**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF ARMAH SPORTS COMPANY  
(A SAUDI LISTED JOINT STOCK COMPANY)**

**Introduction**

We have reviewed the accompanying interim condensed statement of financial position of Armah Sports Company - A Saudi Listed Joint Stock Company ("the Company") as at 30 June 2026, and the related interim condensed statements of profit or loss and other comprehensive income for the three-month and six-month periods ended 30 June 2026, and the related interim condensed statement of changes in equity and cash flows for the six-month period then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

**Scope of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Other Matters**

The financial statements of the Company for the year ended 31 December 2025 were audited by another auditor who expressed unmodified opinion on those financial statements on 6 Ramadan 1447H (corresponding to 23 February 2026). Further, the interim condensed financial statements for the six-month period ended 30 June 2025 were reviewed by another auditor who expressed unmodified review conclusion on those interim condensed financial statements on 26 Muharram 1447H (corresponding to 21 July 2025).

We have not been appointed or assigned to review the interim condensed financial statements of the Company as at and for the three-month period ended 30 June 2025. Accordingly, we were not able to indicate whether there were any adjustments to the results of its business and cash flows for the three-month period ended 30 June 2025. Our conclusion is not modified in relation to this matter.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

5. NEW STANDARDS, AMENDMENT TO STANDARDS AND INTERPRETATIONS (continued)

| <u>Standards/ amendments to standards/ interpretations</u>                      | <u>Effective date</u> |
|---------------------------------------------------------------------------------|-----------------------|
| IFRS 18 Presentation and Disclosure in Financial Statements                     | 1 January 2027        |
| IFRS 19 - Subsidiaries without Public Accountability: Disclosures               | 1 January 2027        |
| Translation to a Hyperinflationary Presentation Currency – Amendments to IAS 21 | 1 January 2027        |

The adoption of these standards and interpretations is not expected to have any material impact on the Company on the effective date, except IFRS 18, which the Company has evaluated the impact of its adoption on the financial statements.

***IFRS 18 Presentation and Disclosure in Financial Statements***

In April 2024, the IASB issued IFRS 18, which replaces IAS 1 Presentation of Financial Statements. IFRS 18 introduces new requirements for presentation within the statement of profit or loss, including specified totals and subtotals. Furthermore, entities are required to classify all income and expenses within the statement of profit or loss into one of five categories: operating, investing, financing, income taxes and discontinued operations, whereof the first three are new.

The standard requires disclosure of newly defined management-defined performance measures, subtotals of income and expenses, and it also includes new requirements for aggregation and disaggregation of financial information based on the identified 'roles' of the primary financial statements (PFS) and the notes.

In addition, narrow-scope amendments have been made to IAS 7 Statement of Cash Flows, which include changing the starting point for determining cash flows from operations under the indirect method, from 'profit or loss' to 'operating profit or loss' and removing the optionality around classification of cash flows from dividends and interest. In addition, there are consequential amendments to several other standards.

IFRS 18, and the amendments to the other standards, are effective for reporting periods beginning on or after 1 January 2027, but earlier application is permitted and must be disclosed. IFRS 18 will apply retrospectively.

Although the adoption of IFRS 18 will have no material impact on the Company's profit for the period or total revenue, the Company expects that grouping items of income and expense in the Interim Condensed Statement of Profit or Loss into the new categories will impact how Operating profit is reported.

**1- Structure of the Statement of Profit or Loss**

The Company does not have a specified main business activity as defined in IFRS 18. Following is the high level IFRS 18 impact assessment results as at the date of reporting:

- The Company will continue to present operating profit line item and believe that it is not materially different from operating profit reported under IAS 1 as at the reporting date;
- The items of finance income line item will be disaggregated into interest income on net investment in sublease and interest income on cash and cash equivalents, and will be presented within the new investing category, before the new 'Profit before financing and zakat' subtotal required by IFRS 18.
- The finance costs line item will be disaggregated into interest expense on borrowings, interest expense on lease liabilities and interest expense on employees' end of service benefits, and will be presented within the new financing category, after the new 'Profit before financing and zakat' subtotal required by IFRS 18.
- The Company expects the Zakat to be presented in income tax category of IFRS 18 hence, there is no change from existing presentation under IAS 1.

**5. NEW STANDARDS, AMENDMENT TO STANDARDS AND INTERPRETATIONS (continued)**

**2- Management-defined performance measures (MPMs)**

Management-defined Performance Measures (MPMs) is a subtotal of income and expenses that entity uses in public communication outside the financial statements that communicates management's view of an aspect of the financial performance of the entity as a whole. Where applicable, these measures may require quantitative reconciliation to IFRS-defined subtotals together with expanded explanatory disclosures.

Upon adoption of IFRS 18, the Company will assess whether performance measures communicated to investors, analysts and other stakeholders, outside Companies financial statements would meet the definition of an MPM under IFRS 18 and accordingly, will comply with the IFRS 18 disclosure requirements in this regard. On high level, the Company expects to include Adjusted EBITDA (Earnings Before Interest, Zakat, Depreciation and Amortization) and Adjusted Net Income, as management-defined performance measures. Adjusted EBITDA and Adjusted Net Income will be adjusted to exclude certain income and expense items which are infrequent during normal course of business.

**3- Aggregation and Disaggregation**

The new aggregation and disaggregation requirements will lead into changes to present the most useful structured summary. The Company is assessing how items are aggregated and disaggregated in the primary financial statements and the notes on the basis of similar and dissimilar characteristics. Certain profit or loss line items description and aggregations may change to provide useful structured summaries and disclose of additional material information would be included in the notes. The Company also expects expanded disclosure requirements relating to the aggregation and disaggregation of information. The Company is also assessing line items currently labeled as "other" and will use more informative labels that describes the aggregated items as precisely as possible.

**4- Consequential amendments**

The Company currently uses profit before zakat for the year / period as a starting point of the reconciliation to cash flows from operating activities which will change to 'operating profit or loss'. Certain adjusting items included in the reconciliation will change as a result of the new starting point.
