FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2023

<b>INDEX</b>	<b>PAGE</b>
Independent auditor's report	1-4
Statement of financial position	5
Statement of comprehensive income	6
Statement of changes in equity attributable to the Unitholders	7
Statement of cash flows	8
Notes to the financial statements	9-28

## *Independent auditor's report to the Unitholders and Fund Manager of Taleem REIT Fund*

### *Our opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of Taleem REIT Fund (the "Fund") as at 31 December 2023, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards, that are endorsed in the Kingdom of Saudi Arabia, and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (SOCPA).

### **What we have audited**

The Fund's financial statements comprise:

- the statement of financial position as at 31 December 2023;
- the statement of comprehensive income for the year then ended;
- the statement of changes in equity attributable to the Unitholders for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, comprising material accounting policy information and other explanatory information.

### *Basis for opinion*

We conducted our audit in accordance with International Standards on Auditing, that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Independence**

We are independent of the Fund and Fund Manager in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards), endorsed in the Kingdom of Saudi Arabia (the "Code"), that is relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements.

### *Our audit approach*

#### **Overview**

<b>Key Audit Matters</b>	Valuation of investment properties
--------------------------	------------------------------------

As part of designing our audit, we determined materiality and assessed the risks of material misstatement in the financial statements. In particular, we considered where Fund Manager made subjective judgments; for example, in respect of significant accounting estimates that involved making assumptions and considering future events that are inherently uncertain. As in all of our audits, we also addressed the risk of management override of internal controls, including among other matters consideration of whether there was evidence of bias that represented a risk of material misstatement due to fraud.

We tailored the scope of our audit in order to perform sufficient work to enable us to provide an opinion on the financial statements as a whole, taking into account the structure of the Fund, the accounting processes and controls, and the industry in which the Fund operates.

## *Independent auditor's report to the Unitholders and Fund Manager of Taleem REIT Fund (continued)*

### **Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

<b>Key audit matter</b>	<b>How our audit addressed the Key audit matter</b>
<p>Valuation of investment properties</p> <p>As at 31 December 2023, the carrying value of the Fund's investment properties were SR 706.6 million.</p> <p>The investment properties are stated at cost less accumulated depreciation and accumulated impairment, if any. The fair value of the investment properties is provided as a disclosure.</p> <p>For assessing the impairment of investment properties and to provide fair values for the required disclosure, the Fund manager engages two independent external certified property valuers to perform a valuation of the Fund's investment properties on a semi-annual basis.</p> <p>We considered this as a key audit matter as the external valuation used for the impairment assessment and disclosure requires significant assumptions and judgments and the potential impact of impairment if any, could be material to the financial statements.</p> <p>Refer to Note 4 and Note 5 to the accompanying financial statements for accounting policy of investment properties and accounting judgments and Notes 9 and 19 for related disclosure of investment properties.</p>	<p>We have carried out the following audit procedures:</p> <ul style="list-style-type: none"><li>• We obtained the valuation reports prepared by the two external valuers as at 31 December 2023 and assessed the recoverable amount of investment properties;</li><li>• We assessed the qualification and expertise of external valuers appointed by the Fund for the valuation of the investment properties;</li><li>• We assessed the independence of the external valuers and read their terms of engagement with the Fund to determine whether there were any matters that might have affected their objectivity or may have imposed scope limitations on their work;</li><li>• We carried out procedures to consider the accuracy of information supplied to the external valuers by Fund Manager;</li><li>• We involved our experts to assist us in assessing the reasonableness of the valuation methodology, assumptions and estimates used in deriving the valuation, on a sample basis;</li><li>• We reconciled the average fair value of the investment properties as appearing in Note 18 of the accompanying financial statements to the external valuers' report; and</li><li>• We assessed the adequacy of disclosures included in the financial statements.</li></ul>

### **Other information**

Fund Manager is responsible for the other information. The other information comprises the information included in the Fund's Annual Report, but does not include the financial statements and our auditor's report thereon, which is expected to be made available to us after the date of this auditor's report.

## *Independent auditor's report to the Unitholders and Fund Manager of Taleem REIT Fund (continued)*

---

### *Other information (continued)*

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Fund's Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

---

### *Responsibilities of Fund Manager and those charged with governance for the financial statements*

Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards, that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by SOCPA, and the applicable provisions of the Real Estate Investment Funds Regulations issued by the Capital Market Authority, the Fund's terms and conditions, and for such internal control as Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, i.e. the Fund Board, is responsible for overseeing the Fund's financial reporting process.

---

### *Auditor's responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing, that are endorsed in the Kingdom of Saudi Arabia, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

## *Independent auditor's report to the Unitholders and Fund Manager of Taleem REIT Fund (continued)*

### *Auditor's responsibilities for the audit of the financial statements (continued)*

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fund Manager's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Fund Manager.
- Conclude on the appropriateness of Fund Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

TALEEM REIT FUND  
(Managed by Saudi Fransi Capital Company)

---

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

**1. THE FUND AND ITS ACTIVITIES**

Taleem REIT Fund (the “REIT” or the “Fund”) is a closed-ended Shariah compliant real estate investment traded fund denominated in Saudi Riyals established based on an agreement between Saudi Fransi Capital Company (the “Fund Manager”) and investors (the “Unitholders”). The Fund commenced its operations on 4 Ramadan 1438H (corresponding to 30 May 2017) (“Commencement Date”), which is the first day of the listing of Taleem REIT Fund on the Saudi Exchange (“Tadawul”). The address of the Fund Manager is as follows:

Saudi Fransi Capital Company  
P.O. Box 23454  
Riyadh 11426  
Kingdom of Saudi Arabia

The duration of the Fund is ninety-nine years from the date of commencement of operations and can be extended at the sole discretion of the Fund Manager after the approval of the Fund’s Board and the Capital Market Authority (“CMA”).

