Takaful

Abu Dhabi National Takaful Co. P.S.C

Introduction:

Abu Dhabi National Takaful Co. P.S.C (Takaful) is a national company, it is a public shareholding company which was incorporated in Abu Dhabi, United Arab Emirates (UAE) on 16 November 2003 with a paid-up capital of AED.100,000,000.00 with the aim of providing Takaful insurance solutions for the regional market. And the Company's core business activities and investment are conducted in accordance with the Islamic Shari'a principles.

1. A statement of the procedures taken to complete the Corporate Governance system during 2018, and how they are applied.

Abu Dhabi National Takaful – Takaful p.s.c – is presenting its annual report, in which it shows its commitment to corporate governance system and principles, We, in Abu Dhabi National Takaful, believe that corporate governance is an integral part of our progress and development, as it is based on justice, responsibility, transparency, which we consider the starting point of unlimited success.

Abu Dhabi National Takaful is committed to the provisions of Islamic Shari'a in all its transactions and activities, which gives the governance more depth, since the Shari'a also called for these principles.

As of 2009, the Company has started to implement the provisions of Ministerial Resolution No. (518) of 2009 Concerning Governance Rules and Corporate Discipline Standards, immediately after its publication, through developing an action plan as follows:

1. Issuing especial procedures for corporate governance.
2. Forming committees directly from the Board of Directors, taking into consideration the conditions that must be met by its members.
3. Establishing an internal control department, and appointing an Head of Internal Control Department
4. Who fully authorized to carry out his duties in order to achieve the objectives in this regard.
5. Adopting code of Professional Conduct.
6. Setting rules governing the transactions of the Board members and the employees as well, regarding the securities issued by the company.

The Company aims to secure the shareholders while achieving the general objectives of the governance, through implementing these criteria and rules (i.e governance rules).

The company submits its annual report on the implementation of the governance rules, this report is made available to the shareholders at the general assembly meeting to discuss its articles. In addition, the Securities and Commodities Authority is provided with a copy of the report for information and advice if necessary.

Subsequently, SCA issued the Chairman of Authority's Board of Directions No. 7 R.M of 2016 Concerning the Standards of Institutional Discipline and Governance of Public Shareholding Companies – issued, the Company reviewed this decision and amended its procedure to ensure full compliance.

2. A statement of the transactions of the members of the Board of Directors, and spouses and children thereof in the Company's securities during 2018 using the table below:

1.2 The Company Policy;

The company has followed and implemented a mechanism that governs the rules of dealing with the Board members and their direct relatives or any of the insiders of the base data in the securities of the company, and aims to obtain:

- The equality of all investors in accessing the company's data.
- Identifying and reporting of any suspicion of insiders from achieving any personal gain from this accessing.
- Increasing the transparency on the disclosure.
- Increasing the investors' confidence in the shares of the Company.

2.2 Rules adopted by the Company;

Subject to the provisions of Article (14) of The Authority's Board of Director's Decision No. (2) of 2001 Concerning the Regulations as to Trading, Clearing, Settlement, Transfer of Ownership and Custody of Securities. As well as all decisions issued in this regard, the Company has adopted a series of rules and controls governing the dealings of all insiders of the Company's data in its own securities, which consist in;

- Members of the Board and employees are entitled to invest in the Company's shares under the stipulated conditions. They shall notify the Securities and Commodities Authority, and Abu Dhabi Securities Exchange, as well as the Chief Executive Officer about this investment.
- It is not allowed to the Chairman, the Board members, the CEO or any person (insider) who has access to the core data of the listed company

- To act on his own/others by dealing in the securities of the Company itself, or in the securities of the parent company or affiliate or sister of that company, during the following periods;
 1. (10) business days before the announcement of any material information that may affect the price of the stock up or down, unless this information is a result of sudden events.
 2. (15) days before the end of the quarterly, semi-annual or annual financial period, until disclosure of the financial statements.
- The provisions of the law shall be taken into account when any of the above-mentioned persons act by themselves/others by dealing in the securities of the company itself or in the securities of the parent company, subsidiary or affiliate of that company, any contrary dealing shall be void.
- In the course of carrying out their duties, the Board of Directors and the employees shall be fully aware of and understand all applicable laws, rules and regulations in order to be able to comply with them in all circumstances. Any benefits that may be granted to the employees or opportunities for cash and non-cash benefits, as well as any paid compensation shall be in accordance with the conflict of interest policy. Therefore, the employees must carry out their duties by applying the principles of integrity, honesty and adherence to professional standards.
- Board members should immediately inform the Chairman when any personal material interests arise against the Company's affairs. In this context, any personal financial interest resulting in any financial transaction with any entity related to the Company that reach to or exceed AED 5 Million shall be notified to the Chairman immediately.
- Board members should refrain from participating in discussions during Board meetings if any personal interest of their own is discussed.
- If a shareholder (represented by a member of the Board of Directors) has a conflict of interest in any matter that may affect the value and volume of the investment in the Company's shares. the Board shall meet and issue its decision on this matter excluding the Board member – or the representatives of this shareholder – of voting. And in exceptional cases, such matters can be resolved through a special committee formed for this purpose.
- Each Board member should – once taking office – disclose to the Company the nature of the positions he holds in public shareholding companies and others, important commitments as well, specifying the time allocated to them, any changes that may arise once occur.
- Each Board member shall – annually – disclose to the Company the nature of their transactions in the securities issued by the Company, the parent company or its subsidiaries or sister companies.
- the Board of Directors is responsible to oversight the compliance with disclosure policy and take any corrective action, if necessary

