REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS

TO THE SHAREHOLDERS
NATIONAL GYPSUM COMPANY
(A SAUDI JOINT STOCK COMPANY)

REPORT ON THE REVIEW OF THE CONDENSED INTERIM FINANCIAL STATEMENTS FOR THE TREES MONTHS AND NINE MONTHS PERIOD ENDED SEPTEMBER 30, 2021

Introduction

We have reviewed the accompanying condensed interim statement of financial position of NATIONAL GYPSUM COMPANY (the "Company") as at September 30, 2021 and the related condensed interim statements of profit and loss and comprehensive income for the three-months and nine months periods ended September 30, 2021 and the condensed consolidated interim statements of changes in equity and condensed interim cash flows for the nine-month period then ended and condensed interim notes, comprising a summary of significant accounting policies and other explanatory notes from (1) to (18) ,which are considered an integral part of these condensed interim financial statements.

Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34"), as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity", as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, as endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed nterim financial statements do not present fairly, in all material respects ,in accordance with Standard International Accounting No. (34) as endorsed in the Kingdom of Saudi Arabia.

Other matters related to comparative figures

The company's condensed interim financial statements for the three months period ended March 31, 2021 were reviewed by another auditor who expressed an unmodified conclusion on these interim condensed financial statements dated 17 May 2021 (corresponding to 5 ShwaalH1442). Also, the financial statements for the year ended December 31,2020 were audited by another auditor who expressed an unmodified opinion on the consolidated financial statements dated 29 March 2021 (corresponding to 16 Shabaan 1442H)

2. Basis of preparation of the condensed interim financial statements

A) Basis of preparation

The condensed interim financial statements for the three months ended March 31, 2021 and the three months period ended June 30,2021 have been prepared in accordance with IAS 34 Interim Financial Reporting as adopted in the Kingdom of Saudi Arabia as well as other standards and announcements endorsed by the Saudi Organization for Chartered and Professional Accountants (SOCPA).

These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements, and accordingly should be read in conjunction with the company's annual financial statements as at December 31, 2020,

Notes to the condensed interim financial statements for the nine months period ended September 30, 2021 (unaudited)

2. Basis of preparation... (Continued(

B) Basis of measurement

These condensed interim financial statements have been prepared on the historical cost basis except for employees' defined benefits obligations, which are measured at present value using the projected unit credit method, and investments at fair value through other comprehensive income.

In addition, these interim condensed financial statements are prepared using the accrual basis of accounting and the going concern principle.

C) Significant accounting estimates and assumptions

The preparation of the condensed interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenues, expenses, and the accompanying disclosures and the disclosure of contingent liabilities at the reporting date.

Although these estimates and judgments are based on the best information available to management about current operations and events, actual results may differ from these estimates. Significant judgments made by management in applying the Company's accounting policies and the main sources of estimation uncertainty are consistent with those applied to the financial statements for the year ended December 31, 2020

D) Functional and presentation currency

These financial statements' items are presented in Saudi Arabian Riyals "SR" which is the functional and presentation currency of the company.

3. Significant accounting policies

The accounting policies applied to these interim condensed financial statements are the same as those applied to the financial statements for the financial year ended December 31, 2020. There are a number of amendments to the standards effective as of January 1, 2021, but they do not have a material impact on the interim condensed financial statements.

9. Fair value of financial instruments

Fair value is the value at which an asset is exchanged or a liability settled between willing parties that are willing and interesting to transact on the same terms and bases adopted in dealing with other parties. Since the company's

financial statements are prepared on the basis of the historical cost method, differences may result between the book value and fair value estimates. Management has assessed that, the fair values of the company's financial assets and liabilities approximate their book balances, to a large extent due to the fact that the maturity dates of these financial instruments are short-term.

10- Risk management Credit risk

Credit risk represents the inability of one party to meet its obligations, which leads to the other party incurring a financial loss. The company is committed to managing the credit risks related to customers by setting credit limits for each customer and monitoring the outstanding receivables.

Liquidity risk

Liquidity risk represents the difficulties encountered by the company in raising funds to meet commitments related to financial instruments. Liquidity risk arises from the inability to sell a financial asset quickly at an amount equal to its fair value.

The company manages risk related with liquidity by maintaining cash balances with banks and ensuring that they can obtain sufficient facilities, if necessary, to cover their short-term obligations on an ongoing basis.

Currency risk

Currency risk represents the risk resulting from the fluctuation in the value of financial instruments as a result of changes in foreign exchange rates. The Company is subject to fluctuations in foreign exchange rates during its normal business cycle. The company did not perform any significant transactions in currencies other than the Saudi Riyal, the US dollar and the euro during the period.