The Fund’s primary investment objective is to invest in constructed and developed real estate which is qualified to generate periodic return and rental income and to distribute ninety percent of the Fund’s net profit as dividends to the unitholders at least annually. The Fund can borrow Shariah compliant funds up to 50% of the value of its total assets.

The terms and conditions of the Fund have been approved by the CMA on 12 Sha’aban 1438H (corresponding to 8 May 2017). The terms and conditions have been updated on 15 Rabi’ II 1445H (corresponding to 30 October 2023).

The Fund Manager of the Fund is Saudi Fransi Capital Company and KASB Capital is the Custodian for the Fund.

**2. REGULATORY AUTHORITY**

The Fund is governed by the Real Estate Investment Fund Regulations (REIFR) (the “Regulations”) issued by the Board of CMA dated 19/6/1427 corresponding to 15/7/2006 amended by the Board of CMA dated 12/7/1442H corresponding to 24/2/2021G effective from 19/9/1442H (corresponding to 1/5/2021) the New Regulations (“Amended Regulations”) published by the CMA on 19/7/1442H (corresponding to 1/3/2021) detailing requirements for all type of real estate funds and traded real estate funds within the Kingdom of Saudi Arabia.

**3. BASIS OF PREPARATION**

**3.1 Statement of compliance**

These financial statements have been prepared in accordance with International Financial Reporting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are issued by the Saudi Organisation for Chartered and Professional Accountants (“SOCPA”).

Assets and liabilities in the statement of financial position are presented in the order of liquidity.

An analysis in respect of recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 20.

**3.2 Basis of measurement**

These financial statements are prepared under the historical cost convention, using the accrual basis of accounting.

**3.3 Functional and presentation currency**

These financial statements have been presented in Saudi Arabian Riyal (“SR”), which is also the functional currency of the Fund. All financial information presented has been rounded to the nearest Saudi Riyal (“SR”).

## TALEEM REIT FUND

(Managed by Saudi Fransi Capital Company)

---

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

#### 4. MATERIAL ACCOUNTING POLICIES

The material accounting used in the preparation of these financial statements are stated below. These have been consistently applied to all years presented unless otherwise stated.

##### *Cash and cash equivalents*

Cash and cash equivalents include balances maintained with Banque Saudi Fransi. (Parent of the Fund Manager) and overdraft.

##### *Financial instruments*

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

##### *Initial recognition*

The Fund records financial asset or a financial liability in its statement of financial position when, and only when, it becomes party to the contractual provisions of the instrument.

At initial recognition, financial assets or financial liabilities are measured at their fair value. In the case of financial assets or financial liabilities not at fair value through profit or loss, its fair value less transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability is the initial recognition amount. For financial assets and financial liabilities at FVTPL, the transaction costs are expensed in the statement of comprehensive income.

##### *Classification*

The Fund classifies its financial assets under the following categories:

- Fair value through profit or loss (FVTPL);
- Fair value through other comprehensive income (FVTOCI); and
- Amortised cost.

These classifications are on the basis of business model of the Fund for managing the financial assets, and contractual cash flow characteristics.

The Fund measures financial asset at amortised cost when it is within the business model to hold assets in order to collect contractual cash flows, and contractual terms of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Any income generated from these financial assets is recognized using effective interest method.

For assets measured at fair value, gains and losses will either be recorded in either profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Fund has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Fund classifies all financial liabilities as subsequently measured at amortised cost except for financial liabilities at fair value through profit or loss.

The undiscounted amount of the financial liabilities appearing in statement of financial position approximates their carrying values at the reporting date due to short duration except for borrowings from bank, which have been measured at amortised cost.

Currently cash and cash equivalent, net investment in finance lease, due from a related party, other assets, management fee payable, accrued expenses and other liabilities, borrowing from a bank are carried at amortised cost.

##### *Derecognition of financial instruments*

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Fund's statement of financial position) when:

- The rights to receive cash flows from the asset have expired; or
- The Fund has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Fund has transferred substantially all the risks and rewards of the asset, or (b) the Fund has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

## TALEEM REIT FUND

(Managed by Saudi Fransi Capital Company)

---

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

#### 4. MATERIAL ACCOUNTING POLICIES (CONTINUED)

##### *Financial instruments (continued)*

##### *Derecognition of financial instruments (continued)*

When the Fund has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Fund continues to recognise the transferred asset to the extent of the Fund's continuing involvement. In that case, the Fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Fund has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Fund could be required to repay.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

##### *Offsetting of financial instruments*

Financial assets and financial liabilities are offset, and the net amount reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

##### *Impairment of financial assets*

The Fund assesses on a forward-looking basis the Expected Credit Losses ("ECL") associated with its financial assets, carried at amortised cost, the ECL is based on a 12-month ECL and lifetime ECL. The 12-month ECL is the portion of lifetime ECLs that results from default events on a financial instrument that are possible within 12 months after the reporting date. However, when there has been a significant increase in credit risk since origination, the allowance will be based on the lifetime ECL.

##### *Fair value measurement*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits from the asset's highest and best use or by selling it to another market participant that would utilise the asset in its highest and best use.