- The Board has formed a committee to manage, follow up, and supervising the transactions of insiders and their property, maintain their register and submit periodic reports and statements to ADX in accordance with the articles 12 and 13 of the Chairman Decision (Securities and Commodities Authority) No. 7 R.M of 2016 concerning the Standards of Institutional Discipline and Governance of Public Shareholding Companies.
- Accordingly, no member of the Board – or their spouses/sons – have made or declares any transactions on the Company's securities during the year 2018 according to the following schedule;

9. Internal Control System:

Internal control is essential to the application of the governance system, as it aims to establish an assessment of the risk management framework, to examine the effectiveness of the control and properly applying of the governance, and to ensure that the company and its employees comply with the provisions of laws, and the internal policies, as well as reviewing the data that presented to the senior management of the Company. It is also a crucial and necessary basis to ensure the accuracy of the financial statements. Accordingly, and in accordance with the rules of the governance, the Board of Directors of the Company (in the meeting No. 1/2010) decided on 22/02/2010 to establish The Internal Control Department, and should be directly reporting to the Board (according to the rules of governance). The Internal Control Department periodically submits written reports to the Board of Directors on the procedures, findings and recommendations reached by it and with absolute transparency. The functions entrusted to it shall be carried out in accordance with the above-mentioned resolution.

Internal Control functions are as follows:

1. Evaluate the Enterprise Risk Management framework applied in the company.
2. Ensure that the company adherence to the Corporate governance requirements.

3. Ensure the commitment of the company and its employees to the provisions of the laws, regulations, and the internal policies and procedures.
4. Evaluate the work of the company's internal committees and their efficiency to reduce the risks facing the company, and make appropriate recommendations to correct their weaknesses.
5. Reviewing the financial statements presented to the Company's senior management, which are used in preparing the financial statements.
6. Comparing and analyzing actual financial results with previous estimates and setting explanations, solutions, and recommendations thereon.
7. Coordinating with the external auditors of the company and other regulatory authorities regarding the exchange of information and responding to their inquiries and observations in cooperation with the concerned departments in the Company, and follow up correction of violations and as well as following up the recommendations contained in their reports.
8. prepare internal audit reports of the internal audit engagement conducted according to the approved audit plan as well as ad hoc assignments, and report them to the board on periodic basis.
9. imposing additional controls on some departments through ensuring:
 - i. Effectiveness and efficiency of the Company's operations.
 - ii. Controls over the financial transactions (payment, exchange, transfer, deduction, etc).
 - iii. the accuracy of the financial statement .
 - iv. The reliability of the Data transmitted and processed throughout the company's operation system
 - v. Matching internal data with the data from external sources.
 - vi. Matching the annual financial results with the financial records and general ledges.
 - vii. Taking the appropriate action to safeguard the company's assets and records.

a. The BOD's acknowledgement of its responsibility for the Internal Control System in the Company and its review of the functioning mechanism of internal control and ensuring its effectiveness.

The Board of Directors acknowledges and reviews the company's internal control system and verifies its effectiveness through the Internal Control Department,

which provides regular and periodic reports to the Board, Audit & Risk Committee, and executive management.

b. The name, qualifications, and date of appointment of the Director of Internal Control Department.

As part of implementation of Corporate Governance measures by the Company in 2010, Mr. Zainudeen Faizan Mohamed was appointed as the Manager of this department. He has over 20 years of Banking and Insurance Industry experience including Financial Control positions held with HSBC Bahrain and Takaful International Bahrain previously. He holds professional qualifications ACMA, CIRM & CFE relating to Management Accounting, Risk Management & Fraud Examination.

c. The name, qualifications, and date of appointment of the Compliance Officer.

In 2017 Mr. Mustafa Hassoun, the Legal Department Manager – has been appointed as Compliance Officer, he has a Bachelor's degree in Sharia and Law since 2004.

d. How the Internal Control Department handle any significant issues in the company, or issues disclosed in the annual reports and accounts (in case there are no significant issues, it should stated that the Company did not have any significant issues).

The Internal Control Department provides the Board with periodic reports on its work, including the problems experienced by the company and the manner of dealing with, and the best solution as well, despite that the company did not face any major problems.

10. Details of the violations committed during the year 2018 and a statement of reasons thereof, and how they addressed and how they will avoided in the future.

According to the reports submitted by the Internal Control Department, the Company did not face any significant violations during the fiscal year 2018. The company considers that the absence of these errors is part of the success achieved through the good practices formulated by the Board and Executive Management.

11. A statement of the cash and in-kind contributions made by the Company during the year 2018 toward the local community development and environmental conservation. (In case there are no contributions, it should be stated that the Company did not make any contributions).
