INDEPENDENT AUDITOR'S REPORT ON REVIEW OF CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

To the Shareholders of Saudi Marketing Company (Farm Superstores) (A Saudi Joint Stock Company)

Introduction

We have reviewed the accompanying condensed consolidated interim financial statements of Saudi Marketing Company (Farm Superstores) and its subsidiary (collectively referred to as "the Group") which comprises the condensed consolidated interim statement of financial position as at September 30, 2022, the condensed consolidated interim statement of profit or loss and other comprehensive income for the three months and nine months periods ended September 30, 2022, condensed consolidated interim statements of changes in equity and cash flows for the nine months period then ended and other explanatory notes. Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with International Accounting Standard 34 – ("IAS 34") "Interim Financial Reporting" endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", endorsed in the Kingdom of Saudi Arabia. A review of condensed consolidated interim financial statements consists of making inquiries, primarily of the persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with IAS 34 endorsed in the Kingdom of Saudi Arabia.

7. ZAKAT

Status of assessments

The Company has finalized its Zakat assessments for years from 2009 to 2012 with the Zakat, Tax and Customs Authority (ZATCA). The declarations / returns for the years from 2013 to 2021 have been submitted to ZATCA.

During 2020, ZATCA raised assessments of Zakat for the years from 2014 to 2018 claiming additional Zakat liability which was initially SR 15.6 million and then reduced to SR 13.5 million. Further, in 2020, the Company also received an assessment of VAT for the years 2018 and 2019 amounted to SR 35.5 million excluding penalties.

In 2021, the Company received another Zakat assessment for the years 2019 and 2020 claiming additional Zakat liability aggregated to SR 21 million. In addition, the Company also received assessment for excise tax for the years 2017 to 2021 claiming additional tax liability of SR 0.6 million.

The Company, with an assistance of an external consultant, has filed its appeals against these assessments within the statutory timelines and all of these cases have been escalated to the General Secretariat of Zakat Tax and Customs Committees (GSTC).

On April 12, 2022, the GSTC has issued decision to reduce the amount of VAT liability from SR 35.5 million to SR 4.1 million excluding penalties for which the management has re-appealed. Further, on May 18, 2022, the GSTC has issued decision to reduce the amount of Zakat liability from SR 13.5 million to SR 2.7 million (related to the years from 2014 to 2018) for which the management has already re-appealed.

During October 2022, GSTC has rejected the Company's position against the zakat assessment for the years 2019 and 2020. The management is in the process of re-appealing against aforesaid zakat assessment.

Based on the opinion of the external consultant, the Company has strong grounds to defend and thereby, management is not expecting a material liability on these matters.