The Fund uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

## TALEEM REIT FUND

(Managed by Saudi Fransi Capital Company)

---

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

#### 4. MATERIAL ACCOUNTING POLICIES (CONTINUED)

##### *Fair value measurement (continued)*

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This is described, as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the Fund determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Fund analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Fund's accounting policies.

The Fund also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Fund has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

##### *Investment properties*

Real estate that is held for capital appreciation or/and rental yields is presented as an investment property.

Investment properties are stated at cost less accumulated depreciation and accumulated impairment, if any. Depreciation is computed using the straight-line method. The cost less residual value of investment property is depreciated over its estimated useful life. Any capital expenditure incurred post-acquisition on investment properties is depreciated on straight line basis over its estimated useful life.

The carrying values of investment properties are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount, being the higher of their fair value less costs to sell and their value in use.

##### *Net investment in finance lease*

Net investment in finance lease includes gross investment in finance lease and unearned income.

Gross investments in finance lease include the total of future lease payments on finance leases (lease receivables), plus estimated residual amounts receivable. The difference between the lease receivables and the cost of the leased asset is recorded as unearned lease finance income and for presentation purposes, is deducted from the gross investment in finance leases.

##### *Impairment of non-financial asset*

The Fund assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Fund estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's ("CGU") fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

## TALEEM REIT FUND

(Managed by Saudi Fransi Capital Company)

---

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

#### 4. MATERIAL ACCOUNTING POLICIES (CONTINUED)

##### *Impairment of non-financial asset (continued)*

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

A reversal of an impairment loss for an asset is only recognized if there's been a change in the estimates used to calculate the asset's recoverable amount since the last impairment. The asset's carrying amount should be adjusted up to its recoverable amount, essentially undoing the previous impairment loss. However, this adjustment should not exceed what the asset's carrying amount would have been, considering depreciation or amortization, had the impairment not been recognized in the past.

##### *Fund management fee*

A fund management fee is payable at an agreed rate with the Fund Manager. The Fund Manager will charge a management fee of 0.75% of the net book value per annum accrued daily and paid annually. During the year 2018, the Fund Board resolved to charge the management fee based on the capital base of SR 510 million of the Fund instead of net assets of the Fund as long as the NAV is above the capital base.

##### *Custody fee*

As per the Terms and Conditions of the Fund, the Custodian charges custody fees calculated at an annual rate up to 0.0375% on the assets under custody. 0.03% on all future assets that is paid once at acquisition and SR 30,000 per annum for the Zakat certificate and financial statements. This is accrued daily and paid on annual basis.

##### *Provisions*

Provisions are recognised when the Fund has a present obligation (legal or constructive) arising from a past event, and the costs to settle the obligation are both probable and can be measured reliably. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, where appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to passage of time is recognised as finance costs.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received, and the amount of the receivable can be measured.

##### *Equity value per unit*

The equity value per unit as disclosed in the statement of financial position is calculated by dividing the total net asset value of the Fund by the number of units in issue at year-end.

##### *Zakat*

Zakat and income tax at the Fund level is the obligation of the Unitholders and is not provided for in these financial statements. Also refer note 17.

##### *Revenue recognition*

###### *Investment properties*

Rental income from operating leases is recognised on a straight-line basis.

###### *Finance lease income*

At the inception of the lease, the total unearned finance income i.e. the excess aggregate minimum lease payments plus residual value (guaranteed and unguaranteed), if any, over the cost of the leased assets, is amortised over the term of the lease, and finance lease income is allocated to the accounting periods so as to reflect a constant periodic rate of return on the Fund's net investment outstanding with respect to the lease.

---

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

#### 4. MATERIAL ACCOUNTING POLICIES (CONTINUED)

##### **Capital**

Units in the Fund are classified as equity instruments when a contractual obligation for the Fund is to deliver to another entity a pro rata share of its net assets only on liquidation. The obligation arises because liquidation either is certain to occur and outside the control of the Fund or is uncertain to occur but is at the option of the instrument holder. As an exception to the definition of a financial liability, an instrument that includes such an obligation is classified as an equity instrument if it has all the following features:

(a) It entitles the holder to a pro rata share of the Fund's net assets in the event of the Fund's liquidation. The Fund's net assets are those assets that remain after deducting all other claims on its assets. A pro rata share is determined by:

(i) dividing the net assets of the Fund on liquidation into units of equal amount; and

(ii) multiplying that amount by the number of the units held by the financial instrument holder.

(b) The instrument is in the class of instruments that is subordinate to all other classes of instruments and has no priority over other claims to the assets of the Fund on liquidation, and

(c) does not need to be converted into another instrument before it is in the class of instruments that is subordinate to all other classes of instruments.

All financial instruments in the class of instruments that is subordinate to all other classes of instruments must have an identical contractual obligation for the issuing entity to deliver a pro rata share of its net assets on liquidation.

For an instrument to be classified as an equity instrument, in addition to the instrument having all the above features, the issuer must have no other financial instrument or contract that has total cash flows based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the entity (excluding any effects of such instrument or contract) and the effect of substantially restricting or fixing the residual return to the instrument holders.

The Fund continuously assesses the classification of the units. If the units cease to have all the features, or meet all the conditions set out, to be classified as equity, the Fund will reclassify them as financial liabilities and measure them at fair value at the date of reclassification, with any differences from the previous carrying amount recognised in equity. If the units subsequently have all the features and meet the conditions to be classified as equity, the Fund will reclassify them as equity instruments and measure them at the carrying amount of the liabilities at the date of the reclassification.

