Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Yanbu Cement Company, a Saudi Joint Stock Company ("the Company" or "the Parent Company") and its Subsidiary (collectively referred to as "the Group") as at 31 March 2023, and the related interim condensed consolidated statement of profit or loss and other comprehensive income, changes in shareholders' equity and cash flows for the three-month period then ended and a summary of significant accounting policies and other explanatory notes from 1 to 18. Management is responsible for the preparation and presentation of these interim condensed consolidated financial information in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34"), as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial information based on our review.

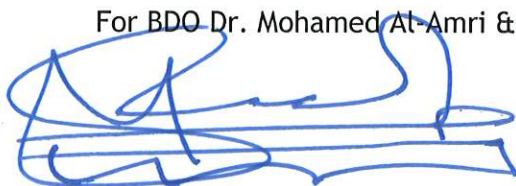

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", as endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily to the persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, as endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information are not prepared, in all material respects, in accordance with IAS 34, as endorsed in the Kingdom of Saudi Arabia.
