Dubai Islamic Insurance \& Reinsurance Co. (Aman) (P.J.S.C)

Three-month period ended 31 March 2020 (Un-audited)
29,811,492

## Notes to the condensed interim consolidated financial information for the three month period ended 31 March 2021 (continued)

## 20. Contingencies

(a) At reporting date, the Group has contingent liabilities in respect of bank and other guarantees arising in the ordinary course of business amounting AED 0.4 million (31 December 2020: AED 0.4 million).
(b) The Group, in common with other insurance companies, is involved as a defendant in a number of legal cases with other insurance, reinsurance and policyholders. A provision is made in respect of each individual case where it is probable that the outcome would result in a loss to the Group in terms of an outflow of economic resources and a reliable estimate of the amount of outflow can be made. The expected outcome of the cases is dependent on future legal proceedings.

## 21. Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Differences can therefore arise between book value under historical cost method and fair value estimates.

## (a) Fair value of financial instruments measured at amortised cost

The management considers that the carrying amounts of financial assets and financial liabilities recognised in this condensed interim consolidated financial information approximate their fair values.

## (b) Valuation techniques and assumptions applied for the purposes of measuring fair value

Valuation of financial instruments recorded at fair value, is based on quoted market prices and other valuation techniques.

The fair values of financial assets and financial liabilities are determined as follows:

- The fair values of financial assets and financial liabilities with standard terms and conditions and traded on active liquid markets are determined with reference to quoted market prices.
- The fair values of other financial assets and financial liabilities (excluding derivative instruments) are determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes for similar instruments.

## Fair value of the financial assets that are measured at fair value on a recurring basis

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

## Notes to the condensed interim consolidated financial information for the three month period ended 31 March 2021 (continued)

(b) Valation techniques and assumptions applied for the purposes of measuring fair value (continued)

Reconciliation of Level 3 fair value measurement of financial assets measured at FVTPL:

|  | $\begin{array}{r} 31 \text { March } \\ 2021 \\ \text { AED'000 } \\ \text { (Un-audited) } \end{array}$ | $\begin{array}{r} 31 \text { December } \\ 2020 \\ \text { AED’000 } \\ \text { (Audited) } \end{array}$ |
| :---: | :---: | :---: |
| Unit linked investments |  |  |
| At 1 January | 839,411 | 750,500 |
| Net change during the year (change in fair value and net investment/withdrawal) | 17,534 | 88,911 |
| At end of the period / year | 856,945 | 839,411 |
| Unquoted equity securities |  |  |
| At 1 January | 30,801 | - |
| Purchases during the year | - | 22,044 |
| Change in fair value during the year | $(10,536)$ | 8,757 |
| At end of the period / year | 20,265 | 30,801 |

The investments classified under Level 3 category have been fair valued based on information available for each investment. There are no financial liabilities which should be measured at fair value and accordingly no disclosure is made in the above table.

## 22. COVID 19 impact on the Group

The existence of novel coronavirus ("COVID-19") was confirmed in early 2020 and has spread across mainland China and beyond, causing disruptions to businesses and economic activity. There has been macro-economic uncertainty across all sectors of the economy due to the price and demand for oil, reduced economic activity, disruption to global supply chains and the potential postponement of large-scale events. The scale and duration of these developments remain uncertain but could impact the earnings, cash flow and financial condition of the Group and those of our counter parties. The Group is monitoring these metrics on a regular basis and will respond to any threats identified.

## COVID 19 impact on measurement of takaful contract liabilities

At the condensed interim consolidated statement of financial position date, the Group had 47 reported claims in relation to Covid- 19 which have been fully reflected in the condensed interim consolidated financial information. As at the date of the condensed interim consolidated statement of financial position, the Group have not been notified of any business interruption claims. The Group is monitoring the loss experience and has appropriately calculated its technical reserves as at 31 March 2021. The impact on life insurance was minimal as this point.

## COVID 19 impact on measurement of ECL

IFRS 9 framework requires the estimation of Expected Credit Losses ("ECL") based on current and forecast economic conditions. In order to assess ECL forecast under forecast economic conditions, the Group utilises a range of economic scenarios of varying severity, and with appropriate weightings, to ensure that ECL estimates are representative of a range of possible economic outcomes.

The Group had reviewed the potential impact of COVID 19 outbreak on the inputs and assumptions for IFRS 9 ECL measurement in light of available information. Overall, the COVID-19 situation remains fluid and is rapidly evolving at this point, which makes it challenging to reliably reflect impacts on the ECL estimates. Notwithstanding this, recognising that the outbreak is expected to have an impact on the macro-economic environment beyond reasonable doubt.

## Notes to the condensed interim consolidated financial information for the three month period ended 31 March 2021 (continued)

## 22. COVID 19 impact on the Group (continued)

## Impact on investment property and unquoted financial assets

The Group performed a detailed valuation for its investment property as of 31 December 2020 by internationally qualified valuation firms who apply RICS Valuation Global Standards in compliance with the UAE Financial Regulations for Insurance Companies issued by the CBUAE (formerly, IA). The Group also assessed the unquoted equity portfolio against latest available inputs. Accordingly, the Group believes the fair values reported for both unquoted investments and investment property reflect the current market conditions as of 31 March 2021.

## Liquidity management / Business continuity planning

The management had taken prudent measures and controls to ensure adequate liquidity of the Group to meet its obligations. The Group has established remote working plans to ensure continuous services to its customers The Group ensures that the outbreak of epidemic has not caused any significant distractions in policy issuance and claims processing. The Group will monitor the effects closely and will take all the adequate measures as required.

## 23. Significant matters

The former CEO of the Group resigned on 10 July 2013. The Group entered into an agreement with the former CEO on 9 July 2013 for the payment and / or transfer of certain investments that were held by him for the beneficial interest of the Group. As of 31 March 2021, investments with a total carrying value of AED 9.2 million which are still in his name, have not yet been transferred to the legal ownership of the Group. The Group has initiated legal proceedings in regard to the transfer of these assets which involves a degree of uncertainty as to the full and timely transfer of legal title. However, the Board of Directors is confident in the eventual transfer of legal title and therefore no adjustments to the carrying value of the assets are required.

The Group also had other assets held by an entity controlled by the former CEO on behalf of the Group which have since been disposed off without the Group's approval. The total value of these assets on the date of purchase was approximately AED 11 million. The Group has initiated legal proceedings in regard to the recovery of the said amount. The assets have been fully provided in the condensed interim consolidated statement of financial position as of 31 March 2021 and recognition of the contingent asset will only be made once the success of the legal action is certain.