The issuance, acquisition and cancellation of the Fund's units are accounted for as equity transactions.

Upon the issuance of units, the consideration received is included in equity. Transaction costs incurred by the Fund in issuing or acquiring its own equity instruments are accounted for as a deduction from equity to the extent that they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

##### **Earnings per unit**

Earnings per unit is calculated by dividing the net income for the year by the weighted average number of units outstanding during the year.

##### **Dividend distribution**

As per the Regulations, the distributed profits to Unitholders must not be less than (90%) of the Fund's annual net profits. Accordingly, the Fund distributes dividends on a quarterly basis.

Capital gains from the sale of real estate assets is invested in money market instruments until suitable real estate assets are identified for acquisition by the Fund. If no new investment opportunities are identified within one year of receipt of proceeds from the sale of an asset, the Fund manager will distribute such amounts with the upcoming dividend.

Unclaimed dividends are disclosed under other liabilities in the statement of financial position.

##### **Borrowings**

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in statement of income over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs.

To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the statement of financial position when the obligation specified in the contract is discharged, cancelled, or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the statement of income as other income or finance costs.

---

*All amounts are presented in Saudi Riyals unless otherwise stated*

**4. MATERIAL ACCOUNTING POLICIES (CONTINUED)**

*New standards, interpretations and amendments adopted by the Fund*

The following new and revised International Financial Reporting Standards have been adopted, which became effective for annual periods beginning on or after 1 January 2023. The adoption of these new revised International Financial Reporting Standards has not had any material effect on the reported amounts for current and prior years.

<b>Standard, interpretation, amendments</b>	<b>Description</b>	<b>Effective date</b>
Disclosure of Accounting Policies – Amendments to IAS 1 and IFRS Practice Statement 2	The IASB amended IAS 1 Presentation of Financial Statements to require entities to disclose their material rather than their significant accounting policies. The amendments define what is ‘material accounting policy information’ (being information that, when considered together with other information included in an entity’s financial statements, can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements) and explain how to identify when accounting policy information is material. They further clarify that immaterial accounting policy information does not need to be disclosed. If it is disclosed, it should not obscure material accounting information.  To support this amendment, the IASB also amended IFRS Practice Statement 2 Making Materiality Judgements to provide guidance on how to apply the concept of materiality to accounting policy disclosures	1 January 2023
Definition of Accounting Estimates – Amendments to IAS 8	The amendment to IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors clarifies how companies should distinguish changes in accounting policies from changes in accounting estimates. The distinction is important, because changes in accounting estimates are applied prospectively to future transactions and other future events, whereas changes in accounting policies are generally applied retrospectively to past transactions and other past events as well as the current period.	1 January 2023
IFRS 17, ‘Insurance contracts’	This standard replaces IFRS 4, which permits a wide variety of practices in accounting for insurance contracts.	1 January 2023
Amendments to IAS 12	Deferred tax related to assets and liabilities arising from a single transaction – These amendments requires companies to recognise deferred tax on transactions that, on initial recognition, give rise to equal amounts of taxable and deductible temporary differences.	1 January 2023
Amendments to IAS 12	International tax reform - pillar two model rules - These amendments give companies temporary relief from accounting for deferred taxes arising from the Organisation for Economic Co-operation and Development’s (OECD) international tax reform. The amendments also introduce targeted disclosure requirements for affected companies.	1 January 2023

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

**4. MATERIAL ACCOUNTING POLICIES (CONTINUED)**

**New standards, interpretations and amendments not yet effective and not early adopted by the Fund**

The listing of standards and interpretations issued which the Fund reasonably expects to be applicable at a future date are as follows. The Fund intends to adopt these standards when they become effective. These amendments and standards are not expected to have any impact on the financial statements of the Fund.

<b>Standard, interpretation, amendments</b>	<b>Description</b>	<b>Effective date</b>
Amendment to IFRS 16 – Leases on sale and leaseback	These amendments include requirements for sale and leaseback transactions in IFRS 16 to explain how an entity accounts for a sale and leaseback after the date of the transaction. Sale and leaseback transactions where some or all the lease payments are variable lease payments that do not depend on an index or rate are most likely to be impacted.	1 January 2024
Amendments to IAS 7 and IFRS 7 on Supplier finance arrangements	These amendments require disclosures to enhance the transparency of supplier finance arrangements and their effects on a company's liabilities, cash flows and exposure to liquidity risk. The disclosure requirements are the IASB's response to investors' concerns that some companies' supplier finance arrangements are not sufficiently visible, hindering investors' analysis.	1 January 2024
Amendment to IAS 1 – Non-current liabilities with covenants	These amendments clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments also aim to improve information an entity provides related to liabilities subject to these conditions.	1 January 2024
Amendments to IAS 21 - Lack of Exchangeability	An entity is impacted by the amendments when it has a transaction or an operation in a foreign currency that is not exchangeable into another currency at a measurement date for a specified purpose. A currency is exchangeable when there is an ability to obtain the other currency (with a normal administrative delay), and the transaction would take place through a market or exchange mechanism that creates enforceable rights and obligations.	1 January 2025

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

## 5. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of the Fund's financial statements in conformity with the IFRS that are endorsed in the Kingdom of Saudi Arabia and other statements and pronouncements issued by SOCPA, requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the reporting date and the reported amounts of revenue and expenses during the reporting year. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Fund makes estimates and assumptions concerning the future. The resulting accounting estimates, by definition, may differ from the related actual results.

