About Saudi German Health

Saudi German Health at a Glance

Middle East Healthcare Company (MEAHCO), publicly known as Saudi German Health (SGH), is a leading healthcare provider in Saudi Arabia. Building on a long family legacy as medical pioneers in the Kingdom, Saudi German Health was founded by the Batterjee family 35 years ago to relieve people's suffering and have a positive impact on their health.

In 1988, Eng. Sobhi Batterjee, Chairman of Saudi German Health, and Dr. Khalid Batterjee, Vice President of Saudi German Health, established the first hospital in Jeddah and collaborated with German University Hospitals to bring advanced German healthcare standards and expertise to the local community for the first time in the Kingdom of Saudi Arabia. These associations inspired the 'German' in our name.

Since then, MEAHCO has been expanding and growing its presence organically on firm footing. MEAHCO is the most geographically diverse healthcare player in Saudi Arabia with a total licensed capacity of c.1.8k beds and a comprehensive network of 8 full-fledged hospitals in Jeddah, Asser, Riyadh, Madinah, Hail, Dammam, and Makkah, enabling it to access ~90% of the Kingdom's population.
