3 pillars of sustainability

Environmental

- Only operate cars that received an excellent plus rating
- Only use carbon neutral lubricants for our cars
- Reduced the petrol engine oil consumption to 258,000 liters in 2017,
- a drop of 56%
- 32.98% of our fleet's average fuel consumption is between 18 up to 20km per liter
- Plans to reach a hybrid percent of 30% in all operating cars by 2025
- An automobile car wash foam machine that has a tank capacity of 50 to 100 liters of water. It is sufficient to wash up to 20 cars which helps in water conservation

Social

- Budget Al-Ataa was launched in 2020, as
- a brand to express our values
- "I can fly" initiative which catered for children with disabilities in 2019
- Partnership with Al-Irada to provide customers with the opportunity to donate during the payment process
- Co-operation with Al-Atta and Al-Irada achieved a world record for receiving the highest number of text messages within one hour
- Proud to sponsor International Women's Day in cooperation with Atheer Radio Panorama in 2020

Economic

- UTIC's operation depends on longterm contracts which consist of 70% of the business. That helped during the pandemic where Budget's long-term contracts were not affected
- During the pandemic, our long-term contracts showed growth in sales and profits due to the high demand from delivery apps and shipping companies
- UITC has been chosen to be part of the Shareek program based on its investment capabilities, business growth, and future vision which is parallel to the 2030 vision