Significant areas where management has used estimates, assumptions or exercised judgements are as follows:

### **Judgments**

#### ***Going concern***

The Fund Manager made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, the management is not aware of any material uncertainties that may cast significant doubt on the Fund's ability to continue as a going concern. Therefore, these financial statements continue to be prepared on a going concern basis.

#### ***Net investment in finance lease***

The following are the critical assumptions that have been made in the process of applying the Fund's accounting policies for the net investment in finance lease that have a significant effect on the amounts recognised in the financial statements:

- the present value of the finance lease receivable amounts to substantially all of the fair value of the leased asset at the inception of the lease; and
- the lease term of the assets covers a major part of the economic life of the leased asset.

**Classification of units as equity vs liability** (*Refer to Note 4 for accounting policy and measurement basis*)

### **Estimates**

#### ***Residual value and useful lives of investment properties***

The Fund Manager determines the estimated residual value and useful lives of its investment properties for calculating depreciation. These estimates are determined after considering the expected usage of the assets or physical wear and tear. Fund Manager will review the residual value and useful lives annually and future depreciation charge would be adjusted where the Fund Manager believes the useful lives differ from previous estimates.

The estimated useful life for investment properties, excluding land (infinite useful life), range from 40 to 55 years. Moreover, the estimated residual value for investments properties (building) is estimated to be Nil at the end of the useful life.

**Impairment of financial assets** (*Refer to Note 4 for accounting policy and measurement basis*)

**Impairment of non-financial assets** (*Refer to Note 4 for accounting policy and measurement basis*)

**Valuation of investment properties** (*Refer to Note 4 for accounting policy and measurement basis*)

TALEEM REIT FUND  
(Managed by Saudi Fransi Capital Company)

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

**6. CASH AND CASH EQUIVALENTS**

	<i>31 December 2023 SR</i>	<i>31 December 2022 SR</i>
Bank balances with Bank Saudi Fransi	<b>6,497,565</b>	17,747,743
Overdraft	-	(902,106)
	<b>6,497,565</b>	16,845,637

\*No special commission is receivable on this balance (see Note 11).

The Fund Manager has conducted a review as required under IFRS 9 and based on such an assessment, the effect of expected credit loss (“ECL”) allowance against the carrying value of cash and cash equivalents is insignificant as the balances are held with an investment grade credit rated financial institutions and therefore no ECL has been recognised in these financial statements.

**7. NET INVESTMENT IN FINANCE LEASE**

	<i>31 December 2023 SR</i>	<i>31 December 2022 SR</i>
<i>a) Net investment in finance lease consists of:</i>		
Gross investment in finance lease (see (b) below)	<b>139,296,708</b>	66,775,376
Less: Unearned finance income (see (c) below)	<b>(66,327,031)</b>	(32,178,315)
	<b>72,969,677</b>	34,597,061
<i>b) The future minimum lease payments to be received consist of:</i>		
Within one year	<b>9,384,082</b>	2,707,895
After one year but not more than five years	<b>24,736,213</b>	11,515,322
Five years onwards	<b>105,176,413</b>	52,552,159
	<b>139,296,708</b>	66,775,376
<i>c) The maturity of unearned finance income is as follows:</i>		
Within one year	<b>(8,174,027)</b>	(2,324,141)
After one year but not more than five years	<b>(18,351,955)</b>	(8,942,263)
Five years onwards	<b>(39,801,049)</b>	(20,911,911)
	<b>(66,327,031)</b>	(32,178,315)

The finance lease represents the building of the Tarbiah Islamiah School (refer note 9(d)).

The Fund Manager has conducted a review as required under IFRS 9, based on the assessment, the Fund Manager believes that there is no need for any significant impairment loss against the carrying value of net investment in finance lease at the reporting date.

TALEEM REIT FUND  
(Managed by Saudi Fransi Capital Company)

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

All amounts are presented in Saudi Riyals unless otherwise stated

**8. PREPAYMENTS, RECEIVABLES AND OTHER ASSETS**

	<i>31 December</i> <i>2023</i> <i>SR</i>	<i>31 December</i> <i>2022</i> <i>SR</i>
Rent receivable ( <i>refer note (a) below</i> )	<b>44,431,989</b>	34,455,600
Rent receivable from related party ( <i>refer note (a) &amp; note 11</i> )	<b>26,408,860</b>	23,824,726
Prepaid expenses	<b>902,089</b>	1,160,132
Other assets ( <i>refer note (b) below</i> )	<b>265,184</b>	342,361
VAT receivable – input tax	-	385,977
	<b><u>72,008,122</u></b>	<b><u>60,168,796</u></b>

- (a) This represents the difference between the accumulated rental income at the reporting date (after taking into account contractually agreed future rent escalations) and the accumulated amount of rent due under the contract as at the reporting date.
- (b) This includes an amount of SAR 262,500, which was made as a result of a VAT audit conducted by the Zakat, Tax, and Customs Authority (ZATCA) for the years 2018 and 2019. This assessment was settled by the Fund in December 2020. Following this payment, the Fund Manager appealed the decision with the General Secretariat of the Tax Committee (GSTC). The GSTC initially ruled in favor of the Fund, however, ZATCA has challenged this decision by appealing to the GSTC's Appeal Committees. The outcome of this appeal is still pending.

