Report on review of condensed consolidated interim financial statements

To the Shareholders of Amlak International Finance Company
(A Saudi Joint Stock Company)

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of Amlak International Finance Company ("Saudi Joint Stock Company") and its subsidiary (together the "Group") as at 30 September 2025 and the related condensed consolidated interim statements of profit or loss, comprehensive income for the three-month and nine-month periods then ended, and the related condensed consolidated interim statements of changes in equity and cash flows for the nine-month period then ended and other explanatory notes (the "condensed consolidated interim financial statements").

The Board of Directors is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" (IAS 34), as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", as endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, as endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with IAS 34, as endorsed in the Kingdom of Saudi Arabia.

4030171680	24/07/1428	Jeddah

The Company has the following subsidiary:

Name of the subsidiary	Registration Number	Country of incorporation	Ownership	Principal business activity
Amlak International for Real Estate Development Company	1010317413	Saudi Arabia	100%	Hold titles of real estate properties financed by Amlak International Finance Company

These condensed consolidated interim financial statements comprise the interim financial information of the Company and its subsidiary (Amlak International for Real Estate Development Company) together hereinafter referred to as the Group.

2 BASIS OF PREPARATION

(a) Statement of compliance

The condensed consolidated interim financial statements of the Group as at and for the period ended 30 September 2025, have been prepared in accordance with International Accounting Standard 34 - Interim Financial Reporting (IAS 34), as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (SOCPA).

These condensed consolidated interim financial statements do not include all the information and disclosures required in the annual consolidated financial statements and should be read in conjunction with the Group's annual audited consolidated financial statements for the year ended 31 December 2024.

(b) Basis of measurement

These condensed consolidated interim financial statements have been prepared on a going concern basis under the historical cost convention except for the measurement of investments and derivatives, which are carried at fair value. Further, employees' end of service benefits are measured at present value of future obligations using the Projected Unit Credit Method.

(c) Functional and presentation currency

These condensed consolidated interim financial statements are presented in Saudi Arabian Riyals (SR), as it is the functional currency of the Group. All financial information presented has been rounded-off to the SR in thousand unless otherwise stated.

3 MATERIAL ACCOUNTING POLICIES

The accounting policies used in the preparation of these condensed consolidated interim financial statements are consistent with those followed in the preparation of the Group's annual audited consolidated financial statements for the year ended 31 December 2024 unless otherwise stated.

4 IMPACTS OF CHANGES DUE TO ADOPTION OF NEW STANDARDS

New standards, interpretations and amendments adopted by the Group

Following standard, interpretation or amendment are effective from the current year and are adopted by the Group, however, these does not have any impact on the condensed consolidated interim financial statements of the Group:

Standard, Interpretation, amendments	Description	Effective date
Amendment to IAS 21 – Lack of exchangeability	IASB amended IAS 21 to add requirements to help in determining whether a currency is exchangeable into another currency, and the spot exchange rate to use when it is not exchangeable. Amendment sets out a framework under which the spot exchange rate at the measurement date could be determined using an observable exchange rate without adjustment or another estimation technique.	1 January 2025

Accounting standards issued but not yet effective

The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Standard / Interpretation	Description	Effective from periods beginning on or after
Amendments to IFRS 10 and IAS 28- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Partial gain or loss recognition for transactions between an investor and its associate or joint venture only apply to the gain or loss resulting from the sale or contribution of assets that do not constitute a business as defined in IFRS 3 Business Combinations and the gain or loss resulting from the sale or contribution to an associate or a joint venture of assets that constitute a business as defined in IFRS 3 is recognized in full.	Effective date deferred indefinitely
Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures	Under the amendments, certain financial assets including those with ESG-linked features could now meet the SPPI criterion, provided that their cash flows are not significantly different from an identical financial asset without such a feature. The IASB has amended IFRS 9 to clarify when a financial asset or a financial liability is recognized and derecognized and to provide an exception for certain financial liabilities settled using an electronic payment system.	1 January 2026
Contracts referencing Nature-dependent Electricity Amendments to IFRS 9 and IFRS 7	Contracts Referencing Nature-dependent Electricity amends IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures to more faithfully reflect the effects of contracts referencing nature-dependent electricity on an entity's financial statements.	1 January 2026
Annual improvements to IFRS – Volume 11	Annual improvements are limited to changes that either clarify the wording in an Accounting Standard or correct relatively minor unintended consequences, oversights or conflicts between the requirements in the Accounting Standards. The 2024 amendments are to the following standards: IFRS 1 First-time Adoption of International Financial Reporting Standards; IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7; IFRS 9 Financial Instruments; IFRS 10 Consolidated Financial Statements; and IAS 7 Statement of Cash Flows.	1 January 2026
IFRS 18, Presentation and Disclosure in Financial Statements	IFRS 18 provides guidance on items in statement of profit or loss classified into five categories: operating; investing; financing; income taxes and discontinued operations. It defines a subset of measures related to an entity's financial performance as 'management-defined performance measures' ('MPMs'). The totals, subtotals and line items presented in the primary financial statements and items disclosed in the notes need to be described in a way that represents the characteristics of the item. It requires foreign exchange differences to be classified in the same category as the income and expenses from the items that resulted in the foreign exchange differences.	1 January 2027
IFRS 19, Subsidiaries without Public Accountability: Disclosures	IFRS 19 allows eligible subsidiaries to apply IFRS Accounting Standards with the reduced disclosure requirements of IFRS 19. A subsidiary may choose to apply the new standard in its consolidated, separate or individual financial statements provided that, at the reporting date, it does not have public accountability and its parent produces consolidated financial statements under IFRS Accounting Standards.	1 January 2027

19 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability

19 FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

The principal or the most advantageous market must be accessible to the group. Financial instruments comprise financial assets and financial liabilities. Financial assets consist of cash and cash equivalents, investments, derivatives, Murabaha, Ijara and Ijara mawsofa fi athemmah receivables and other receivables. Financial liabilities consist of borrowings, payables and derivatives.

Fair value hierarchy

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amount and fair values of financial assets and financial liabilities where fair value is different from carrying value or where the financial assets and liabilities are recorded at fair value, including their levels in the fair value hierarchy.

The valuation of fixed rate Murabaha receivables, Ijara receivables and Ijara mawsofa fi athemmah receivables are estimated using contractual cash flows discounted at latest yield, which is the contracted profit rate for recent transactions. Input into the discounted cash flow technique includes recent yields and contractual cash flows. Management assessed that the carrying amount of other financial instruments largely approximate fair value due to either short-term maturities or re-pricing of the special commission on those instruments and these financial instruments are classified as level 3. There have been no transfers to and from any levels during the period.