Net book value	<u>709,189,063</u>	<u>32,335,427</u>	<u>741,524,490</u>

The investment properties represent following acquired properties:

- a) The Fund has leased the premises of four schools (Hitteen Branch Riyadh, Al Malqa Branch Riyadh, Al Narjis Branch Riyadh, and Aleshraq Branch Dammam) to Al Khaleej Education and Training Co. for SR 159.6 million (excluding transaction costs), acquired on 13 February 2022 (12 Rajab 1443). The properties are registered under Rabwa Taleem Real Estate Company, owned by KASB Capital, serving as the Fund's custodian. Although Rabwa Taleem holds the titles, it only does so for the Fund's benefit, without any controlling interest in the assets. Spanning a total of 19,423 square meters, these assets are designated as investment properties by the Fund. The purchase was financed through a facility provided by Banque Saudi Fransi, a related party.
- b) The Fund has leased a property to Al Ghad National School, acquired for SR 94.3 million (excluding transaction costs) on 29 June 2020 (08 Dhul-Qadah 1441). This property is registered under Rabwa Taleem Real Estate Company, owned by KASB Capital, the Fund's custodian. Rabwa Taleem holds the title on behalf of the Fund, with no direct control or ownership stake in the property. Located in the King Abdullah District of Riyadh City on Al-Uruba Street, the property encompasses 11,282.58 square meters of land with a total built-up area of 17,908.28 square meters. The Fund has designated it as an Investment Property. The purchase was financed through a facility from Banque Saudi Fransi, indicating a related party transaction.

**9. INVESTMENT PROPERTIES (CONTINUED)**

- c) The Fund has entered into a lease agreement with Al Rwad International School for a property, which was acquired in exchange for 225 million worth of Fund units at SR 10 per unit on 26 September 2018 (16 Muharram 1440). The property is registered under Raj Three Company Limited, a subsidiary of KASB Capital, which acts as the Fund's custodian. Raj Three Company Limited holds the title for the benefit of the Fund, without any direct control or ownership interest in the asset. Located in the Alnuzha district of Riyadh City, the property spans 30,000 square meters. It has been designated by the Fund as an Investment Property.
- d) The Fund has leased a property to Al Tarbiah Islamiah School (TIS), acquired for SR 250 million in Fund units at SR 10 per unit on 25 May 2017 (29 Shaban 1438). This property is owned by Rabwa Taleem Real Estate Company, under the custodianship of KASB Capital. Rabwa Taleem holds the title for the Fund's benefit, without any controlling interest or ownership in the asset. Located in the Umm-al-Hamam district of Riyadh City, on Al-Takhassusi Street, the property spans 45,666.94 square meters. The previous owners, Ahmed Al Rasheed and Sons Holding Company, retain 38.98% of the Fund's total units (down from 39.12% in 2022). The Fund categorizes the land as an Investment Property and the building as net investment in finance lease.
- e) The Fund entered into an agreement with the management of TIS to expand the student capacity by developing a new 'boys section building' with a built-up area of 12,900 square meters. The expansion is funded by financing facility from Banque Saudi Fransi (Related Party). The Capital work in progress has been capitalized during the current period and later derecognized as an asset and classified as TIS Expansion finance lease amounting to SAR 39.3 million for the year ended 31 December 2023.

**10. ACCRUED EXPENSES AND OTHER LIABILITIES**

	<b><u>9,293,108</u></b>	<b><u>5,568,028</u></b>

**11. TRANSACTIONS AND BALANCES WITH RELATED PARTIES**

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. In considering each possible related party relationship, attention is directed to the substance of the relationship, not merely the legal form.

Related parties include Saudi Fransi Capital Company (“the Fund Manager”), Banque Saudi Fransi (the Bank and the shareholder of the Fund Manager), the Funds’ Board of Directors (BoD), affiliates of the Fund Manager, the Funds managed by the Fund Manager and the Unitholders of the Fund.

In the ordinary course of its activities, the Fund transacts business with related parties.

- a) The sponsor unitholder of the Fund namely: Ahmed Al Rasheed and Sons Holding Company is also the shareholder of the Company that owns Tarbiah Islamiah School. Accordingly, the income and related assets in lieu of the lease agreement with Tarbiah Islamiah School has been disclosed under related party transactions.

\*The Fund had paid penalties due to late payment of interest on the borrowing amounting to SR 556,636, which is reimbursable by the Fund Manager, Saudi Fransi Capital. and the receivable is disclosed as due from a related party in the statement of financial position.

At the end of the year, cash balance with the Banque Saudi Fransi is SR 6,497,565 (2022: SR 17,747,743) and an overdraft of SR Nil (2022: SR 902,106).

**12. CAPITAL**

The capital of the Fund is SR 510 million divided into 51 million participating units of SR 10 par value, with each carrying one vote. All issued participating units are fully paid and are listed on the Saudi Exchange (Tadawul). The Fund's capital is represented by these participating units and are classified as equity instruments. The units are entitled to dividends when declared and to payment of a proportionate share of the Fund's net asset value upon winding up of the Fund. A reconciliation of the number of units outstanding at the beginning and end of each reporting period is presented in the statement of changes in equity attributable to the Unitholders.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

All amounts are presented in Saudi Riyals unless otherwise stated

**13. BORROWING FROM BANK**

This represents Islamic mode of financing obtained from a local bank (Banque Saudi Fransi) utilised to finance the acquisition of the properties as detailed in note 9 to these financial statements. The Islamic financing involves the sale and purchase of commodities with the bank as per mutually agreed terms. The Fund obtained financing at an average rate of return of Saudi Interbank Offer Rate (SIBOR) plus the bank's commission. The Fund is to repay the principal in one bullet payment on 30 June 2027. The loan has been obtained in the name of Rabwa Taleem Real Estate Company (SPV of the fund).

The title deed of Rowad International School has been mortgaged and is being held as a collateral against the bank borrowing.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

All amounts are presented in Saudi Riyals unless otherwise stated

**15. OTHER EXPENSES**

	<i>For the year ended 31 December 2023</i>	<i>For the year ended 31 December 2022</i>
	<i>SR</i>	<i>SR</i>
Registrar fee	420,000	415,000
Listing fee	182,403	211,891
Insurance expense	73,270	-
Audit fee	68,250	68,250
Others	51,848	790,661
	<u>795,771</u>	<u>1,485,802</u>

**16. DIVIDEND DISTRIBUTION**

During the year, the Fund has paid dividends amounting to SR 32.64 million (2022: SR 33.66 million). The dividend per unit amounted to SR 0.64 per unit (2022: SR 0.66 per unit).

Subsequent to the year-end on 15 January 2024, the Fund Manager announces the distribution of cash dividend to the Unitholders of the Fund for the period from 16 Rabi' al-Awwal 1445H (corresponding to 1 October 2023) to 18 Jumada al-Akhirah 1445H (corresponding to 31 December 2023) amounting to SR 8.16 million (SR 0.16 per unit) (2022: SR 8.16 million (SR 0.16 per unit)).

**17. PROVISION FOR ZAKAT**

**a) Basis for zakat**

Article 3 of Zakat Collection Rules for Investing in Investment Funds (the "Rules"), stipulates that all investment funds or real estate investment funds approved to be established by the CMA after the effective date of the resolution (1 January 2023), must register with ZATCA for Zakat purposes before the end of the first fiscal year from the date of the approval on their establishment and submit an informative zakat return within 120 days of fiscal year end. Prior to the above Rules, the Fund was already registered with ZATCA and was paying zakat at 2.5% of higher of the approximate zakat base and adjusted net income attributable to the Saudi Unitholders. However, effective 1 January 2023, in accordance with the stipulated article of the Rules, the Fund has ceased the recognition of Zakat expenses. Consequently, the responsibility for Zakat at the Fund level now rests with the Unitholders, and such obligations are not accounted for within these financial statements.

**b) Movement of provision for zakat**

	<i>31 December 2023</i>	<i>31 December 2022</i>
	<i>SR</i>	<i>SR</i>
Balance at the beginning of the year	2,659,944	2,130,071
Provision for the current year	-	2,730,537
Provision for prior year*	20,596	-
Payments during the year	<u>(2,680,540)</u>	<u>(2,200,664)</u>
	<u>-</u>	<u>2,659,944</u>

\* During 2023, the fund has made a zakat payment in the amount of SR 2,680,540 related to 2022 net income. The amount paid exceeded the accrued provision amount by SR 20,596, which was booked as additional Zakat expense in the current year.

**c) Status of annual return and assessment**

The Fund would file the annual return for the year ended 31 December 2023 within the stipulated timelines as specified under the Zakat regulations issued by ZATCA.

TALEEM REIT FUND  
(Managed by Saudi Fransi Capital Company)

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

All amounts are presented in Saudi Riyals unless otherwise stated

**18. FAIR VALUE OF ASSETS AND LIABILITIES**

The Fund believes that the fair value of all financial assets and liabilities approximately equal their carrying value. The fair value of investment properties is SAR 814 million (2022: SAR 765 million) carried at Level 3.

**19. EFFECT ON NET ASSET VALUE IF INVESTMENT PROPERTIES ARE FAIR VALUED**

In accordance with Article 36 of the Real Estate Investment Funds Regulations issued by CMA in the Kingdom of Saudi Arabia, the Fund Manager evaluates the Fund's assets based on an average of two evaluations prepared by independent valuers. As set out in the terms and conditions of the Fund, the net asset values declared are based on the market value obtained. However, in accordance with International Accounting Standards 40 ("IAS 40") the Fund opted to use the cost method wherein investment properties are carried at cost less accumulated depreciation and impairment, if any, in these financial statements. Accordingly, the fair value below is disclosed for information purposes and has not been accounted for in the Fund's books in case of impairment.

The valuation of the investment properties (the "properties") is carried out by Saudi Asset Valuation Company (Tathmeen) and Abaad & Partner For Real Estate Valuation Company. These two valuers are licensed by the Saudi Authority for Accredited Valuers ("TAQEEM"). The Fund Manager has used the average of the two valuations for the purpose of disclosing the fair value of the properties. The properties were valued taking into consideration of several factors, including the area and type of properties, and valuation techniques using significant unobservable inputs, including the land plus cost method, residual value method and the discounted cash flow method.

Below is an analysis of the properties fair value versus cost:

	<i>31 December</i> <u>2023</u>	<i>31 December</i> <u>2022</u>
Estimated fair value of investment properties	<b>814,192,085</b>	737,213,938
Book value of investment properties (excluding capital work in progress) *	<b>(706,601,416)</b>	(709,189,063)
Accrued rental receivables	<b>(26,408,860)</b>	(23,824,726)
Estimated fair value surplus relative to book value **	<b>81,181,809</b>	4,200,149
Units in issue (numbers)	<b>51,000,000</b>	51,000,000
Per unit value impact from excess of investment properties' estimated fair value over book value	<b>1.5918</b>	0.0824
<b>Equity value</b>		
	<i>31 December</i> <u>2023</u>	<i>31 December</i> <u>2022</u>
Equity as per the financial statements	<b>549,808,260</b>	546,149,755
Estimated fair value surplus relative to book value **	<b>81,181,809</b>	4,200,149
Equity based on fair valuation of investment properties	<b>630,990,069</b>	550,349,904
<b>Equity value per unit</b>		
Equity per unit as per the statement of financial position	<b>10.7806</b>	10.7088
Per unit value impact from excess of investment properties' estimated fair value over book value	<b>1.5918</b>	0.0824
Equity value per unit based on fair valuation of investment properties	<b>12.3724</b>	10.7912

The Fund's investment in the building of Tarbiah Islamiah School has been classified as a finance lease in accordance with IFRS as endorsed in the Kingdom of Saudi Arabia. The fair value of the net investment in finance lease has been determined based on the market special commission rates. As of the reporting date, the carrying value of the net investment in finance lease approximates its fair value.

\* The value of capital work in progress approximates the fair value.

\*\* The book value is calculated based on the assumption that the investment properties are sold on the reporting date.

**21. SEGMENT INFORMATION**

The Fund is organised into one operating segment (Educational Institutions). Accordingly, all significant operating decisions are based upon analysis of the Fund as one segment.

TALEEM REIT FUND  
(Managed by Saudi Fransi Capital Company)

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

**22. FINANCIAL AND RISK MANAGEMENT OBJECTIVES AND POLICIES**

***Risk management***

The Fund Manager is primarily responsible for identifying and controlling risks.

***Risk measurement and reporting system***

Monitoring and controlling risks are primarily set up to be performed based on limits as specified in the regulations. In addition, the compliance department of the Fund Manager monitors the exposures against the limits as specified in the regulations.

***Risk mitigation***

The Fund's investment guidelines as specified in Terms and Conditions and fact sheet set out its overall business strategies, its tolerance for risk and its general risk management philosophy.

***Concentration risk***

Concentration indicates the relative sensitivity of the Fund's performance to developments affecting a particular industry or geographical location.

Concentrations risk arises when a number of financial instruments or contracts are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. As the Fund has invested in real estate in Kingdom of Saudi Arabia, there is a concentration risk of geographical location.

***Credit risk***

Credit risk is the possibility of non-payment by counterparties and financial institutions through which the Fund transacts. The Fund is exposed to credit risk on its cash and cash equivalents, rental income receivable and net investment in finance lease. Cash and cash equivalent is maintained with Banque Saudi Fransi. The net investment in finance lease is made with the Unitholder of the Fund for whom no credit rating is available. Cash flows from the lessees are being received in accordance with the lease with no issues of default. The maximum exposure to the credit risk for the financial assets is their carrying value.

The following table shows the Fund's maximum exposure to credit risk for components of the statement of financial position. All of these financial assets are classified at stage 1.

	<i>31 December</i> <i>2023</i> <i>SR</i>	<i>31 December</i> <i>2022</i> <i>SR</i>
Cash and cash equivalents	<b>6,497,565</b>	17,747,743

	<b>150,864,727</b>	110,625,130

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 December 2023

*All amounts are presented in Saudi Riyals unless otherwise stated*

**22. FINANCIAL AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)**

***Liquidity risk***

Liquidity risk is the risk that the Fund may encounter difficulty in generating funds to meet commitments associated with financial liabilities, which comprise of management fees payable, bank borrowings, accrued finance cost and other liabilities. The Fund is a closed-ended fund and further to subscribing to the Fund's units during the offering period, no sales and purchase of units are permitted, unless specifically approved by CMA.

The remaining contractual maturities at the reporting date of the Fund's financial liabilities, except for borrowings from bank (see note 13), consisting of management fee payable and other liabilities are all due within 12 months. The undiscounted amount of these financial liabilities approximates their carrying values at the reporting date.

***Market risk***

Market risk is the risk that changes in the market prices, such as foreign exchange rates, equity prices and interest rates, will affect the Fund's income or cash flows. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimising the return.

***Currency risk***

Currency risk is the risk that the value of a financial instrument may fluctuate due to a change in foreign exchange rates. The financial instruments of the Fund i.e. cash and bank balances, net investment in finance lease, rental income receivable, management fee payable, borrowings and other liabilities are denominated in Saudi Arabian Riyals. Accordingly, the Fund is not exposed to any currency risk.

***Special commission rate risk***

Special commission rate risk is the risk that the value of financial instruments will fluctuate due to changes in the market special commission rates. The Fund is subject to special commission rate risk on its special commission bearing assets including net investment in finance lease. The Fund does not account for any fixed rate special commission bearing financial assets at fair value and therefore, a change in special commission rates at the reporting date would not have any effect on the financial statements. The Fund is exposed to cashflow special commission rate risk on the floating rate borrowings. A hundred basis points change in commission rate keeping all other factors constant will increase/decrease the special commission expense by SR 306,881 (2022: SR 278,451).

**23. LAST VALUATION DAY**

The last valuation day for the purpose of preparation of these financial statements for the year ended was 31 December 2023 (2022: 31 December 2022).

**24. EVENTS AFTER THE END OF REPORTING PERIOD**

Subsequent to the year end, the Fund Manager has announced the distribution of cash dividend. (refer note 16).

**25. APPROVAL OF THE FINANCIAL STATEMENTS**

These financial statements were approved and authorised for issue by the Fund Board on 23 March 2024 (corresponding to 13 Ramadhan 1445H).
